Grantee Shall:

1. For the period of [Contract Start-Date] through [Contract End-Date], provide [Full-Time/Half-Time] service in direct patient care at:

HCAI reserves the right to increase or decrease the number of EVFs required to be submitted within the Agreement term, if needed. 4. The total obligation of HCAI under this Agreement shall not exceed \$00,000.00 to the Grantee.

E. Award May be Exempt from Federal Income Taxes:

HCAI does not provide tax advice and this section may not be construed as tax advice from HCAI. Grantee should seek advice from an independent tax consultant regarding the financial implication(s) of any financial incentive award. HCAI does not withhold taxes from payments to Grantees.

Payments made under the National Health Service Corps and certain State Loan Repayment Programs may be exempt from federal taxes under 26 U.S.C § 108(f)(4):

"In the case of an individual, gross income shall not include any amount received under section 338B(g) of the Public Health Service Act, under a State program described in section 338I of such Act (enacted by Pub L. 108-357, § 320(a) in 2004), or under any other State loan repayment or loan forgiveness program that is intended to provide for the increased availability of healthcare services in underserved or health professional shortage areas (as determined by such State)."

F. Prompt Payment Clause:

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

G. Budget Contingency Clause:

1. It is mutually agreed that if the funds provided by the County Medical Services Program Governing Board are reduced or eliminated, this Agreement shall be of no further force and effect. In this event, HCAI shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Agreement.
2. If funding for any fiscal year is reduced or deleted by the County Medical Services Program Governing Board for purposes of this Program, HCAI shall have the option to either cancel this Agreement with no liability occurring to HCAI, or, in the event that funding is reduced and not deleted, offer an agreement amendment to Grantee to account for the reduced amount, provided, however, that in the event that HCAI elects to offer an agreement amendment consistent with the terms of this budget contingency clause, HCAI shall retain the right to cancel this Agreement at any time until and unless an agreement amendment reflecting the reduced amount has been signed by the parties.

H. County Medical Services Program Governing Board Funded Agreements:

1. It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of CMSP LRP funds, to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made.
2. This Agreement is valid and enforceable only if sufficient funds are made available to the State by the County Medical Services Program Governing Board for fiscal year [FY] for the purpose of this Program.
3. The parties mutually agree that if the CMSP Governing Board does not appropriate sufficient funds for the Program, this Agreement shall be amended to reflect any reduction in funds.
4. HCAI has the option to invalidate this Agreement by providing a 30-day written notice.

I. Breach:

HCAI reserves the right to recover the following amounts for Grantee's failure to perform the obligations set forth in this Agreement:

1. For failure to start or complete Grantee's service obligation, HCAI shall recover all of the following:
 - a. The total of the amounts paid by HCAI to, or on behalf of, the Grantee for loan repayments for any period of obligated service not served; and
 - b. An amount equal to the number of months of obligated service not completed by: (i) the Full-Time Grantee multiplied by \$2,306.25; or (ii) the Half-Time Grantee multiplied by \$1,153.13. Continuation Service Grantees shall be liable based on Full-Time or Half-Time Grantee status at the time of the breach.
 - c. Interest on the above amounts will accrue at the maximum legal prevailing rate from the date of the breach. Interest is calculated at the rate utilized by the State Treasurer from the date of the breach.
2. Even if the period of obligated service is served, it is a material breach of this Agreement if the Grantee does not apply all the funds received under this Agreement to Grantee's qualifying educational loan(s). In addition, if HCAI files a civil action to recover sums per this section, HCAI shall be entitled to recover reasonable attorneys' fees, costs, and expenses directly related to such collection actions.
3. Any amount HCAI is entitled to recover from the Grantee for breach of this agreement shall be paid within one year of the date HCAI determines that the Grantee is in breach of this Agreement.
4. Per Government Code 16580-16586, HCAI has statutory authority to collect on any outstanding debts. HCAI may attempt to collect from the Franchise Tax Board or any Medi-Cal offsets. HCAI may contact the Employment Development Department, the Board of Equalization and/or a collection agency in an effort to obtain repayment of the funds owed.

J. Executive Order N-6-22-Russia Sanctions:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the

State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

K. Provisions for Suspension, Waiver, Cancellation or Voluntary Termination of Service:

1. Any service or payment obligation incurred by the Grantee will be canceled upon the Grantee's death.
2. HCAI may waive or suspend the Grantee's Service Obligation or payment obligation incurred under this Agreement if the Grantee is permanently incapacitated by illness or injury, which prevents Grantee from practicing his/her profession, or prevents Grantee from obtaining any other gainful employment. HCAI reserves the right to request medical or disability documentation as deemed necessary in order to complete the waiver or suspension request. Grantee must submit a written request to HCAI for waiver of suspension of Grantee's service obligations. A suspension of Grantee's obligation may be granted up to one year if Grantee's compliance is temporarily impossible or an extreme hardship. Additional time taken will extend the Service Term end date. (Note: A waiver permanently relieves the Grantee of all or part of the Service Obligation, however, waivers are not routinely granted and require a showing of compelling circumstances).
3. Leave of absence for medical or personal reasons may be granted up to six months if the Grantee provides independent medical documentation of physical or mental health disability or personal circumstances, including a terminal illness of an immediate family member, which results in the Grantee's temporary inability to perform the CMSP LRP obligation. Grantee must submit a written request to HCAI which must be approved at least 30 calendar days prior to beginning any leave of absence. Periods of approved leave of absence of service will revise the Service Term end date after a grant agreement amendment.
4. If the Grantee plans to be away from his/her CMSP practice site(s) for maternity/paternity/adoption leave, the Grantee is required to inform HCAI at least 60 calendar days before taking the leave. HCAI allows Grantees to be away from their CMSP practice site(s) within the timeframes established by either the Family Medical Leave Act (up to 12 weeks) or the Grantee's state of residence; however, the Grantee must adhere to the leave policies of his/her approved CMSP Practice Site. If a Grantee plans to take additional leave, he/she is required to request a medical suspension which may or may not be approved by HCAI. A Grantee is required to serve a minimum of 45 weeks per service year and can be away from the CMSP Practice Site for no more than 35 workdays per service year; therefore,

a Grantee's Service Term will be revised for any allowed absences totaling over 35 workdays.

5. Call to Active Duty in the Armed Forces, leave of absence, or suspension of service may be granted to Grantees who are military reservists and are called to active duty; Grantees may be granted from six months to one year, beginning on the activation date described in the reservist's call to active duty order. In addition to the written request for suspension, a copy of the Order to active duty must be submitted to HCAI. The period of active duty will not be credited toward the CMSP LRP service obligation. Periods of approved leave of absence or suspension of service will extend the Grantee's Agreement end date.
6. HCAI may provide for the partial or total waiver or suspension of any obligation of service or payment by Grantee whenever compliance by the individual is impossible or would involve extreme hardship to the individual and if enforcement of such obligation with respect to any individual would be unconscionable.
7. HCAI may terminate the Agreement, not later than 45 days before the end of the fiscal year in which the agreement was entered into, if the Grantee:
 - a. Submits a written request for such termination; and
 - b. Repays all amounts paid to Grantee pursuant to this Agreement. Any repayments for a year of obligated service shall be made no later than the end of the fiscal year in which the Grantee completes such year of service.

L. Change of Practice Location:

1. Grantee may request that HCAI permit him or her to change the CMSP practice site location from one approved CMSP practice site to another. The request must be in writing and must be received and approved by HCAI a minimum of 30 calendar days prior to the desired change. If the proposed transfer CMSP practice site is disapproved and the Grantee refuses assignment to another approved CMSP practice site, he/she may be placed in default.
2. Should the approved practice site for any reason be unable to fulfill its obligation to the Grantee, HCAI shall offer the Grantee the opportunity to complete Grantee's obligation at another approved CMSP practice site. The period without a CMSP practice site shall not exceed six months. If the period without a CMSP practice site exceeds six months, the Grantee shall be placed in breach and HCAI may pursue the remedies set forth herein. Grantee is solely responsible for identifying another CMSP Practice Site.
3. Grantees that voluntarily resign from their CMSP practice site(s) without prior approval from HCAI or are terminated by their CMSP practice site(s) for cause, may not receive a transfer to another CMSP practice site, may be deemed as unqualified for an Extension Agreement, and may be placed in default. Grantee

must notify HCAI in writing of immediate termination. If Grantee becomes unemployed or is informed by his/her CMSP practice site of a termination date, Grantee must notify HCAI immediately in writing. An approved CMSP Practice Site list is located on the [HCAI CMSP LRP](#) website to assist in relocating to a new site. The Agreement may be extended for the length of time the Grantee is without a practice site, so long as the period without a practice site does not exceed six months and so long as the employment is not a result of termination for cause.

M. Agreement Extension:

1. Grantee may apply to extend the term of the Agreement. If the Grantee applies to extend the term of the Agreement, Grantee shall provide documentation satisfactory to HCAI that reflects payment amounts, equal to prior CMSP LRP award amounts (i.e., lender statement summary/payment history). HCAI reserves the right to disqualify Grantee from future participation in CMSP LRP for failure to provide requested documentation. HCAI reserves the right to deny Grantee's request to extend the term of the Agreement.
2. The Grantee shall not be permitted to change from full-time to half-time status without a written request and approval from HCAI. The request for change in status should be submitted at least 60 calendar days prior to approval. If approved, a written Agreement amendment will be required to extend the Agreement end date. HCAI reserves the right to deny Grantee's request to extend the term of the Agreement.
3. Should HCAI and the Grantee agree to amend the dates of this Agreement, the service obligation shall be extended by the corresponding amount of time spent in a leave of absence.
4. Should the Grantee be absent from the approved practice site for more than 35 full-time or half-time working days per Agreement year (i.e., sick leave, vacation, holidays, Continuing Medical Education, or any other type of leave), HCAI shall extend this Agreement by the number of days the Grantee exceeded the 35 full-time or half-time day limit. If the Grantee is absent less than 35 full-time or half-time days, the balance shall not be carried over into the following Agreement year.
5. Should the Grantee transfer to another approved CMSP practice site, this Agreement may be extended for the length of time the Grantee was without a CMSP practice site, so long as the period without a CMSP practice site does not exceed six months. If the period without a practice site exceeds six months, the Grantee shall be placed in breach and shall be liable to HCAI in accordance with the conditions set forth herein. Grantee is solely responsible for identifying another approved CMSP practice site. A list of CMSP LRP approved CMSP practice sites will be provided upon request. Failure to identify an approved CMSP practice site within six months shall be treated as a breach of this Agreement and HCAI expressly reserves the right to pursue any remedies set forth herein.

6. Subject to the availability of funds awarded by the County Medical Services Program Governing Board for CMSP LRP, HCAI may approve a request for Agreement extension if the Grantee remains eligible for continued participation in CMSP LRP.
7. If this Agreement is extended, HCAI may, dependent on the amount of the Grantee's remaining qualifying graduate and/or undergraduate educational loans, pay up to: (i) \$25,000.00 per year for full-time extension year one and two; or (ii) \$12,500.00 per year for half-time extension year one and two. Award amounts are subject to change.

N. General Terms and Conditions:

1. **Timeliness:** Time is of the essence in this Agreement. Grantee will submit the required deliverables as specified and adhere to the deadlines as specified in this Agreement. Anticipating potential overlaps, conflicts, and scheduling issues, to adhere to the terms of the Agreement is the sole responsibility of the Grantee.
2. **Final Agreement:** This Agreement, along with the Grantee's Application, exhibits and forms constitutes the entire and final agreement between the parties and supersedes any and all prior oral or written agreements or discussions.
3. **Cumulative Remedies:** A failure to exercise or a delay in exercising, on the part of HCAI, any right, remedy, power, or privilege hereunder shall not operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers, and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.
4. **Ownership and Public Records Act:** All reports and the supporting documentation and data collected during the funding period which are embodied in those reports, shall become the property of the State and subject to the California Public Records Act (GC 6250 et seq. code).
5. **Audits:** The Grantee agrees that HCAI, the Department of General Services, the State Auditor, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. The Grantee agrees to maintain such records for possible audits for a minimum of three years after final payment unless a longer period of records retention is stipulated by the State. The Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Grantee agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. Agreement Code §10115 et seq., Cal.

Code Regs. tit. 2, §1896).

6. Non-Discrimination Clause (See Cal. Code Regs., tit. 2 §11105):

- a. During the performance of this Agreement, Grantee and its subcontractors shall not deny the Agreement's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, reproductive health decision making, or military and veteran status. Grantee shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination.
 - b. Grantee and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and any regulations or standards adopted by HCAI to implement such article.
 - c. Grantee shall permit access by representatives of the Civil Rights Department and HCAI upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or HCAI shall require to ascertain compliance with this clause.
 - d. Grantee and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.
 - e. Grantee shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.
7. Independence from the State: Grantee and the agents and employees of the Grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.
8. Waiver: The waiver by HCAI of a breach of any provision of this Agreement will not operate or be construed as a waiver of any other breach. HCAI expressly reserves the right to disqualify Grantee from any future grant awards for failure to comply with the terms of this Agreement.

9. Approval: This Agreement is of no force or effect until signed by both parties. The Grantee may not commence performance until such approval has been obtained.
10. Amendment: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in this Agreement is binding on any of the parties.
11. Assignment: This Agreement is not assignable by the Grantee, either in whole or in part, without the consent of the State in the form of a formal written amendment.
12. Indemnification: Grantee agrees to indemnify, defend, and hold harmless the State, its officers, agents, and employees (i) from any and all claims and losses accruing or resulting to any and all of Grantee's, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies resulting from the Grantee's performance of this Agreement, and (ii) from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by Grantee in the performance of this Agreement.
13. Disputes: Grantee shall continue with the responsibilities under this Agreement during any dispute. Any dispute arising under this Agreement, shall be resolved as follows:
 - a. The Grantee will discuss the problem informally with the HCAI Grant Representative. If unresolved, the problem shall be presented, in writing, to the Deputy Director stating the issues in dispute, the basis for the Grantee's position, and the remedy sought. Grantee shall include copies of any documentary evidence and describe any other evidence that supports its position with its submission to the Deputy Director.
 - b. Within ten working days after receipt of the written grievance from the Grantee, the Deputy Director or their designee shall make a determination and shall respond in writing to the Grantee indicating the decision and reasons for it.
 - c. Within ten working days of receipt of the Deputy Director's decision, the Grantee may appeal the decision of the Deputy Director by submitting a written appeal to the Chief Deputy Director stating why the Grantee does not agree with the Deputy Director's decision.

d. Within ten working days, the Chief Deputy Director or their designee shall respond in writing to the Grantee with their decision. The Chief Deputy Director's decision will be final.

14. Termination for Cause: HCAI may terminate this Agreement and be relieved of any payments should the Grantee fail to perform the requirements of this Agreement at the time and in the manner herein provided. Grantee shall return any Agreement Funds that were previously provided to Grantee for use within 60 days of termination.

15. Governing Law: This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.

16. Unenforceable Provision: In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.
