

Appendix G
Principal Language Spoken
2010-2014 Patient Discharge, Emergency Department, and Ambulatory Surgery Data

Facilities reporting Principal Language Spoken (PLS) may select a language from a drop down menu from the OSHPD Web site (via MIRCal) or write in a value of up to 24 alpha characters. Those languages not currently on OSHPD's list are given an ID of "1000" and a code of "OTH". The original reported text is retained. For more information, see the documentation provided by the MIRCal (data submission) system:
