Access and Information

Registration Progress

- What we're seeing in the registration process as of 4/15/2024

  o In progress - 9

  o Submitted - 1

Frequently Asked Questions - Registration

- "How many registrations should my organization complete?"

  o One registration should be submitted for each organization.

- "What do I enter as my Submitter Code in the form?"

  o Please leave the Submitter Code field blank for this initial registration. Please note: the Submitter Code assigned to your organization for THCE data submission will differ from your HPD Submitter Code.

Access and Information

Frequently Asked Questions - Registration

- "How do I revisit my in-progress registration?"

  o Follow the link and instructions outlined in the automated email received upon initiating a registration.

Frequently Asked Questions - Registration

- "If I complete a registration that requires an update, what do I do?"

  o Please notify Onpoint at ohca-support@onpointhealthdata.org regarding any updates required to your registration form after it has been submitted.

- "What data collection initiative should I select in my new registration request?"

  o CA OHCA - HCAI

Frequently Asked Questions – TIN Lists

- "How do we know which organization to use?"

  o Match the Organization Name on the Addendum to the full legal name of the entity with which you contract, and to which you can attribute a member's total medical expenses.

- "If Medical Group A was purchased by Provider B this year, which name do we use?"

  o Both the TIN(s) and attributed TME should be reported based on how the organizations existed in the reporting years (meaning 2022 and 2023 for this year's submission).
