Workforce Programs Update:

Health Professions Career Opportunity Program

■ Health Professions Pathway Program (HPPP)

- Provides funding to organizations to develop and implement health professions pathways programs that can include pipeline programs, summer internships, and post undergraduate fellowships
- Focus on programs designed to recruit and support students from underrepresented regions and backgrounds
 - Awarded \$40.8 million to 20 programs

■ Health Careers Exploration Program

- Supports and encourages underrepresented and disadvantage individuals to pursue health careers in order to develop a more culturally and linguistically competent healthcare workforce
