

Agenda Item V: Implementation and Submitter Updates

Starla Ledbetter, Chief Data Officer, HCAI

HPD Implementation Update

- Hiring HPD Program and IT staff
- HPD Platform focused on Data Collection and designing the analytic dataset
- Master Index in development, focusing on integrating fully-insured commercial and Medi-Cal data
- DHCS APCD-CDL™ data files successfully uploaded through 2021
- 2018-2020 Medicare FFS data from CMS successfully uploaded
- Developing the HPD data request and access regulations

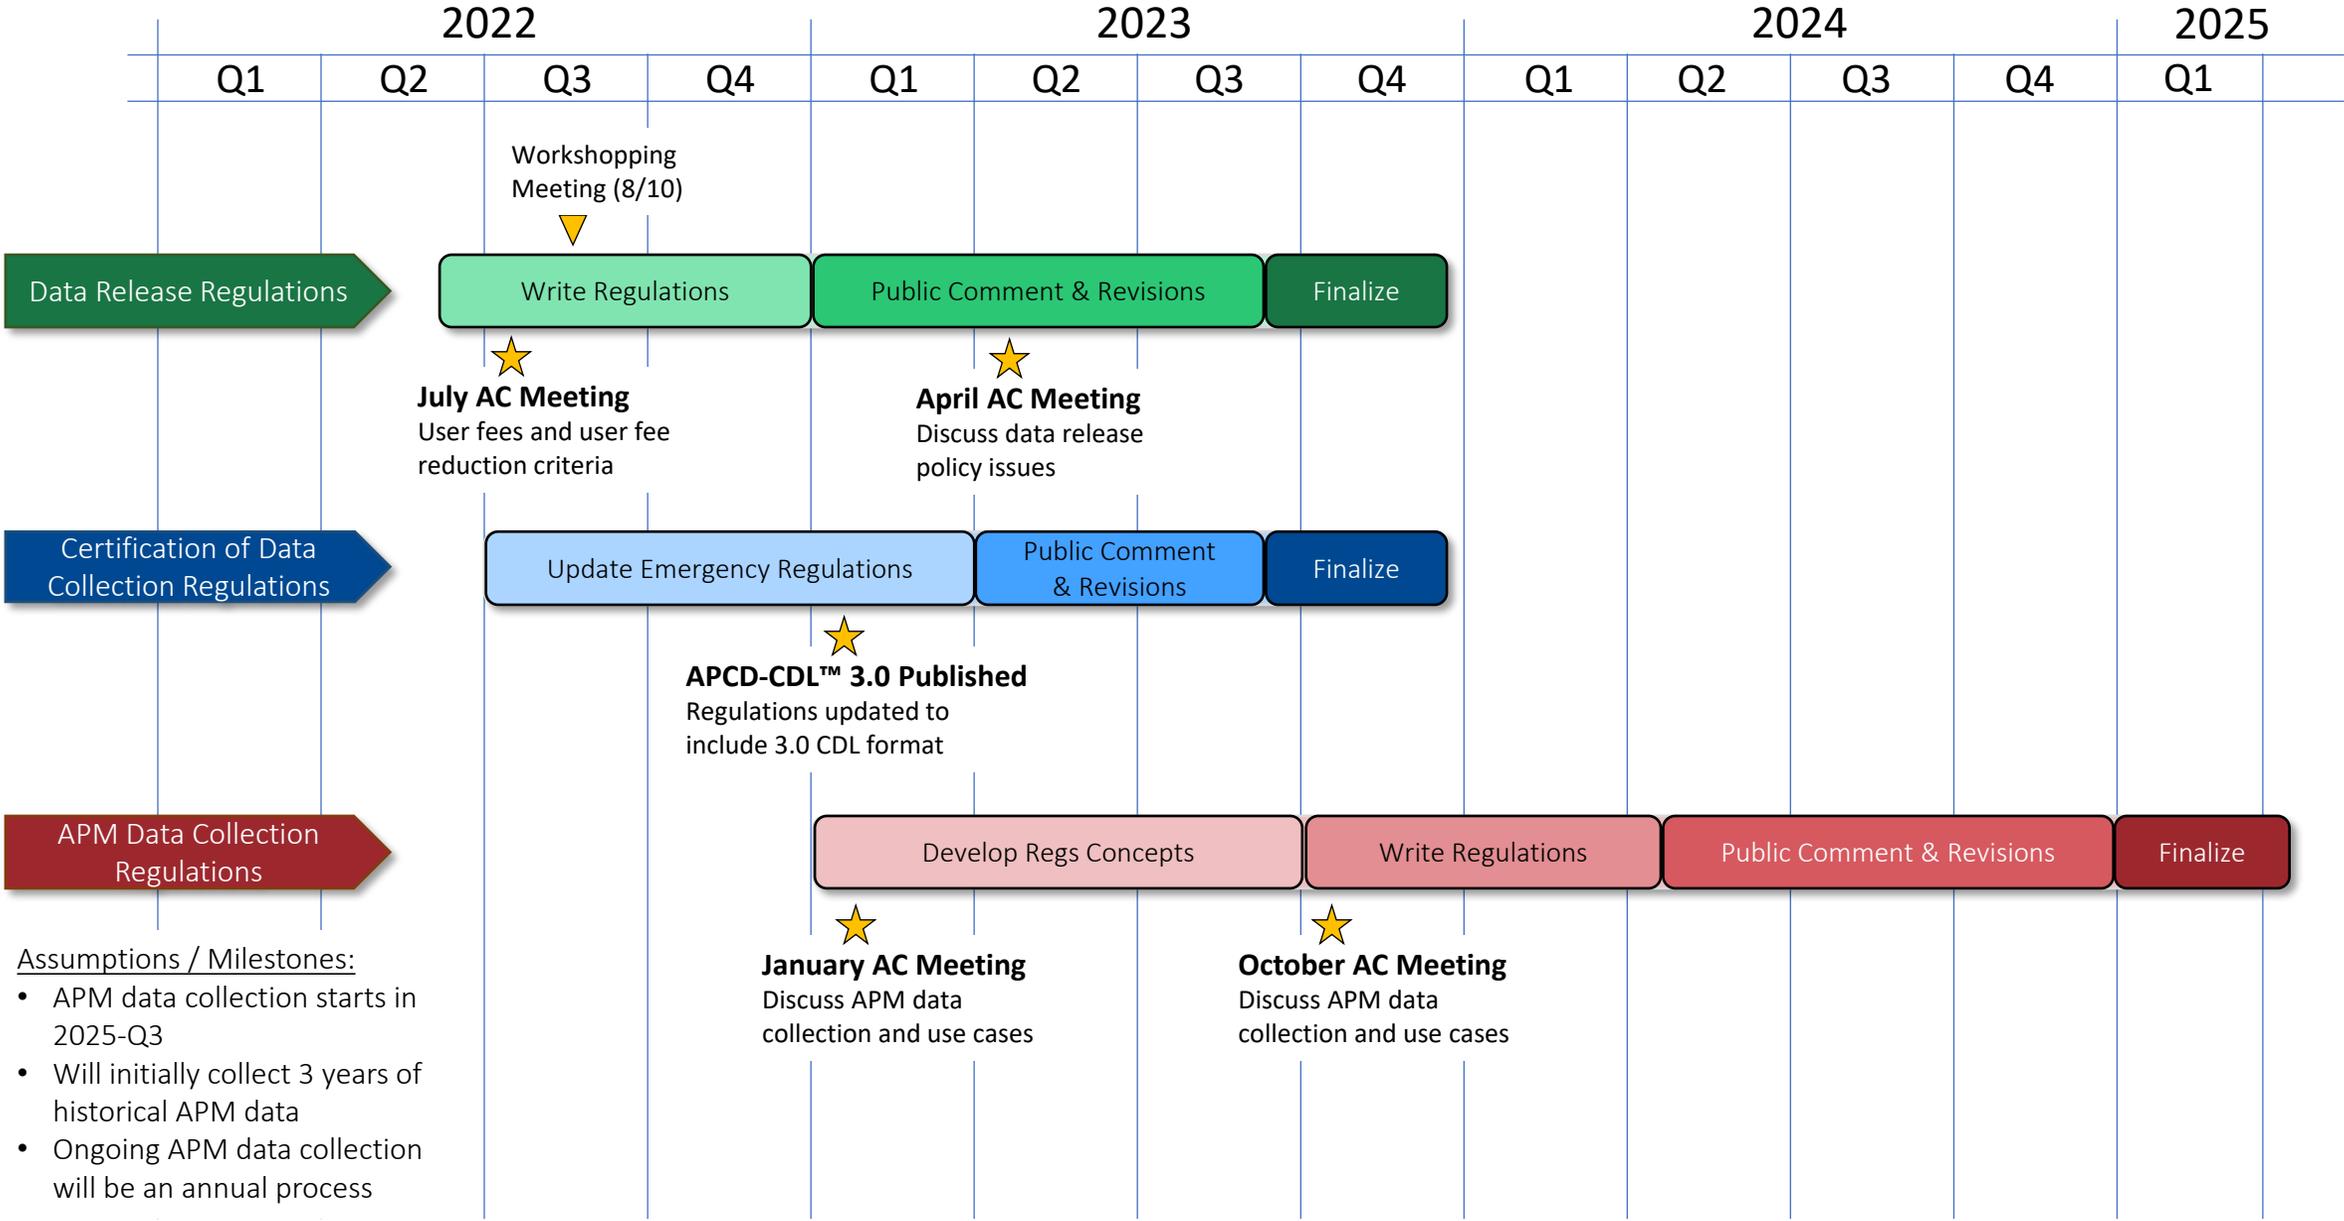

Progress on Submitter Engagement

- Hosted Submitter Group Meeting October 13
- HCAI/Onpoint teams holding regular implementation meetings with commercial submitters
- Commercial submitters are in active testing to upload historical data to the HPD System (36/39 (92%) submitters, as of 10/20)
- Commercial submitters actively submitting production files (28/39 (72%) as of 10/20)
- Coordinating with DHCS, Covered CA, and DMHC on the quality and equity measures to include in the HPD analytic dataset

Implementation – Next Steps

- HCAI and Onpoint teams continue to meet with submitters as needed
- Immediate focus on finishing testing and collecting production data
- Historical data submissions due by October 28, 2022
- Working with APCD Council and NAHDO on updates to the APCD-CDL™ file format (version 3 to be published in January 2023)
- Enclave procurement to be completed in November 2022

HPD Regulations Packages and Advisory Committee Meetings

- Assumptions / Milestones:
- APM data collection starts in 2025-Q3
 - Will initially collect 3 years of historical APM data
 - Ongoing APM data collection will be an annual process
