RE: Annual Utilization Report – Home Health Agencies and Hospices (2020)

### **COVID-19 Related ICD-10-CM Codes**

U07.1 is the ICD-10-CM code for confirmed diagnosis of the coronavirus disease (COVID-19). If the U07.1 diagnosis is accompanied with an associated diagnosis, please use the associated diagnosis to report the patient and visit in Page 4 of the Home Health Agency report and Page 8 of the Hospice report. If the U07.1 code is not accompanied by another diagnosis, please report the patient and visit data in Page 4, Line 17 (Disease of Respiratory System excluding complication of care) for Home Health Agency and Page 8, Line 16 (Other) for Hospices.
