CIRCUMSTANCES FOR FILING

The proposed fair market value of the transaction is \$25 million or more and the transaction concerns the provision of health care services.	Yes
---	-----

The transaction is more likely than not to increase annual California-derived revenue of any health care entity that is a party to the transaction by either \$10 million or more or 20% or more of annual California-derived revenue at normal or stabilized levels of utilization or operation.	Yes
The transaction involves the sale, transfer, lease, exchange, option, encumbrance, or other disposition of 25% or more of the total California assets of the submitter(s).	Yes
The transaction involves a transfer or change in control, responsibility or governance of the Submitter. A transaction will directly or indirectly transfer control, responsibility, or governance in whole or in part of a material amount of the assets or operations of a health care entity to one or more entities if: (1) The transaction would result in the transfer of 25% or more of the voting power of the members of the governing body of a health care entity, such as by adding one or more members, substituting one or more members, or through any other type of arrangement, written or oral; or (2) The transaction would vest voting rights significant enough to constitute a change in control such as supermajority rights, veto rights, and similar provisions even if ownership shares or representation on a governing body are less than 25%;	Yes

TRANSACTION DETAILS

Anticipated Date of Transaction Closure	3/31/2024
Description of the Transaction	Please see attached.
Submitted to US Department of Justice or Federal Trade Commission?	Yes
Date of Submission	11/15/2024
Description of Submissions	The parties filed notices of the transaction with the Federal Trade Commission and U.S. Department of Justice, Antitrust Division, pursuant to 16 C.F.R. Part 803 (the "HSR Filing") on November 15, 2024. Astrana pulled its HSR filing on December 13, 2024 and will refile it no later than December 17, 2024.
Subject to court proceeding	No
Description of current services provided and expected post-transaction impacts on health care services	Please see current services description presented in "3 Submitter Business Information" section. Regarding community needs assessments, a community needs assessment was completed for Alta in 2022 by Zephyr Healthcare Advisors for Internal Medicine Nurse Practitioners within the geographic service area served by Alta, which determined a community need. Prospect affiliates participate in Prospect Cares

	<p>Resource, which is administered by an internal advisory board comprised of leaders from Prospect Medical Systems, LLC, which is committed to enhancing the well-being of the communities served by Prospect providing essential support, healthcare education, and resources. Through collaborative efforts and community-focused initiatives, Prospect Cares Resource strives to empower individuals and families to lead healthier, more fulfilling lives while partnering with Prospect leadership and team members to drive the urgency within our healthcare systems to address disparities, improve quality, and achieve equity. Prospect Cares Resource’s board meets quarterly to assess progress, ensure alignment with the organization's mission, and adjust strategies as needed to respond to evolving community needs.</p> <p>Please also see attached a further list and description of Alta's community involvement and related activities.</p> <p>Medi-Cal and Medicare patients are currently accepted by Alta.</p> <p>The parties to the proposed transaction do not anticipated any immediate post-transaction changes to the criteria identified above.</p>

Prospect Medical Holdings, Inc., a Delaware corporation (“PMH”), is the holding company for Prospect’s administrative services companies and is wholly owned by Ivy Intermediate Holding Inc. Under the proposed transaction’s definitive purchase agreement, PMH serves as the seller representative to perform certain obligations of the seller parties, but is not otherwise a party to the proposed transaction, nor is it making any representations or indemnifying parties thereunder. PMH operates in Los Angeles County at the following address: 3824 Hughes Ave, Culver City, CA 90232. PMH and its owners are not payers, providers or fully integrated delivery systems under 22 Cal. Code Regs. § 97435. PMH’s annual revenue for each of the past 3 fiscal years is set forth below:

- FY 2021 revenue: \$1,310,838,000
- FY 2022 revenue: \$1,544,921,000
- FY 2023 revenue: \$1,804,157,000

The submitter follows its contracted Health Plans threshold languages which vary depending on the population it serves. For interpretation services, Prospect entities use Language Line Services, Inc. and other face to face interpreter services as necessary which cover a wide range of languages.

Description of Transaction

(A) The goals of the transaction:

The transactions (collectively, the “Proposed Transaction”) contemplated pursuant to that certain Asset and Equity Purchase Agreement (the “Agreement”), dated November 8, 2024, by and among PHP Holdings, LLC (“PHPH”), PHS Holdings, LLC (“PHS”), Prospect Intermediate Holdings, LLC (“PIH”), and certain affiliates thereof (collectively, the “Sellers”), on the one hand, and Astrana Health, Inc. (“Astrana”) and certain affiliates thereof (collectively with Astrana, “Buyer”).

The Proposed Transaction is expected to expand Astrana’s provider network and enhance its ability to offer increased access, quality, and value for its members. Prospect's established presence in key markets also opens new opportunities for Astrana, particularly in geographically adjacent Orange County, California, where Astrana currently has limited operations.

The Proposed Transaction presents an opportunity for Prospect to partner with Astrana to build a larger, stronger, and more coordinated care delivery network. Moreover, Astrana plans to make significant investments in Prospect which Prospect expects will benefit its patient communities by increasing healthcare access, quality, value, and efficiency.

(B) A summary of terms of the transaction:

The Agreement provides that upon consummation of the transaction (i) Alta, Prospect Health Plan, Inc. (“PHP”), and Prospect Health Services RI, Inc. (“PHSRI”), will become wholly owned subsidiaries of Astrana Care Hospital, LLC, Astrana Health Management, Inc., and ApolloCare Partners of Texas PLLC, respectively. Therefore, effective as of the closing of the Proposed Transaction, Alta will undergo a change of control when it becomes a direct, wholly-owned subsidiary of Astrana Care Hospital, LLC .

The Proposed Transaction contemplates the sale of equity interests and assets associated with or utilized in the operation of the Sellers’ “Prospect Health System” healthcare business. The foregoing summary of the terms of the Agreement is qualified in its entirety by the terms and conditions of the Agreement. Many components of the Agreement, including the transactions relating to the acquisition of PHSRI and the assets in Arizona, Texas and Rhode Island, are described in further detail in this Notice for purposes of providing context and clarity but do not directly impact Alta.

At the closing of the Proposed Transaction: (i) PIH will assign to Astrana Care Hospital, LLC 100% of the equity interests of Alta (the “Alta Assignment”); (ii) PHS will assign to ApolloCare Partners of Texas PLLC 100% of the equity interests of PHSRI (the “PHSRI Assignment”); (iii) PHPH will assign to Astrana Health Management, Inc. 100% of the equity interests of PHP (the “Prospect Health Plan Assignment”); and (iv) the Prospect Asset Sellers (as defined in the Purchase Agreement, which includes Prospect Medical Group, Inc. (“PMG”) and its subsidiaries, New Genesis Medical Associates, Inc. (“NGMA”) and Primary and Multi-Specialty Clinics of Anaheim, Inc. d/b/a Gateway Medical Center and d/b/a Gateway Medical Center Anaheim Hills (“PMCA”), will sell substantially all of their respective assets to Buyer (the “Purchased Assets”). Included in the Purchased Assets are leases for the facilities, equipment and computer hardware, usable inventory and supplies, patient, medical, personnel, business, and other records (subject to exclusions and retentions pursuant to law), licenses, permits, and contracts (such as management services agreements, and agreements with third-party payors and providers).

Subject to shareholder approval and pursuant to the terms of the Agreement, during the period between signing and closing of the Proposed Transaction, PIPH will assign to AMG all of its equity interest in Gateway Medicor-Rancho Cucamonga, Inc. (“GMRC”), which as of the date hereof represents 51% of the equity interests in GMRC (the “JV Assignment”).

Immediately following the closing of the Proposed Transaction, it is expected that Astrana will have full ownership either directly or indirectly of Alta, PHSRI, and PHP, and the Purchased Assets.

The consideration for the Proposed Transaction is set forth in the Agreement. Astrana will fund the acquisition with cash and, although not a condition to close, Astrana is expected to secure and use proceeds from a senior secured bridge loan to fund a portion of the acquisition. Funding is described in further detail in the following press release: <https://ir.astranahealth.com/news-events/press-releases/detail/249/astrana-health-announces-definitive-agreement-to-acquire-certain-businesses-and-assets-of-prospect-health-system>.

(C) A statement of why the transaction is desirable:

In addition to the goals and expected benefits stated above, Astrana plans to make significant investments in Prospect and its infrastructure in order to further enhance access, equity, and quality of care for patients in local communities. Given both organizations' commitment to value-based and personalized care, this investment aims to reduce healthcare costs and enhance the ability to offer increased access, quality, efficiency and value for members. Given the synergies between Astrana's and Prospect's businesses, the transaction is expected to result in greater efficiencies and economies of scale, which will allow higher quality care at a lower price for California residents.

Furthermore, consummation of the transaction is likely to promote greater stability across the Prospect assets/businesses being transacted. As OHCA may know, Prospect's East Coast hospital operations have struggled in recent years, as detailed in numerous publicly available articles and stories. Astrana has a strong balance sheet and track record of success, and Astrana's stewardship of the California assets should help avoid any adverse impact that could potentially arise from Prospect's ownership of its East Coast hospital business. The sooner the transaction closes, the greater the potential benefits and risk avoidance.

(D) General public impact or benefits of the transaction, including quality and equity measures and impacts

See responses above and below.

(E) Narrative description of the expected competitive impacts of the transaction

Pursuant to an Asset and Equity Purchase Agreement executed on November 8, 2024, Astrana Health Inc. intends to acquire the "Prospect Health System" business of Prospect Medical Holdings, Inc.

The acquisition includes certain entities and assets currently operating under the Prospect Health System umbrella, including its California licensed restricted health care service plan (PHP), medical groups in California, Texas, Arizona and Rhode Island (Prospect Medical Groups), management service organization (Prospect Medical Systems, LLC), independent physician associations, pharmacy (RightRx), and Alta, a fully accredited acute care hospital with 177 licensed beds.

To better illustrate the point of minimal overlap, consider the scope of operations of PHP and Astrana's two restricted health care service plan subsidiaries, For Your Benefit, Inc. ("FYB") and Community Family Care Health plan, Inc. ("CFC").

FYB's only line of business is Medicare Advantage. Within PHP's Medicare Advantage service area of Los Angeles, Orange, Riverside, San Bernardino, and San Diego Counties, both PHP's and FYB's enrollment is incredibly limited, even if considered on an aggregate basis (though it should be noted that PHP and FYB will operate as separate legal entities and businesses following the closing of the Proposed Transaction). The following table, which is based on the most recently available DMHC and CMS data, sets forth the aggregate Medicare Advantage enrollment of PHP and FYB compared to total Medicare Advantage enrollment and eligibility in PHP's service area.

Combined MA Enrollment in LA, OC, Riverside, SB, and SD Counties	As % of MA Enrollment	As % of MA Eligibility
43,635	2.1%	1.3%

CFC's only line of business is Medi-Cal. Within PHP's Medi-Cal service area of Los Angeles and Orange, Counties, both PHP's and CFC's enrollment is quite limited, even if considered on an aggregate basis (though it should be noted that PHP and CFC will operate as separate legal entities and businesses following the closing of the Proposed Transaction). The following table, which is based on the most recently available DMHC and CMS data, sets forth the aggregate managed Medi-Cal enrollment of PHP and CFC compared to total Medi-Cal enrollment and eligibility in PHP's service area. In considering the below table, it is important to keep in mind that the substantial majority of PHP's Medi-Cal enrollment is limited to Orange County, while the substantial majority of CFC's Medi-Cal enrollment is limited to Los Angeles County.

Combined Medi-Cal Enrollment in in LA and OC Counties	As % of Managed Medi-Cal Enrollment	As % of Medi-Cal Eligibility
246,054	5.1%	1.7%

Astrana plans to make significant investments in Prospect Health System and its infrastructure in order to further enhance access and quality of care for patients in local communities. The partnership between Astrana and Prospect will help ensure that healthcare remains local and personalized for patients across California, Texas, Arizona and Rhode Island. Additional details regarding Astrana's planned acquisition of Prospect can be found on the Company's Investor Relations [website](https://ir.astranahealth.com/), which is available at <https://ir.astranahealth.com/>.

(F) Description of any actions or activities to mitigate any potential adverse impacts of the transaction on the public:

The parties do not anticipate any potential adverse impacts of the transaction on the public. As noted above, the parties anticipate that the transaction will be beneficial to the public by (i) facilitating the enhancement of coordinated care delivery networks and population health management initiatives, (ii) creating economies of scale to improve efficiencies that should serve to improve quality and equity while reducing costs to consumers, and (iii) bolstering the stability of Prospect's California business, which serves over 500,000 enrollees in the state.

ACCOMPLISHMENTS, SURVEYS AND OTHER ACTIVITIES 2023 - 2024

ALTA HOSPITALS (Foothill Regional Medical Center)

CORPORATE SPONSORSHIPS/COMMUNITY INVOLVEMENT

- Partnership Tustin Public School Systems
 - Foothill participates and sponsors Tustin Schools annual “Dino Dash” run for education held to enrich education.
- Partnership with Tustin Police Department & Police Foundation
 - The Tustin Police Department delivers toys/toiletries to the hospital’s Pediatric residence during Christmas.
 - The hospital supports the Tustin Police Foundation which is a non-profit created to enhance public safety and law enforcement in the Tustin community.
- American Red Cross
 - Foothill organizes an annual “Blood Drive” with the American Red Cross to address blood shortages throughout the County held annually in July.
- Annual “Flu Drive” promoting flu vaccination.
- Partner with Nursing, Pharmacy, and Medical Technical Schools providing intern and externships in the areas of RNs, LVNs, CNAs, RTs, Pharmacists and Pharmacy Technician, Radiology Technologists and Physical Therapy.
- College Advisory Board Members
 - ✓ Glenda Luce, CNO – Saddleback College & Santa Ana College
 - ✓ Joe Sonntag, Dir of Radiology – Saddleback College
- Latino communities, a “Dia de Los Muertos” To celebrate and support the traditions of the Latino communities, a “Dia de Los Muertos” Foothill Regional Medical Center hosts a booth with our sister hospital LA Community Hospital where the event has more than 20 business partners and attended by more than 600 members of the community. Foothill was awarded “best themed” booth in 2022.
- Community Health Fair
 - In partnership with Healthcare Pharmacy, the hospital & pharmacy hosted a community health fair for Tustin residence educating them on the healthcare services offered at the hospital.
- Santa Ana Senior Center Support
 - Foothill hosts an annual booth at the local Senior Center educating residents about the hospital’s ER & service lines offered at the hospital.
- City of Tustin Veterans Day Support
 - Foothill Regional Medical Center sponsors a booth supporting the community Veterans Day event which is held in the town square.
- Local Fire Station Partnership
 - The hospital maintains close relationships with all the local firehouses. The ER Medical Director & RN Director make rounds visiting firehouses; delivering lunch in appreciation for their partnership.
- Orange County
 - FRMC Plant Operations Team is part of the Emergency Preparedness Task Force for the County

- American Society of Healthcare Engineering
 - FRMC Engineering Team participates in the American Society for Healthcare Engineering. This Chapter focuses on educational meeting topics of value to the healthcare engineering field on best practices and challenges in code interpretation and compliance.
- Congressional Healthcare Advisory Board
 - Araceli Lonegan, CEO, is part of the Congressional Healthcare Advisory Board to provide healthcare industry advice in support of the national incentives.
- Orange County Business Journal Award
 - Araceli Lonegan, CEO was nominated as one of the County's "Women in Business Award" - 2023

ADVOCACY EFFORTS FOR THE UNDERPRIVILEGED

- OC Rescue Mission
 - Foothill Regional Medical Center supports the Orange County Rescue Mission who offer a life-transformation program that provides on-campus housing, basic needs and comprehensive services for individuals and families experiencing homelessness. During the holidays, the hospital brings Santa who passes out toys for kids & toiletries for families living at the Mission.
- Angel Tree Project
 - The hospital hosts the Pediatric Angel Tree during the holidays which supports the hospital's pediatric patient needs.
- Homeless Clothing Drive
 - Clothing drive is held to collect and provide clothes and personal hygiene items to hospital's homeless patient population.
- Healthcare Disparity Committee CMS
 - Committee oversees actions to access the patient's health-related social needs and provides information about community resources and support services for the homeless upon discharge.

OUTSTANDING PATIENT CARE AS RECOGNIZED BY HEALTHGRADES & OTHER AGENCIES

- FRMC maintained 5-Star Quality Rating by the Centers for Medicare & Medicaid Services (CMS) for our Pediatric Subacute unit.
- Healthgrades Five-Star Recipient for Hip Fracture Treatment 7 years in a row 2019, thru 2025
- The Joint Replacement Excellence Award and Names Top 10% in Nation 2025
- Five Star recipient for total knee replacement 2025
- Healthgrades for two years in a row 2024 & 2025 Five-Star Recipient for Gastrointestinal (Gall Bladder Removal Surgery)
- Healthgrades two years in a row 2024 & 2025 Five-Star Recipient for Critical Care (Treatment of Sepsis)
- Recipient of the Healthgrades Patient Safety Excellence Award™ - 2023 – 2024
- 2024 Bariatric Center of Excellence: American Society for Metabolic and Bariatric Surgery (ASMBS) American College of Surgeons (ACS)
- Silver Designation, CDPH HAI Antimicrobial Stewardship Program (ASP) Honor Roll – May 2022- 2025.
- FRMC implemented the DAISY Award. This award recognizes nurses who consistently demonstrated "excellence" attributes while performing their duties.

- FRMC Achieved recognition as one of the top hospitals within Orange County in regards Hospitals Emergency Preparedness.
- Successful State Board of Pharmacy Inspection– March 2023.
- Successful Lab State Inspection – August 2024
- Foothill has received the Silver Designation by CDPH HAI Antimicrobial Stewardship Program (ASP) Honor Roll from May 2022-May 2025.
