

2022 Title 24 Intervening Code Cycle Part 1 and Part 2, Volume 1

Changes Impacting Hospital Design and Construction and What to Expect

Wednesday, June 26, 2024

1:00 p.m. – 3:00 p.m., Pacific Time

The 2022 California Building Standards Code, Title 24 of the California Code of Regulations, Intervening Code Supplement changes will become effective July 1, 2024.

This means all building permit applications submitted on or after July 1, 2024, must be compliant with the 2022 Intervening Code Supplement.

Hosted by the Department of Health Care Access and Information (HCAI), Office of Statewide Hospital Planning and Development (OSHPD), Building Standards Unit, this is your opportunity to learn about the code changes that were published January 1, 2024.

AGENDA

- California Administrative Code, Part 1
See what is new with project closeout, fee for projects with no construction, inspector of record conduct.
- California Building Code, Part 2, Volume 1
New behavioral health observation area, OSHPD 6 Chemical dependency recovery hospitals, and much more.
- Bring your questions!

REGISTRATION AND INSTRUCTIONS

Fee: Complimentary

To Register: [Click here](#) if you would like to attend.
