

## PIN 74 – Skilled Nursing Facilities Backup Power Source

**Monday, December 12, 2022**

**10:30 a.m. – 12:00 p.m., Pacific Time**

Or (*same presentation on both dates*)

**Wednesday, January 18, 2023**

**9:00 – 10:30 a.m., Pacific Time**

---

Assembly Bill (AB) 2511 was recently passed into law and requires that Skilled Nursing Facilities (SNF) have an alternative source of power to protect resident health and safety for no fewer than 96 hours for power outages that may result from a public safety power shutoff, an emergency, a natural disaster, or other cause. Join us as HCAI discusses what this means, and what and when it will be required.

### **AGENDA**

- What does AB 2511 state?
- What is required to be backed up?
- When is compliance required?

---

### **HCAI SPEAKERS**

**Richard Tannahill**, Architect  
Deputy Division Chief  
Facilities Development Division  
Acting Supervisor, Building Standards Unit

**Jamie Schnick**, Sr. Electrical Engineer  
Building Standards Unit  
Facilities Development Division

### **REGISTRATION AND INSTRUCTIONS**

**Fee: *Complimentary***
