

Plan Review Requirements for California Energy Code

Tuesday, December 1, 2020
10:00 – 11:30 a.m., Pacific Time

The requirements of the Energy Code are new to California's healthcare facilities as of January 2020 and the 2019 California Building Standards Code. The California Energy Commission and OSHPD worked together to publish these requirements. Now join OSHPD as they explain the differences between how the California Energy Commission and OSHPD view these requirements when it comes to new buildings, additions and remodel projects and how to show compliance with the energy regulations during plan review.

AGENDA

- CEC and OSHPD
- What's Regulated
- Enforcement
- Application to Additions and Expansions
