Section I: LVNLRP Grant Information

Purpose

The purpose of this document is to provide a program overview and outline the requirements for Licensed Vocational Nursing Loan Repayment Program (LVNLRP) applicants. Applicants will find steps to complete their application and awardees can review program requirements to complete their service obligation. All applicants must agree to the terms and conditions prior to receiving funds. The Department of Health Care Access and Information will not make changes to the terms and conditions specified in this Grant Guide.

Background and Mission

The Department of Health Care Access and Information (HCAI) works to increase and diversify California's healthcare workforce by providing loan repayments and scholarships to health professional students and graduates who provide direct patient care in those communities.

LVNLRP is funded through a \$5 surcharge from renewal and licensure fees collected by the Department of Consumer Affairs for Licensed Vocational Nurses in California. The purpose of this program is to increase the number of appropriately trained nurses providing direct patient care in a qualified facility or area in California.

Awardee Program Requirements

Loan Repayment Program

In exchange for a 12-month service obligation to serve medically underserved areas and/or in a qualified facility in California, eligible licensed vocational nurses may receive a loan repayment of up to **\$8,000**. Awardees are expected to meet program requirements for the duration of the LVN loan repayment program. Awardee is defined as an applicant who has been selected to receive the LVN loan repayment program award and who has signed their Grant Agreement. Failure to comply with these requirements may lead to disqualification and termination from the program. Awardees may be considered in breach of their Grant Agreement if they are unable to comply with the terms of their contract. If an awardee does not meet the terms of their contractual obligations, they may not be eligible for the annual payment.

Below is the list of program requirements awardees are expected to comply with:

- Maintain a current and unrestricted license and be in good standing with the California Board of Vocational Nursing and Psychiatric Technicians.
- Have existing qualifying educational loan debt incurred while pursuing a degree to practice as a Licensed Vocational Nurse.
- Keep said educational loans in good standing.

- Must not participate or have an existing service obligation with another entity, including other HCAI funded programs.
- Must not be in breach of any other HCAI/health professional service obligation.
- Submit progress reports, in the form required by HCAI, demonstrating compliance with program requirements and their agreement/contract.
- Maintain 32 hours or more per week of direct patient care during the entirety of the contract period.
- To inform HCAI in writing within 30 business days of any change in contact information (mailing address, telephone number, email address, etc.), or any change in circumstances impacting an awardee’s eligibility to receive or participate in the LVN loan repayment program.
- Complete and submit an application through the HCAI eApp Funding Portal by June 14, 2024, at 3:00 p.m.

Eligible Disciplines

Applicants currently licensed and practicing in one of the eligible disciplines below can receive loan repayment assistance through the LVN loan repayment program:

• Licensed Vocational Nurse	
-----------------------------	--

Eligible Practice Sites

An applicant must provide direct patient care in one of the following eligible geographic areas or approved site designations:

• Children’s Hospital	• Public School Facility	• Skilled Nursing Facility
• Clinics providing Reproductive Health and abortion-related services	• Medically Underserved Area (MUA)	• State-Operated Health Facility
• Correctional Facility	• Native American Health Center	• Substance Use Facility
• County-Operated Health Facility	• Primary Care Shortage Area (PCSA)	• Veteran’s Facility
• Federally Qualified Health Center (FQHC)	• Registered Nurse Shortage Area (RNSA)	
• Health Professional Shortage Area – Primary Care (HPSA-PC)	• Rural Health Clinic	

NOTE: Temp agencies and management services companies are not an eligible employer. To be eligible while working for one of these companies, the facility you provide direct patient care services in must be one of the eligible geographic or site designations listed above.

If you are providing services via telehealth, your employer must have a physical office in California, and it must be one of the eligible geographic or site designations listed above.

Eligible and Ineligible Educational Loans and Loan Characteristics for Awardees

Below is a table of eligible and ineligible loans and loan characteristics for the LVN loan repayment program.

Eligible	Ineligible
<ul style="list-style-type: none"> • Any outstanding U.S. government (federal, state, or local) and US commercial (private) student loan for undergraduate or graduate education obtained by the applicant for school tuition, and reasonable educational expenses in pursuit of their health profession degree. • In the name of the applicant • Obtained prior to the submission of the application to the Loan Repayment Program • In good standing (not being in default); deferment and forbearance are okay. • Consolidated and/or refinanced educational loans may be eligible, and they must clearly delineate the original loans and the degrees conferred. They cannot be with another person’s loan or with non-educational loans. Failure to provide this information may result in ineligibility for the program. 	<ul style="list-style-type: none"> • Parents PLUS loans • Personal lines of credit • Loans in default • Credit card debt • Promissory notes • Loans operating outside of the U.S. • Loans paid in full

NOTE: PAYE/REPAYE plans are not considered loan repayment programs and are therefore qualifying. Applicants may participate in the Public Service Loan Forgiveness (PSLF) program.

Awardees must continue to follow the arrangement they have with their lender(s).

If the awardee’s educational debt is paid off/forgiven during their service obligation, they have the following options:

1. Provide proof from the lender that debt has been paid in full, and their contract will be marked as complete, and the award will be disencumbered; or

2. Remain in their contract and complete their service obligation to receive their full award.

Award Funding and Distribution

LVNLRP funding comes from licensure fees. Approximately **\$117,000** is available to eligible licensed vocational nurses practicing in California. In the event there is additional state funding available, HCAI has the discretion to make additional awards.

Payments will be made in annual arrears, upon verification of meeting program requirements via the submission of progress reports. A total of one annual payment is distributed. The maximum award amount for the LVN loan repayment program is **\$8,000**. HCAI may award full, partial, or no funding to an applicant, based on the applicant's success in meeting the selection criteria, and the amount of available funds.

NOTE: Applicants will not be awarded more than their total educational debt left on their loan balance.

All payments will be issued by the State Controller's Office (SCO) via a paper check. Checks are mailed via USPS directly to the Awardee's mailing address on file. Direct deposit is **not** available.

NOTE: Please ensure your "Profile" page on the HCAI eApp Funding Portal has your most recent mailing address on file and that you have submitted an updated STD. 204 form with your updated mailing address to avoid delay in payment. See Attachment B: Sample Grant Agreement, Section D: Payment Provisions and Reporting Requirements, for detailed information.

An awardee may apply for additional awards following the successful completion of their current LVNLRP agreement. To remain eligible, the individual must still have qualified educational debt, successfully completed their current LVNLRP agreement, and meet all the other LVNLRP program eligibility requirements. An awardee may apply for an award every year they are eligible contingent on the availability of funding.

A new application must be submitted to be considered for an award, as each service obligation requires a separate contract, therefore obligations may not overlap, nor be considered a continuation of a previous agreement.

Tax Information

Awardees are advised to consult with a tax advisor to address questions about whether this loan repayment is considered reportable/or taxable income. This information is not intended to provide tax or legal advice. Awardees with questions regarding the taxable/or reportable nature of this loan repayment should consult a tax advisor.

Service Obligation

Awardees must provide full-time service in direct patient care, including practicing for a term of at least 12 months at a qualified facility in California in an eligible discipline.

- Full-Time Service: Defined as a minimum of 32 hours per week providing direct patient care.
- Direct Patient Care: This includes assessment, treatment, counseling, procedures, self-care, patient education and documentation relating to patient encounters being treated for or suspected of needing health services. Direct patient care includes both, face-to-face and telehealth-based preventative care and first-line supervision.
- First-line Supervision: The supervising staff who provides direct supervision over the staff who are providing the direct patient care.

Program Monitoring

HCAI expects the awardee will begin performance of the grant agreement on the start date listed on the grant agreement. If awardee is unable to begin their service obligation on the start date of the grant agreement, their contract may result in an administrative breach. Work performed, and payments before the grant agreement start date will not count towards the requirements for the grant agreement.

Awardee Communication Requirements

Awardees must email their Program Officer within the specified timeframes for any of the following reasons:

1. 15 calendar days if you:

- Have any change in full-time status, including but not limited to, a decrease in the number of hours per week providing direct patient care (falling below 32 hours), termination, resignation, or leave of absence in excess of the time permitted outlined under “Practice Site Absences”.

2. 30 calendar days if you:

- Have any change in practice site, contact your Program Officer via email to verify if the practice site is eligible. If determined to be eligible, your Program Officer will provide a blank Employment Verification Form (EVF) to be completed. Once signed by your supervisor you must submit the completed EVF to your Program Officer via email for administrative review.
- Change your name, mailing address, phone number and/or email address. Awardee’s “Profile” page on the HCAI eApp Funding Portal must be updated to reflect this change prior to contacting their Program Officer via email.

NOTE: Contact Program Officer via email to request and submit a Payee Data Record form (STD204) anytime there is a change in the Awardee’s name and/or mailing address.

3. 90 calendar days if you:

- File a petition with HCAI for modification of the amount to be paid or repaid and/or the time of repayment regarding a potential breach in contract.

NOTE: It is highly recommended that you contact your Program Officer via email, prior to any of the above changes taking effect.

Practice Site Absences

Awardees may have up to four weeks during the Term of this Agreement away from their LVNLRP approved practice site for vacation, holidays, continuing professional education, illness, or any other reason. HCAI will extend the Awardee’s obligation end date for each day of absence over the allowable four weeks.

Grant Agreement Deliverables

Awardees of the LVN loan repayment program are required to submit two progress reports through the HCAI eApp Funding Portal during their 12-month service obligation. The schedule of those reports is based on your contract start date (September 30, 2024) as follows:

Deliverable	Date Available*	Due Date	Payment Assoc.
Progress Report One	March 31, 2025	April 30, 2025	No
Progress Report Two	September 29, 2025	October 31, 2025	Yes

**Availability dates are approximate*

Awardees will receive detailed instructions for the completion of the report via a notification sent out by the eApp (from no-reply@hcai.ca.gov) on the “Date Available*”.

Initiating an Application

The applicant is responsible for providing all necessary information and ensuring that the information contained in the application is accurate.

Applicants must register and submit all applications (including all required forms, documents and/or attachments) through the web-based HCAI eApp Funding Portal (<https://funding.hcai.ca.gov/>).

New applicants must first register as a user to access the application materials. Returning applicants must use their previous email and password to log in. Section II: Provider eApp Technical Guide contains information regarding how to register and complete your application.

You may apply for more than one HCAI loan repayment or scholarship program at a time. However, if awarded, you may only accept one, as you can only have one service obligation at a time.

Evaluation and Scoring Procedures

HCAI has established a fair and impartial process for scoring and evaluating applications. Each application is reviewed by HCAI staff to assess their eligibility and awardability per the established program criteria as outlined in Attachment A: Evaluation and Scoring Criteria. Applying does not guarantee you will be awarded.

HCAI may make multiple awards. Final awards include consideration of the following elements:

1. At the time of application closing, HCAI will check each application for the presence or absence of required information in conformance with submission requirements.
2. HCAI may reject applications that contain false or misleading information.
3. HCAI will use the evaluation tool in Attachment A: Evaluation and Scoring Criteria to score applications and will grant awards to the highest scored applications. HCAI intends for this application to support multiple counties in California by providing a distribution of awards throughout the state of California. HCAI may give preference to applications seeking to support geographic regions not addressed by other similarly scored applications.

Award Process

HCAI will notify selected applicants after finalizing all award decisions. The award process time can vary depending on the number of applications received. HCAI will use DocuSign to send contract documents to Awardees for review and signatures. Once the grant agreement is sent out via DocuSign, the Awardee will have seven business days to accept their grant agreement, by signing the grant agreement, or to decline their grant agreement via DocuSign.

NOTE: Please make sure to check your “Junk/Spam” folders for the grant agreement.

Contract Termination

Awardee may terminate their agreement without penalty, no later than 45 days before the end of the fiscal year in which HCAI entered into the agreement. To request a termination of agreement, the Awardee must:

1. Submit a written request via email with their reason for termination of the agreement.
2. Repay all amounts paid to the Awardee pursuant to their agreement. The awardee shall make all repayments before the end of the fiscal year in which the awardee received payment from HCAI.

HCAI will close out the contract, effective immediately. No penalties will be due back to HCAI, and the Awardee will be allowed to apply again in the future.

NOTE: Once the contract is administratively closed, this action cannot be reversed.

Breach Policy

HCAI reserves the right to recover monies for the awardee’s failure to perform the obligations set forth in the grant agreement. Refer to Attachment B: Sample Grant Agreement – Section G: Breach, for detailed information.

HCAI will not issue an IRS 1099 form for this agreement.

Payments made under certain State Loan Repayment Programs may be exempt from federal taxes under 26 U.S.C. § 108(f)(4):

“In the case of an individual, gross income shall not include any amount received under section 338B(g) of the Public Health Service Act, under a State program described in section 338I of such Act (enacted by Pub L. 108-357, § 320(a) in 2004), or under any other State loan repayment or loan forgiveness program that

is intended to provide for the increased availability of healthcare services in underserved or health professional shortage areas (as determined by such State).”

F. Budget Contingency Clause

1. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be void. In this event, HCAI shall have no liability to pay any funds whatsoever to Awardee or to furnish any other considerations under this Agreement and Awardee shall not be obligated to perform any provisions of this Agreement.
2. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of the Program, HCAI shall have the option to either cancel this Agreement with no liability occurring to HCAI or offer an Agreement amendment to Awardee to reflect the reduced amount.

G. Breach

HCAI reserves the right to recover the following amounts for Awardee’s failure to perform the obligations set forth in this Agreement:

1. For failure to start or complete Awardee’s service obligation, HCAI shall recover all of the following:

H. Provisions for Suspension, Waiver, Cancellation or Voluntary Termination of Service

1. Any service or payment obligation incurred by the Awardee will be canceled upon the Grantee's death.
2. HCAI may waive or suspend the Grantee's Service Obligation or payment obligation incurred under this Agreement if the Awardee is permanently incapacitated by illness or injury, which prevents Awardee from practicing his/her profession or prevents Awardee from obtaining any other gainful employment. HCAI reserves the right to request medical or disability documentation as deemed necessary in order to complete the waiver or suspension request. Awardee must submit a written request to HCAI for waiver of suspension of Grantee's service obligations. A suspension of Grantee's obligation may be granted up to one year if Grantee's compliance is temporarily impossible or an extreme hardship. Additional time taken will extend the Service Term end date. (Note: A waiver permanently relieves the Awardee of all or part of the Service Obligation, however, waivers are not routinely granted and required a showing of compelling circumstances).
3. HCAI may provide for the partial or total waiver or suspension of any obligations of service or payment by Awardee whenever compliance by the individual is impossible or would involve extreme hardship to the individual and if enforcement of such obligation with respect to any individual would be unconscionable.
4. Leave of absence for medical or personal reasons may be granted up to six months if the Awardee provides independent medical documentation of physical or mental health disability or personal circumstances, including terminal illness of an immediate family member, which results in the Grantee's temporary inability to perform their service obligation. Awardee must submit a written request to HCAI which must be approved at least 30 calendar days prior beginning any leave of absence. Periods of approved leave of absence of service will revise the Service Term end date after a Grant Agreement amendment.
5. If the Awardee plans to be away from his/her approved practice site(s) for paternity/maternity/adoption leave, the Awardee is required to inform HCAI at least 60 calendar days before taking the leave. HCAI allows Grantees to be away from their approved practice site(s) within the timeframes established by either the Family Medical Leave Act (up to 12 weeks), or other federal and state

law; however, the Awardee must adhere to the leave policies of his/her approved practice site.

6. Call to Active Duty in the Armed Forces, leave of absence, or suspension of service may be granted to Grantees who are military reservists and are called to active duty; Grantees may be granted from six months to one year, beginning on the activation date described in the reservist's call to active-duty order. In addition to the written request for suspension, a copy of the Order to active duty must be submitted to HCAI. The period of active duty will not be credited toward the service obligation. Periods of approved leave of absence of service will extend the Awardee's Agreement end date.
7. HCAI shall terminate the Agreement, no later than 45 days before the end of the state fiscal year in which HCAI entered into the agreement. To request a termination of agreement, the awardee must:
 - a. Submits a written request via email with their reason for termination of the agreement.
 - b. Repay all amounts paid to the awardee pursuant to their agreement. The awardee shall make all repayment before the end of the fiscal year in which the awardee received payment from HCAI.

HCAI will close out the contract, effective immediately. No penalties will be due back to HCAI, and the awardee will be allowed to apply again in the future.

I. Change of Practice Location

1. Awardee may request that HCAI permit him or her to change the practice location from one approved practice site to another. The request must be in writing and must be received and approved by HCAI, a minimum of 30 calendar days prior to the desired change. If the proposed transfer practice site is disapproved and the Awardee refuses assignment to another approved practice site, the Awardee may be placed in breach.
2. Awardees that voluntarily resign from their approved practice site(s) without prior approval from HCAI or are terminated by their approved practice site(s) for cause may be placed in breach. Awardee must notify HCAI in writing of immediate termination.
3. If Awardee becomes unemployed or is informed by his/her practice site of a termination date, Awardee must notify HCAI immediately in writing. The Agreement may be extended for the length of time the Awardee is without a practice site, so long as the period without a practice site does not exceed six months and so long as the employment is not a result of termination for cause. If additional time is needed, and the period without a practice site is not a result of

termination for cause, Award may notify HCAI in writing, requesting additional time. HCAI will inform the Awardee of their decision in writing.

J. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-2-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.
