# Hospital Supplier Diversity Reports -2021

- To date, HCAI has received 321 Hospital Supplier Diversity (HSD) Reports for 2021.
  - Total number of hospitals required to submit: 349
    - Mandatory submissions received: 321
    - Voluntary submissions: 22
    - Pending reports: 28
  - System-level report total: 7

# HDC System

- What is Hospital Disclosures and Compliance (HDC) System?
  - HCAI has changed from accepting HSD reports via email to utilizing the HDC System. HDC System is a report collection platform that will allow hospitals to electronically submit a standardized report.
- Hospitals began submitting their HSD report beginning June 1, 2022, and began requesting extensions.
- Resource documents were made available for hospital submitters to navigate through the HDC system and its various functions.
  - In addition, program staff answered calls from report submitters to assist them.

# Next Steps: Overview

- Initial release of reports was on July 29, 2022.
- Final publication of reports will be in October 2022.
- Data analysis of 2021 HSD reports will be conducted and presented at next Commission meeting in November 2022 once we receive all reports.
