Re: AB 2190 Attestation (OSHPD Facility ID # 10554)

Dear OSHPD Officer Scheuerman:

Per Assembly Bill 2190 (2018) under Health & Safety Code Section 130066, we are submitting an attestation letter to certify that our board of directors are aware that our hospital have not yet met the 2030 seismic safety requirements for all of its buildings; specifically, one or more of the buildings at our facility has performance ratings less than SPC-3 "or" NPC-5, and therefore our hospital is required to meet the January 1, 2030 deadline for substantial compliance with the seismic safety regulations or standards.

The Facility Name: Parkview Community Hospital Medical Center  
OSHPD Facility Number: 10554

Buildings at our facility that have current performance ratings less than SPC-3 or NPC-5 identified as follows:

- BLD-01381 Original Hospital Building and 1961 Additions
- BLD-01382 1971 Tower
- BLD-01383 Diagnostic & Treatment Wing & addition
- BLD-03344 Utility Building
- BLD-05783 Emergency Department Addition

Please contact us if you have any questions.

Sincerely,

  
David Batista, CEO

Angela Coaston, Board of Directors
