Re: AB 2190 Seismic Attestation  
Contra Costa Regional Medical Center, 10049  
2500 Alhambra Ave, Martinez, CA 94553

This letter is to advise you that our governing board was briefed on December 9, 2019 and is aware that the medical center's nutrition/cafeteria building and generator building supporting the cafeteria, do not meet the January 1, 2030 seismic standards.

We are taking actions to ensure compliance before the January 2030 deadline.
