

Equipment Anchorage per PIN 68

Fixed, Interim, Mobile, Movable, Other and Temporary Equipment

Tuesday, August 25, 2020

10:00 – 11:30 a.m., Pacific Time

OSHPD PIN 68 clarifies which type of equipment is required to be anchored, restrained, or permitted to be unanchored to meet the functional needs of hospitals.

This webinar focuses on what is needed to be shown on the construction documents to identify which equipment falls in each classification.

At the conclusion of this activity, participants will be able to:

- utilize recently introduced PIN 68
- distinguish equipment classifications and learn new definitions (essential, interim, etc.)
- have clarification on a number of frequently asked questions

REGISTRATION AND INSTRUCTIONS

Fee: Complimentary

To Register: [Click here](#) if you would like to attend. Upon registration, you will receive a confirmation email with Login Instructions.

Note: Multiple staff members from one office should **register INDIVIDUALLY** to receive separate log-ins.

A certificate of completion will be emailed from GoToWebinar to registered attendees who log-in and attend the day-of webinar. Certificates *will not* be available from OSHPD. AIA 1.5 LU | HSW

The presentation is accessed through GoToWebinar. If necessary, it is suggested that you download the app and install in advance of the webinar.
