Re: Attestation letter: H&S Code section 130066

To Whom It May Concern:

The Governing Board of Kaiser Foundation Hospitals attests that it is aware that hospital buildings that do not substantially comply with the seismic safety standards described in Health & Safety Code 130065 are required to meet the January 1, 2030 deadline for substantial compliance.

Attached is the list of facilities being attested for by name and 5 digit ID number.
