

2025 Title 24 Triennial Code Cycle Update Part 1 and Part 2, Volume 1

Changes Impacting Hospital Design and Construction and What to Expect

Thursday, October 23, 2025

1:00 p.m. – 2:30 p.m., Pacific Time

The 2025 California Building Standards Code, Title 24 of the California Code of Regulations, Triennial Code changes will become effective January 1, 2026.

This means all building permit applications submitted on or after January 1, 2026, must be compliant with the 2025 edition of Title 24.

Hosted by the Department of Health Care Access and Information (HCAI), Office of Statewide Hospital Planning and Development (OSHDP), Building Standards Unit, this is your opportunity to learn about the code changes that were published July 1, 2025.

AGENDA

- California Administrative Code, Part 1
See what is new with preparation of construction documents and changes that do not materially alter the work.
- California Building Code, Part 2, Volume 1
Changes include modifications to invasive procedure, station outlets, patient storage, hazardous drug storage, separation of pediatric and adolescent patient areas and activity spaces for psychiatric nursing and new CANs, PINs, and Guides.
- Bring your questions!

REGISTRATION AND INSTRUCTIONS

Fee: Complimentary

To Register: [Click here](#) if you would like to attend.

Upon registration, you will receive a confirmation e-mail with the GoToWebinar Log In Instructions. (If necessary, it is suggested that you download the app and install it in advance of the webinar.)

Note: Multiple staff members from one office should **register INDIVIDUALLY** to receive separate log-in links.
