Re: AB 2190 Attestation (OSHPD Facility ID # 10382)

Dear OSHPD Officer:

Per Assembly Bill 2190 (2018) under Health & Safety Code Section 130066, we are submitting an attestation letter to certify that our board of directors are aware that our hospital have not yet met the 2030 seismic safety requirements for all of its buildings; specifically, one or more of the buildings at our facility has performance ratings less than SPC-3 "or" NPC-5, and therefore our hospital is required to meet the January 1, 2030 deadline for substantial compliance with the seismic safety regulations or standards.

(a) The facility name and facility number
The Facility Name: Anaheim Regional Medical Center
OSHPD Facility Number: 10382

(b) Buildings at our facility that have current performance ratings less than SPC-3 or NPC-5 identified as follows:
