Definitions:
Family Nurse Practitioner: An advance practice registered nurse that has graduated from a family nurse practitioner training program and is certified as a nurse practitioner by the California Board of Registered Nursing.
Physician Assistant: A primary care practitioner who meets the Div. 2, Ch. 7.7, Section 3501 of Business and Professions Code requirements, and is licensed by the Physician Assistant Board.

- Recommended Award Methodology: 50 percent minimum of total maximum points**
- Exclude programs with incomplete applications.
 - Assign average score for Sections 1.1, 1.2, 1.3, 2.1, and 2.3 to programs with no data available.
 - Arrange Total Score from highest to lowest score.
 - Award zero slots to programs with less than 50 percent of total maximum points.
 - Divide remaining number of applicants by five.
 - Award top quintile maximum award based on program size.
 - Award second and third quintiles 75 percent of maximum award based on program size.
 - Award remaining programs 50 percent of maximum award based on program size until funds are exhausted.
 - Round up half slots.
 - Commission adjusted quintiles to develop finalized award recommendations.

Legend:
Q1.1: Percent and number of graduates in medically underserved areas.
Q1.2: Percent and number of underrepresented minority graduates and/or economically disadvantaged graduates.
Q1.3: Percent and number of clinical training sites in medically underserved areas.
Q2.1: Percent and number of underrepresented minority students and/or economically disadvantaged students.
Q2.2: Percent of clinical hours in areas of unmet need (AUN).
Q2.3: Does the program have an 85% or better first-time pass rate on the American Nurses Credentialing Center (ANCC), American Association of Nurse Practitioners (AANP), or the Physician Assistant National Certifying Exam (PANCE) national certifying exams?
