Re: NorthBay Healthcare AB 2190 Attestation

To Whom It May Concern,

This letter serves as the attestation required in AB 2190 that NorthBay HealthCare's Board of Directors is aware of the deadline to meet Seismic Compliance on January 1, 2030. NorthBay HealthCare is comprised of two Acute Care Hospitals, VacaValley Hospital (OSHDP Facility ID 15807) and NorthBay Medical Center (OSHDP Facility ID 11019). Both facilities are compliant with the SPC requirement set forth and have plans to be compliant with NPC 5 by January 1, 2030.

Sincerely,

A handwritten signature in cursive script that reads "Aimee Brewer".
