HPD Advisory Committee Updates

The next meeting will take place on January 23, 2025, from 9:00 a.m. to 12:30 p.m. and will discuss topics such as:

- HPD Data Release

- Retrospective on Program Strategy

- A look ahead at 2025 activities

Data release program launch: Q4 2024

- HCAI is working with Office of Administrative Law (OAL) to finalize the regulations.
- HPD is actively working on:
  - Data documentation resources, including:
    - Data dictionary and completeness report
    - How-to documentation for using the Enclave and the HPD dataset
  - Has completed training the Data Release Committee on the final data request form, process, and data request portal
  - End-to-end testing of the systems and procedures
  - Hiring and training staff to review requests and support data access
  - Collaborating and coordinating with DHCS, CPHS, and the HPD Data Release Committee on the joint review and approval processes
