THIS ASSET PURCHASE AGREEMENT, together with all exhibits and schedules (this “**Purchase Agreement**”), dated as of August 22, 2024 (the “**Execution Date**”), is by and among Covenant Care California, LLC, a California limited liability company (“**Principal Transferor**”) and CTR Partnership, L.P., a Delaware limited partnership (“**Principal Transferee**,” and together with each Designated Assignee (as defined below), the “**Transferee**”). Principal Transferee, Principal Transferor, and the Transferors (as defined below) may be referred to herein as a “**Party**” and collectively as the “**Parties**.” A glossary of capitalized terms is set forth in Exhibit B attached hereto.

WHEREAS, each entity listed on Exhibit A operates the applicable skilled nursing facility and/or assisted living facility with the number of licensed and certified beds and located at the address set forth next to its name on Exhibit A (each such facility individually, a “**Facility**,” and collectively, the “**Facilities**”) as a “Transferor Opco” (individually and collectively, “**Transferor**”);

WHEREAS, each Transferor owns certain Assets used in connection with the operations of its respective Facility;

WHEREAS, each Transferor desires to sell, transfer, convey and/or assign to the Transferee, and Transferee desires to purchase from such Transferor, the Assets (including the Facilities owned by such Transferor), upon the terms and conditions contained in this Purchase Agreement; and

WHEREAS, the Parties wish to provide for an orderly and lawful transition of the operations of the Facilities from the applicable Transferor to Transferee.

NOW, THEREFORE, in consideration of the premises, the mutual obligations of the Parties contained in this Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, hereby agree as follows:

ARTICLE I PURCHASE PRICE

1.1. Payment. Subject to the terms and the conditions of this Purchase Agreement, Transferor agrees to sell, and Transferee agrees to purchase, Transferor’s Assets for a total purchase price of (a) Twenty-Five Million Dollars (\$25,000,000.00) *plus* (b) the Lease Deposit Amount (the “**Purchase Price**”). The Purchase Price shall be paid in accordance with Section 3.3.

1.2. Deposit. On March 21, 2024, Principal Transferee deposited with the Escrow Agent an earnest money deposit in the amount of [REDACTED] (the “**Deposit**”), held on the terms set out in the Escrow Agreement attached hereto as Exhibit C-1 (the “**Escrow Agreement**”). At Closing, Principal Transferor and Principal Transferee shall deliver a joint written instruction (the “**Deposit Release Instructions**”) to the Escrow Agent to release the Deposit to Principal Transferor, which amount shall be applied against the Purchase Price. If Principal Transferor or Principal Transferee, as applicable, does not deliver the Deposit Release Instructions to the Escrow Agent as required pursuant to this Section 1.2, such Party shall also be liable for, and shall pay the other Party for, any reasonable out-of-pocket costs and expenses (including reasonable attorneys’ fees) incurred by the other Party in connection with its collection efforts (such costs and expenses, the “**Escrow Collection Costs**”) to receive such Deposit. If the Transaction does not close, and this Purchase Agreement is terminated in accordance with its terms, the Deposit shall be released in accordance with the provisions of Article VIII of this Purchase Agreement. The amount of the Deposit shall be allocated to each Facility in proportion to its Allocated Value (as defined

below). The amount of the Deposit allocated to each Facility shall be referred to herein individually as an “*Allocated Deposit*,” and collectively as the “*Allocated Deposits*.”

1.3.

1.4. Allocation of Purchase Price. Within thirty (30) days after the Execution Date, Principal Transferor and Principal Transferee shall negotiate in good faith and, acting reasonably, agree on the allocation of the Purchase Price among each of the Facilities (each, the “*Allocated Value*”), which Allocated Value for each Facility shall be as set forth in Schedule 1.4 attached hereto. Within ninety (90) days of Closing, Principal Transferor shall prepare and deliver to Principal Transferee an allocation statement (the “*Allocation Statement*”) setting forth the value of Transferor’s Assets at each Facility that shall be used for the allocation of the Allocated Value for each Facility among Transferor’s Assets in accordance with Section 1060 of the Code and Treasury Regulation thereunder (including Section 1.1060-1, or any comparable provisions of state or local Tax Law) or any successor provision. If, within thirty (30) days after the delivery of the Allocation Statement, Principal Transferee notifies Principal Transferor in writing that Principal Transferee accepts the allocation set forth in the Allocation Statement, Principal Transferee and Principal Transferor shall report and file all Tax Returns (including any amended Tax Returns and claims for refund) consistent with such Allocation Statement, and shall take no position contrary thereto or inconsistent therewith (including in any audits or examinations by any taxing authority or any other proceedings). If Principal Transferee does not accept the allocation set forth in the Allocation Statement (with a failure to respond during such thirty (30)-day period constituting Principal Transferee not accepting such allocations), each of Principal Transferor and Principal Transferee shall adopt their own allocation and complete and execute a Form 8594 in accordance with such allocation. Transferee and Transferor shall file

or cause to be filed any and all forms (including U.S. Internal Revenue Service Form 8594), statements and schedules with respect to such allocation, including any required amendments to such forms.

2.2. Assumption of Liabilities.

(a) Upon the terms and subject to the conditions set forth in this Purchase Agreement, on the Closing Date, Transferee shall pay, perform, and discharge when due, all the liabilities, obligations and commitments, subject to the provisions of Section 2.2(b), relating to the Business and the Facilities, other than the Retained Liabilities, in each case that relate to or first occur on or after the Closing Date, (collectively, “**Assumed Liabilities**”), which Assumed Liabilities include:

- (i) all obligations and liabilities under the Assumed Contracts;
- (ii) all liabilities under the terms of the Permits;
- (iii) all *pro-rated* items specified in Section 3.4 attributable to the Transferee;

and

(iv) all other liabilities arising out of the conduct or the operation of the Business from and after the Closing, in each case, that are not Retained Liabilities.

(b) Except for the Assumed Liabilities, Transferor shall retain all of its liabilities and obligations of any kind or nature, at any time existing or asserted, whether or not accrued, whether fixed, contingent or otherwise, whether known or unknown, arising out of and by reason of the ownership or operation of the Assets and the Facilities prior to the Closing Date. Except to the extent expressly and unambiguously expressed herein to the contrary, Transferee is not the successor to liability of Transferor and is not herein assuming any liability or detriment from, arising from, out of, or relating to, Transferor’s ownership of the Assets, the Facilities or any activity of Transferor prior to the Closing Date or conduct of Transferor after the Closing Date. Transferee does not and shall not assume (except to the extent included in Assumed Liabilities) any payable of Transferor, governmental claim or charge, liability of any governmental claim or charge, liability for any general liability, malpractice, professional liability, resident rights violations, or violation of employee rights or contracts, whether such claims arise in law, equity, tort, contract, statute, common law, or from any other source or precedent, arising from or related to the period prior to the Closing Date.

(c) Without limiting the generality of Section 2.2(b), Transferor shall retain, and Transferee shall not assume the following (collectively, the “**Retained Liabilities**”):

(i) Medicaid and/or Medicare liabilities for the period prior to the Closing Date, all of which Transferor agrees to satisfy in full as and when due upon expiration of any applicable period for the contesting or appeal of such liabilities;

(ii) accrued expenses which were incurred prior to the Closing Date;

(x) any other liabilities or obligations of Transferor that are not Assumed Liabilities, except with respect to Transfer Taxes and Taxes specified in Section 6.14.

2.3. Consents to Assignment. Notwithstanding anything to the contrary contained herein, this Purchase Agreement shall not constitute an agreement to assign or transfer any permit, authorization, contract, license, certificate, or lease, or any claim, right or benefit arising thereunder or resulting therefrom, if an attempted assignment or transfer thereof, without the consent of a third party thereto or of the issuing Governmental Entity, as the case may be, would constitute a breach thereof. The Parties shall use commercially reasonable efforts to cooperate to obtain any consents of any parties necessary to permit the assignment of the Assumed Contracts. Transferor and Transferee acknowledge that certain of the Assumed Contracts may not, by their terms, be assignable and, accordingly, none of such non-assignable Assumed Contracts shall be deemed assigned to or assumed by any Transferee unless and until the same shall become so assignable. If and when any necessary consent shall be obtained or any such Assumed Contract shall otherwise become assignable following the Closing, Transferor shall take all reasonably necessary action to assign all of its rights and obligations thereunder to Transferee and Transferee shall assume such rights and obligations. Until such time as the non-assignable Assumed Contracts are assumed by Transferee: (a) Transferee shall perform and discharge fully all of the obligations of Transferor under any of such non-assignable Assumed Contracts to the extent the same would have constituted assumed liabilities if the Assumed Contracts had been assumed by Transferee as of the Closing Date and to the extent the same relate to the period of time after the Closing Date, and (b) 

 . Transferor shall be solely responsible for the payment of all costs and expenses necessary to obtain consent to assignment of the Assumed Contracts, which includes, for the avoidance of doubt, the Realty Leases.

2.4. Existing Landlord Consents. Solely with respect to those Realty Leases which require consent of the Existing Landlord in connection with the Transaction, Transferor shall use its commercially reasonable efforts to obtain from each such Existing Landlord its written consent to the assignment of each such Realty Lease to the applicable Transferee(s) on the Closing Date (each, an “**Existing Landlord Consent**,” and collectively, the “**Existing Landlord Consents**”). In connection therewith, promptly following the execution of this Purchase Agreement, Transferor shall introduce Transferee to each Existing

Landlord via email for the purpose of obtaining each Existing Landlord Consent and allowing Transferee to conduct its diligence under Section 2.8 below with respect to the applicable Realty Lease. Additionally, Transferor shall reasonably cooperate with Transferee in requesting a commercially reasonable estoppel certificate from each Existing Landlord as to each Realty Lease (each, an “**Estoppel Certificate**”).

2.5. Excluded Assets. Transferee shall not purchase, and Transferor shall retain, any right, title and interest in any of the following (collectively, “**Excluded Assets**”):

- (a) any assets of Caregivers Holding Co, Inc. or related to or used in the business thereof;
- (b) any equity interests in HCS Holdco, LLC or its subsidiaries, or any assets related to or used in the “Home Health” business;
- (c) any equity interests in AFFIRMA Rehabilitation, Inc. or CliniTrack, LLC, or any assets related to or used in the businesses thereto;
- (d) any Contract that is not an Assumed Contract;
- (e) any asset that is not exclusively used or held for use in the Business;
- (f) amounts of any nature which are or might be due to Transferor for goods provided, services rendered, or any other transaction of any type prior to the Closing;
- (g) any amount in respect of the ERC Filing;
- (h) all WQIP Payments (as defined in the OTA) attributable to qualifying Medi-Cal days occurring prior to the Closing, which attribution is to be made in accordance with the applicable OTA;
- (i) all insurance proceeds received from any Transferor’s insurance carrier, including with respect to a Casualty/Condemnation Loss;
- (j) all Licensee’s A/R (as defined in the OTA) and any other assets designated as assets of the Licensee under the applicable OTA; and
- (k) the items listed on Annex 2.5(j).

2.6. Operations Transfer Agreements. On or before the Due Diligence Expiration Date, each applicable Transferor and each applicable Designated Assignee shall have executed and delivered an operations transfer agreement substantially in the form of Exhibit D attached hereto with respect to each Facility (each, an “**OTA**” and collectively, the “**OTAs**”). Each Transferor and each Designated Assignee agree that they will timely perform their respective obligations under the OTAs and failure to do so shall constitute a breach by such Transferor or such Designated Assignee, as applicable, of the applicable OTA (subject to the terms and provisions of such OTA, including any notice requirement or cure period).

2.7. Risk of Loss.

- (a) If, on or before the Closing Date, all or any portion of any Facility is damaged or destroyed by fire or other casualty or taken by condemnation (collectively, a “**Casualty/Condemnation Loss**”), Principal Transferor shall promptly notify Principal Transferee and the applicable Designated Assignee regarding such Casualty/Condemnation Loss. Principal Transferor shall use commercially reasonable efforts to share with Principal Transferee and the

applicable Designated Assignee all material communications with its insurance carrier concerning the casualty, the cost to rebuild or restore the Facility (if applicable), and the amount of the insurance proceeds to be paid for such purpose (if any), together with all reports from any adjustors who have been engaged by the applicable Transferor or its insurer.

(b) Promptly following any Casualty/Condemnation Loss, the applicable Transferor shall promptly commence and diligently pursue the completion of the restoration and remediation work required to restore the Facility to its condition prior to the occurrence of such Casualty/Condemnation Loss. With respect to any Casualty/Condemnation Loss for which the applicable restoration and remediation will not be completed prior to the Closing, Principal Transferor covenants that it will reasonably cooperate with Principal Transferee to determine a reasonable estimate of the costs to rebuild, restore or correct the damages as a result of such Casualty/Condemnation Loss following the Closing, including, without limitation, the loss of business income reasonably anticipated to be suffered in the period between the Closing with respect to such Facility and the completion of reconstruction (the “**Remediation Cost**”). The Parties agree if they are not able to determine the Remediation Cost within [REDACTED] of any Casualty/Condemnation Loss, they shall mutually select an independent third party specializing in restoration services to determine the reasonable estimate of such costs. [REDACTED]

(c) [REDACTED]

2.8. Due Diligence Period.

(a) Transferee shall have until 5:00 p.m., Pacific Time, on the date that is [REDACTED] from the Execution Date (the “**Due Diligence Expiration Date**”), to complete its inspection of the Facilities and the Assets in accordance with the terms hereof, and satisfy itself as to all matters relating to the Facilities and the Assets. If Transferee determines (in its sole discretion) that the Facilities and the Assets are unsuitable for its purposes for any reason or no reason at all, then Principal Transferee may terminate this Purchase Agreement in its entirety by delivering written notice to Principal Transferor and Escrow Agent at any time prior to 5:00 p.m., Pacific time on the Due Diligence Period Expiration Date. If Transferee terminates this Purchase Agreement pursuant to this Section 2.8(a), then [REDACTED]

[REDACTED], and no Party shall have any further rights or obligations under this Purchase Agreement except those which expressly survive termination of this Purchase Agreement. Transferee's failure to terminate this Purchase Agreement on or before the Due Diligence Expiration Date shall be deemed a waiver by Transferee of the condition contained in this Section 2.8. If Transferee does not elect to terminate this Purchase Agreement on or before the Due Diligence Expiration Date, then [REDACTED].

(b) From and after the Execution Date, to the extent not previously provided to Transferee, Transferor shall make available to Transferee for Transferee's inspection and copying, at Transferee's expense, the contents of Transferor's Contracts, the Realty Leases, title, maintenance, property condition reports, environmental reports and third party reports and studies, if any, concerning any of the Facilities and/or the Assets in Transferor's possession, unless otherwise indicated below (the "**Facilities Information**"). Such Facilities Information shall include, to the extent in Transferor's possession, the following items: any ALTA Survey, any Phase I environmental site assessment reports, any property condition report, and any other reports respecting the operation of any of the Facilities.

(c) During the period commencing on the Execution Date and expiring on the Due Diligence Expiration Date (the "**Due Diligence Period**"), Transferee, its agents, and employees shall have the right to enter upon any of the Facilities for the purpose of making non-invasive inspections at Transferee's sole risk, cost and expense. All of such entries upon any of the Facilities shall be at reasonable times during normal business hours and after at least twenty-four (24) hours' prior written notice to Transferor's designated representative. At all times, Transferee shall conduct its activities at the Facilities in a manner that does not unreasonably interfere with patient care. Transferor or Transferor's agent shall have the right to accompany Transferee during any activities performed by Transferee at any of the Facilities.

(d) The inspections under Section 2.8(c) may include a non-invasive Phase I environmental inspection of any of the Facilities, but no Phase II environmental inspection or other invasive inspection or sampling of soils or materials including, without limitation, construction materials, either as part of a Phase I inspection or any other inspection, shall be performed without the prior written consent of Principal Transferor, which consent shall not be unreasonably withheld, conditioned or delayed.

(e) If any inspection or test damages any of the Facilities, Transferee at its sole cost and expense will restore such Facility to substantially the same condition as existed before the inspection or test was performed. [REDACTED]

[REDACTED]. The foregoing obligations of Transferee shall survive the Closing or any termination (in whole or in part) of this Purchase Agreement.

ARTICLE III THE CLOSING

3.1. The Closing Date. Subject to the satisfaction or waiver of the conditions precedent set forth in Article VII of this Purchase Agreement, the Closing of the Transaction (the “**Closing**”) shall occur on the first (1st) day of the calendar month immediately following the calendar month in which such conditions are satisfied or waived, other than those conditions that by their terms are to be satisfied at the Closing, but subject to the full satisfaction or waiver of those conditions at the Closing, or such other date as agreed by the Parties in writing (such date, the “**Closing Date**”); *provided, however*, if such conditions are satisfied or waived on or after the twentieth (20th) day of a calendar month, the Closing Date shall be extended to the first (1st) day of the subsequent calendar month (i.e., if the conditions are satisfied or waived on December 14th, the Closing Date would be January 1st; and if the conditions are satisfied or waived on December 22nd, the Closing Date would be February 1st). The Closing shall be conducted via the simultaneous delivery of the closing deliverables under Sections 3.2 and 3.3 (including, without limitation, the Closing Date Payment) to the Escrow Agent. Upon written authorization to close from each of Principal Transferor and Principal Transferee, Escrow Agent shall release the Purchase Price to Principal Transferor (or its designee), and release and deliver the remainder of the closing deliverables as required by this Purchase Agreement.

3.2. Transferor Closing Deliveries. Upon the terms and subject to the conditions set forth in this Purchase Agreement, at the Closing, Principal Transferor and each Transferor, as applicable, shall have delivered to Escrow Agent:

(b) a counterpart signature page, duly executed by the applicable Transferor, to an assignment and assumption of each Realty Lease for each Facility in a form reasonably acceptable to Principal Transferor and Principal Transferee and so agreed prior to the Due Diligence Expiration Date, or such other form as may be required by the landlord of any Realty Lease (collectively, the “**Realty Lease Assignment**”);

(c) a counterpart signature page, duly executed by the applicable Transferor, to an assignment and assumption of each of the Assumed Contracts (other than Realty Leases) for each Facility in a form reasonably acceptable to Principal Transferor and Principal Transferee and so agreed prior to the Due Diligence Expiration Date (collectively, the “**Assumed Contracts Assignment**”);

(d) a counterpart signature page, duly executed by the applicable Transferor, to an assignment and assumption of each of the Resident Agreements for each Facility in a form reasonably acceptable to Principal Transferor and Principal Transferee and so agreed prior to the Due Diligence Expiration Date (collectively, the “**Resident Agreements Assignment**”);

(e)

[REDACTED];

(f) an IRS Form W-9 for each Transferor, duly executed by such Transferor;

(g) the Deposit Release Instruction, duly executed by Principal Transferor, instructing the Escrow Agent to release the Deposit to Principal Transferor or its designee; and

(h) a certificate of the applicable Secretary of State, as of a recent date as to the legal existence and good standing of each Transferor.

3.3. Transferee Closing Deliveries. On the Closing Date, Transferee shall:

(a) pay to Escrow Agent immediately available funds in an amount equal to (i) the Purchase Price, *minus* (ii) the Deposit *plus or minus* (iii) any *pro-rations* specified in Section 3.4 ("**Closing Date Payment**"); and

(b) have delivered duly executed counterparts of the following documents to Escrow Agent:

- (i) each Bill of Sale;
- (ii) each Realty Lease Assignment;
- (iii) each Assumed Contracts Assignment and each Resident Agreements Assignment;
- (iv) [REDACTED];
- (v) the Escrow Agreement; and
- (vi) the Deposit Release Instructions.

3.4. Closing and Post-Closing Adjustments: Costs and Prorations. In addition to any other items agreed upon by the Parties, the following items are to be apportioned between Transferor and Transferee on a *pro-rata* basis as to ownership as of the Closing Date, in accordance with the general principle that Transferor shall be entitled to the revenue attributable to, and responsible for such expenses and obligations attributable to, the Facilities for the period up to the Closing Date, and Transferee shall be entitled to the revenue attributable to, and responsible for such expenses and obligations attributable to, the conduct of the Facilities on and after the Closing Date:

(a) real property taxes and assessments, water, gas, electric, telephone and other utility charges, and sewer and wastewater charges, to the extent possible prior to the Closing Date. For metered service, Transferor shall pay or cause to be paid the utility bills for services rendered prior to the readings, and Transferee shall pay the utility bills for the services rendered after the readings. If any metered utility is read on any day other than the Closing Date, Transferor and Transferee shall *pro-rate* such utility charges consistent with the most recent bills, and then reconcile following the Closing as provided in Section 3.4(e). In furtherance of the foregoing, Transferee shall use commercially reasonable efforts to transition the utilities serving the Facilities into the name of Transferee effective as of the Closing Date, and Transferor shall reasonably cooperate with Transferee regarding such transition;

(b) all revenue (including rent and Residents' occupancy fees) attributable to services provided during any period ending prior to the Closing Date shall belong to Transferor, and all revenue (including rent and Residents' occupancy fees) attributable to services provided during any period on or after the Closing Date shall belong to Transferee;

(c) any bed Tax or similar provider Taxes or fees shall be *pro-rated* between Transferor and Transferee, based on the period of its operation of the Facilities occurring immediately prior to and after the Closing Date, as the case may be, including, but not limited to,

any such assessments made by the applicable State in which a Facility is located and/or paid by Transferor prior to or on the Closing Date that would apply to operation of the Facilities after the Closing Date;

(d) in the event that there is a governmental assessment against the property upon which a Facility is situated, Transferor shall be responsible for that which relates to the period prior to the Closing Date and Transferee shall be responsible for that which relates to the period after the Closing Date; and

(e) all such *pro-rations* shall be made on the basis of actual days elapsed in the relevant accounting, billing or revenue period, and shall be based on the most recent information available to Transferor and Transferee. Transferor and Transferee shall reasonably cooperate to produce, prior to the Closing, a schedule of *pro-rations* to be made under this Section 3.4(e) at the Closing. All *pro-rations* that can be accurately or reasonably estimated as of the Closing shall be made at the Closing. All other *pro-rations*, and adjustments to initial estimated *pro-rations*, shall be made by the Parties with due diligence and cooperation within [REDACTED] following the Closing, or such later time as may be required to obtain necessary information for *pro-ration*, by payment in immediately available funds by wire transfer to one or more bank accounts designated in writing of the Party yielding a net credit from such *pro-rations* from the other Party.

3.5. QA Fees and Bed Taxes. On the Closing Date, Transferee shall receive a credit to the Purchase Price in an amount equal to the amount estimated by Principal Transferor of Pre-Closing QA Fees for each applicable Facility as of such Closing Date, which Pre-Closing QA Fees shall be assumed by the applicable Transferee on the Closing Date (the “*Assumed QA Fees*”). Transferor and Transferee agree that as soon as final information regarding the unpaid QA Fees for each Facility as of the Closing Date has been obtained from the applicable Governmental Authority, Transferor shall, as promptly as possible after Closing, complete an accounting to determine the actual amount of the unpaid quality assurance fees/bed taxes due with respect to each applicable Facility attributable to periods prior to the Closing Date (the “*Actual QA Fees*”). If the Actual QA Fees for any Facility exceed the Assumed QA Fees for such Facility, then the applicable Transferor shall pay to the applicable Transferee the amount by which the Actual QA Fees exceed the Assumed QA Fees for such Facility (a “*QA Fee Deficiency Payment*”) within [REDACTED] after the determination of the Actual QA Fees for such Facility.

[REDACTED] If the Actual QA Fees for a Facility are less than the Assumed QA Fees for such Facility, then the applicable Transferee shall pay to Principal Transferor the amount by which the Assumed QA Fees exceed the Actual QA Fees for such Facility within [REDACTED] after the determination of the Actual QA Fees for such Facility. The terms and provisions of this Section 3.5 shall survive the Closing.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF TRANSFEROR

In order to induce Transferee to enter into this Purchase Agreement, and except as set forth in the schedules attached hereto, each Transferor hereby represents and warrants to Transferee as of the Execution

Date and as of the Closing Date (or in the case of representations and warranties that by their terms speak as of a specified date, as of such specified date), as follows:

4.1. Organization and Qualification. Except as provided in this Section 10.1, neither this Purchase Agreement, nor any rights, interests or obligations hereunder, may be assigned or transferred, in whole or in part, by operation of law or otherwise by Principal Transferor or Principal Transferee without the prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed, and any such assignment that is not consented to shall be null and void. Notwithstanding the foregoing, Transferee shall be permitted to assign to one or more entities (each, a “***Designated Assignee***”) the right and obligation to acquire the Assets with respect to any specific Facility and to assume operations of such

Facility; *provided*, that such Designated Assignee shall thereafter be obligated to comply with (and shall be a beneficiary of) the terms and conditions of this Purchase Agreement by executing and delivering a joinder to this Purchase Agreement substantially in the form attached hereto as Exhibit E, and Principal Transferee shall not be relieved of the obligation to so comply. Prior to the Due Diligence Expiration Date, Principal Transferee will provide Transferor a schedule of the Designated Assignees and the same shall automatically be deemed included herein as Schedule 10.1, and each reference to the “Transferee” herein shall mean the applicable Designated Assignee (though the same shall not relieve the Principal Transferee of its obligations to comply with, or to cause compliance with, the terms of this Purchase Agreement).

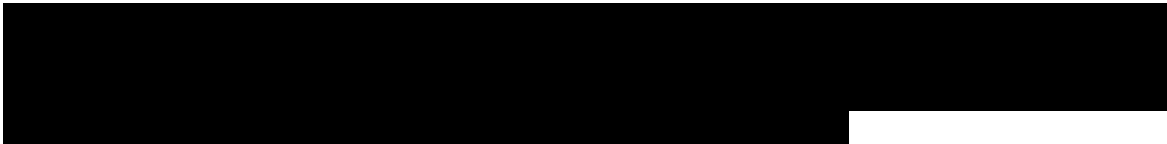

ARTICLE XI **MISCELLANEOUS**

11.1. Disclosure Schedules. The information contained in the Schedules shall be deemed to qualify to the specific Section (or subsection, as appropriate) of this Purchase Agreement to which it corresponds, and shall be cumulative so that if the existence of the fact or item or its contents disclosed in any particular schedule is relevant to any other schedule, then such fact or item shall be deemed to be disclosed with respect to the other schedule to the extent such relevance is reasonably apparent whether or not a specific cross-reference appears. The headings contained in the Schedules are included for convenience only, and are not intended to limit the effect of the disclosures contained in such schedule or to expand the scope of the information required to be disclosed in such schedule. Descriptions of documents in the Schedules are summaries only and are qualified in their entirety by the specific terms of such documents. Matters reflected in the Schedules are not necessarily limited to matters required by this Purchase Agreement to be reflected herein; additional matters are set forth for informational purposes and the fact that any item of information is disclosed in the Schedules shall not be construed to mean that such information is required to be disclosed by this Purchase Agreement.

11.2. Payment of Expenses.

11.3. Entire Agreement. This Purchase Agreement (including the Schedules and all other schedules and exhibits hereto which are incorporated into and are a part of this Purchase Agreement), and with any certificates and other instruments delivered hereunder, states the entire agreement of the Parties, merge all prior negotiations, agreements and understandings, if any, whether written or oral, and state in full all representations, warranties, covenants and agreements that have induced this Purchase Agreement. Each Party agrees that in dealing with third parties no contrary representations will be made.

11.4. Captions. The Article, Section and paragraph captions in this Purchase Agreement are for convenience of reference only, do not constitute part of this Purchase Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof.

11.6. Modification or Amendment. The Parties may modify or amend this Purchase Agreement at any time, only by a written instrument duly executed and delivered by Principal Transferee and Principal Transferor.

11.7. Construction of Agreement. If an ambiguity or question of intent or interpretation arises under this Purchase Agreement, this Purchase Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Purchase Agreement. Wherever the word “include,” “includes,” or “including” is used in this Purchase Agreement, it shall be deemed to be followed by the words “without limitation”.

[REDACTED]

Any Party may change its address for the purpose of notice by giving written notice in accordance with the provisions of this Section.

11.9. Specific Performance. The Parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Purchase Agreement or the OTAs were not performed in accordance with their specific terms or were otherwise breached, and that money damages or legal remedies would not be an adequate remedy for any such damages. Therefore, it is accordingly agreed that, subject to this Section 11.9, each party shall be entitled to enforce specifically the terms and provisions of this Purchase Agreement and each OTA in the [REDACTED], or if jurisdiction is not then available in the [REDACTED], then in any state or federal court located in [REDACTED], and appropriate injunctive relief shall be granted in connection therewith. No Party shall oppose, argue, contend or otherwise be permitted to raise as a defense that an adequate remedy at Law exists or that specific performance or equitable or injunctive relief is inappropriate or unavailable. Any Party seeking an injunction, a decree or order of specific performance shall not be required to provide any bond or other security in connection therewith and any such remedy shall be in addition and not in substitution for any other remedy to which such Party is entitled at law or in equity. No Party pursuing an injunction or injunctions to prevent breaches of this Purchase Agreement or any OTA and to enforce specifically the terms and provisions of this Purchase Agreement or any OTA in accordance with this Section 11.9 will be required to provide any bond or other security in connection therewith.

11.10. Remedies Cumulative. Except as otherwise provided herein, the remedies provided for or permitted by this Purchase Agreement shall be cumulative and the exercise by any Party of any remedy provided for herein shall not preclude the assertion or exercise by such Party of any other right or remedy provided for herein.

Notwithstanding anything herein to the contrary, (i) nothing in this Section 11.11 shall prohibit any Party from seeking or obtaining orders for conservatory or interim relief from any court of competent jurisdiction and (ii) each Party hereto agrees that any judgment issued by a Chosen Court may be recognized, recorded, registered or enforced in any jurisdiction in the world and waives any and all objections or defenses to the recognition, recording, registration or enforcement of such judgment in any such jurisdiction.

11.12. Waiver of Jury Trial. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (a) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (b) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (c) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (d) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS PURCHASE AGREEMENT AND EACH TRANSACTION DOCUMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.13. Time of Essence. With regard to all dates and time periods set forth or referred to in this Purchase Agreement, time is of the essence unless such delay is caused by factors outside the control of the Party in which case a reasonable delay shall be granted to the requesting Party.

11.14. Counterparts. This Purchase Agreement may be executed in the original or by facsimile or electronic .pdf in any number of counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same instrument. The exchange of copies of this Purchase Agreement and of signature pages by facsimile transmission or e-mail shall constitute effective execution and delivery of this Purchase Agreement as to the Parties and may be used in lieu of the original Purchase Agreement for all purposes. This OPERATIONS TRANSFER AGREEMENT (this “Agreement”) is made and entered into as of this ____ day of ____, 2024 (the “Execution Date”), by and between _____, a _____ (“Licensee”), and _____, a _____ (“New Operator”).

RECITALS

A. **WHEREAS**, Licensee is the licensed operator of that certain ____-bed skilled nursing facility commonly known as _____, located at _____ (the “Facility”), which is owned by _____ (the “Landlord”) pursuant to a lease between the Licensee and the Landlord (as amended, the “Existing Lease”).

B. **WHEREAS**, CTR Partnership, L.P., a Delaware limited partnership (the “Purchaser”), Licensee and certain affiliates of Licensee have entered into that certain Asset Purchase Agreement, dated as of ____, __ 2024 (as amended, the “Purchase Agreement”), which provides for the sale, assignment and transfer to Purchaser or a Designated Assignee of the Assets, including, without limitation, the operating assets with respect to the Facility and the operations of the Facility. Capitalized terms used and not otherwise defined herein, shall have the meaning ascribed to such terms in the Purchase Agreement;

C. **WHEREAS**, pursuant to the Purchase Agreement, and this Agreement, on the Operations Transfer Date (as defined below), Licensee shall (1) assign all of its rights, title and interests in, to and under the Existing Lease to the New Operator, and (2) transfer all of the Assets and Assumed Liabilities with respect to the Facility to New Operator; and New Operator shall pay, perform, and discharge when due, all the liabilities, obligations and commitments under the Existing Lease and any applicable Resident Agreement, subject to the Purchase Agreement, to the extent, and only to the extent, that relate to or first occur on or after the Operations Transfer Date;

D. **WHEREAS**, New Operator has filed, or will file within thirty (30) days after the Execution Date, its applications for the New Licenses (as defined below) and obtained the Permits for the Facility; and

E. **WHEREAS**, in order to facilitate a transition of operational and financial responsibility from Licensee to New Operator in a manner which will ensure the continued operation of the Facility from and after the Operations Transfer Date in compliance with [the Existing Lease] and applicable Law and in a manner which does not jeopardize the health and welfare of the Residents, Licensee and New Operator hereby document the terms and conditions on the transition of operational and financial responsibility from Licensee to New Operator.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants of the parties set forth herein, it is hereby agreed as follows:

1. Operations Transfer Date. For purposes hereof, the “Operations Transfer Date” shall be (a) in respect of a Facility, the Closing Date or (b) in respect of an Escrow Facility, the date of the Escrow Facility Closing.

2. Condition Precedent. For purposes hereof, the “Condition Precedent” to the transfer of operations shall be that the Closing or Escrow Facility Closing, as applicable, has occurred under the Purchase Agreement.

3. New Licenses and Transition Period.

3.1 New Operator will file, no later than thirty (30) days following the Execution Date, application(s) for a license to operate the Facility (the “New License”) with the [***State of California Department of Public Health / State of Nevada Department of Health and Human Services***] (the “Department”), and shall promptly file with the Department such additional documents as may be required or requested in connection with such application(s). New Operator shall file applications for the Ancillary Permits and Approvals (as defined below) as and when permitted or required under the Laws of the applicable issuing Governmental Authority. New Operator will provide Licensee with proof of its filed applications for the New License promptly after its filing of the application(s) and copies of the filed applications for the New Licenses. New Operator shall diligently proceed to secure the New License and the Ancillary Permits and Approvals and shall (a) from time to time, upon request of Licensee, advise Licensee of the status of New Operator’s efforts to secure the New Licenses and the Ancillary Permits and Approvals, (b) promptly advise Licensee once New Operator has received confirmation of the date on which the New License will be issued, (c) promptly upon receipt of a request therefor from Licensee, provide Licensee with copies of the document(s) evidencing the approval of the New Operator pursuant to [***Section 1253.3(i) of the California Health and Safety Code¹***], and copies of the New License, and (d) provide copies of material correspondence with the Department promptly following receipt. For purposes hereof, “Ancillary Permits and Approvals” shall mean all ancillary permits or licenses required for the operation of the Facility from and after the Operations Transfer Date including, but not limited to, the Medicare tie in notice and Medicaid provider agreement, business licenses, food service permits, elevator permits, vending machine permits, beauty shop licenses and CLIA waivers. Hereinafter, the New Licenses and the Ancillary Permits and Approvals will be collectively referred to as the “Regulatory Approvals.” The parties will use reasonable efforts to cooperate by providing such information necessary for New Operator to file the application for the Regulatory Approvals contemplated under this Section 3.1.

¹ Need to revise subpart (c) for Nevada Facilities.

3.2 To the extent permitted by Law, and subject to the receipt of the New License and the Ancillary Permits and Approvals, effective as of the Operations Transfer Date, New Operator shall have the right to:

(a) bill Medicare using Licensee's Medicare provider number and Licensee's provider and reimbursement agreement (the "Medicare Agreement"); and

(b) bill Medicaid using Licensee's Medicaid provider number and Licensee's provider and reimbursement agreement (the "Medicaid Agreement").

New Operator shall provide all notices and make all necessary filings as required under applicable Law in order for New Operator to become the certified Medicare and Medicaid provider at the Facility. So long as New Operator is utilizing its commercially reasonable efforts to become the certified Medicare and Medicaid provider at the Facility, New Operator shall be permitted to bill under the Medicare Agreement and Medicaid Agreement, utilizing Licensee's Submitter ID and NPI numbers and/or Medicaid provider number, as applicable, during the period (the "Transition Period") that commences on the Operations Transfer Date and that ends on the earlier of (i) in the case of Medicare, the issuance of the Medicare tie-in notice or in the case of Medicaid, the issuance of the new Medicaid number and related provider agreement to New Operator, or (ii) the date which is [REDACTED] following the Operations Transfer Date. If, notwithstanding New Operator's continuing commercially reasonable efforts, the Medicare tie-in notice shall not have been issued or a new Medicaid provider agreement shall not have been issued to New Operator within such [REDACTED] period, as applicable, Licensee, upon New Operator's written request, shall agree to such reasonable extensions of the Transition Period as may be necessary for New Operator to complete the applicable certification process. In no event shall New Operator bill under the Medicare Agreement or Medicaid Agreement following expiration of the Transition Period. New Operator shall indemnify and hold Licensee harmless from and against any and all liabilities arising out of New Operator's use of the Medicare Agreement and/or Medicaid Agreement following the Operations Transfer Date.

3.3 [REDACTED]

[REDACTED]

3.4 During the Transition Period, Licensee shall also allow New Operator, at no out-of-pocket cost or expense to Licensee, to bill and receive reimbursement for goods sold and services rendered at the Facility under its Payor Contracts (as hereinafter defined) while New Operator completes its own contracting process with Third-Party Payors; *provided, however*, nothing herein shall be construed as an assurance whether or to what extent New Operator will have the right, as a matter of law or contract, to bill the Third-Party Payors under Licensee's Payor Contracts. In furtherance and not in limitation of the foregoing, Licensee acknowledges that New Operator may be required to use an outside service provider for purposes of implementing the rights granted to New Operator under this Section 3.3, and New Operator acknowledges that any and all costs and expenses of such outside service provider shall be the sole responsibility of New Operator. Notwithstanding anything to the contrary in the foregoing, Licensee shall not voluntarily terminate any Payor Contracts for the Facility without the prior written consent of New Operator (not to be unreasonably withheld, delayed, or conditioned) and New Operator shall provide Licensee advance notice should it: (a) elect to terminate or not renew any such contract; or (b) become aware of involuntary termination of any such contract. "Payor Contracts" shall mean all contracts with various Third-Party Payors, including those which are specific to the Facility and those which cover the Facility as well as other facilities operated by Licensee's Affiliates; *provided, however*, that the term "Payor Contracts" shall exclude the Medicare Agreement and the Medicaid Agreement. New Operator acknowledges and agrees that in no event will New Operator have the right to assume any of Licensee's Payor Contracts and that New Operator shall be required to obtain the same in its own name. New Operator shall indemnify and hold Licensee harmless from and against any and all liabilities arising out of New Operator's billing arrangements with Third-Party Payors following the Operations Transfer Date.

3.5 If necessary, New Operator and Licensee agree to provide each other, upon reasonable request and in a timely manner, with copies of all Medicare and Medicaid or Third-Party Payor program reimbursement requests pertaining to the Facility submitted to any applicable fiscal intermediary whether before or after the Operations Transfer Date. Each party agrees to take all reasonable steps to assist the other in processing claims and obtaining payments for services rendered under such applicable programs in which the Facility participates (a) in the case of New Operator, from and after the Operations Transfer Date, and (b) in the case of Licensee, prior to the Operations Transfer Date. The party being assisted agrees to reimburse the party rendering assistance for any reasonable documented out-of-pocket expenses incurred by the assisting party in rendering such assistance. In furtherance of the obligations pursuant to this Article 3, the parties agree as follows: (i) Licensee shall provide New Operator current access to Licensee's [REDACTED]

██████████ or applicable EMR vendor, portal access, codes and passwords for all Third-Party Payors which participate in electronic billing so that New Operator may do the billing for the Facility for residential care and services provided throughout the duration of this Agreement; (ii) unless specifically requested by New Operator, Licensee will not do any billing for any residential care and services provided by New Operator; and (iii) neither Licensee nor New Operator shall change any of the access codes without first notifying the other and providing it with the new (updated) access codes.

4. Accounts Receivable.

4.1 Licensee shall retain whatever right, title and interest it may have in and to all outstanding Accounts Receivable with respect to the Facility which relate to periods immediately prior to the Operations Transfer Date, including any Accounts Receivable arising from rate adjustments which relate to a period ending immediately prior to the Operations Transfer Date even if such adjustments occur after the Operations Transfer Date, and including any Medicaid lag payments (collectively, "Licensee's A/R"). Licensee acknowledges that New Operator owns all Accounts Receivable arising from services provided by or at the Facility from and after the Operations Transfer Date (collectively, "New Operator's A/R").

4.2 Payments received by New Operator on and after the Operations Transfer Date from Third-Party Payors shall be handled as follows:

(a) if such payments either specifically indicate on the accompanying remittance advice, or if Licensee and New Operator agree that such payments relate to the period ending immediately prior to the Operations Transfer Date, they shall be forwarded by New Operator to Licensee, along with the applicable remittance advice, within seven (7) Business Days after receipt thereof; and

(b) if such payments indicate on the accompanying remittance advice, or if Licensee and New Operator agree that such payments relate to the period on and after the Operations Transfer Date, they shall be retained by New Operator.

4.3 Payments received by Licensee on and after the Operations Transfer Date from Third-Party Payors shall be handled as follows:

(a) if such payments either specifically indicate on the accompanying remittance advice, or if Licensee and New Operator agree that such payments relate to the period on and after the Operations Transfer Date, they shall be forwarded by Licensee to New Operator, along with the applicable remittance advice, within seven (7) Business Days after receipt thereof; and

(b) if such payments indicate on the accompanying remittance advice, or if Licensee and New Operator agree that they relate to the period ending on or immediately prior to the Operations Transfer Date, they shall be retained by Licensee.

4.4 If such payments indicate on the accompanying remittance advice, or if the Licensee and New Operator agree, that they relate to periods for which both parties are entitled to reimbursement under the terms hereof, the portion thereof which relates to the period prior to the Operations Transfer Date shall be disbursed to or retained by Licensee and the balance shall be retained by or remitted to New Operator, in either case, in accordance with the provisions of Sections 4.2 and 4.3 of this Agreement.

4.5 If the remittance advice indicates or Licensee and New Operator agree that any payment relates to periods both prior to or on and after the Operations Transfer Date, the party receiving the payment shall forward the amount relating to the other party's operation of the Facility, along with the applicable remittance advice, within seven (7) Business Days after receipt thereof. If the remittance advice does not indicate the period to which a payment relates or whether it is for Licensee or New Operator, or if there is no accompanying remittance advice, or the payment is not otherwise identifiable using commercially reasonable efforts, and if the parties do not otherwise agree as to how to apply such payment, then one hundred percent (100%) of such payments received within the first [REDACTED] after the Operations Transfer Date shall be deemed to have been collected in respect of Licensee's A/R due from the payee in respect of services provided prior to the Operations Transfer Date. All such payments received in excess of the amount of Licensee's A/R due from said payee and all such payments received [REDACTED] after the Operations Transfer Date shall be deemed to have been collected in respect of New Operator's A/R from said payee. All such payments received by New Operator but which are deemed to be due to Licensee under this Section 4.5 shall be forwarded by New Operator to Licensee within seven (7) Business Days after receipt thereof, and all such payments received by Licensee but which are deemed to be due to New Operator under this Section 4.5 shall be forwarded by Licensee to New Operator within seven (7) Business Days after receipt thereof. All such payments received by Licensee which are deemed to have been collected in respect to Licensee's A/R shall be retained by Licensee and all such payments received by New Operator which are deemed to have been collected in respect to New Operator's A/R shall be retained by New Operator. New Operator shall pay to Licensee any and all reimbursements including retroactive rate adjustments, appeal settlements and/or Cost Report settlements for all Cost Report periods with fiscal years ended prior to the Operations Transfer Date that it receives after the Operations Transfer Date. If a payor offsets New Operator's A/R due to post-Closing activities or obligations of Licensee, Licensee shall pay such offset amounts to New Operator.

4.6 After the Operations Transfer Date, both Licensee and New Operator shall have the right, and any agent or representative retained by the foregoing shall have the right on behalf of Licensee or New Operator, as applicable, to engage in any commercially reasonable collection activities with respect to any unpaid Licensee's A/R, including private pay amounts.

4.7 To the extent that New Operator or any of its Affiliates receives any mail or packages addressed to Licensee or any of its Affiliates not relating to the Assets or the Assumed Liabilities relating to the Facility, New Operator shall promptly deliver such mail or packages to Licensee. After the Operations Transfer Date, New Operator may deliver to Licensee any checks or drafts made payable to Licensee or its Affiliates that constitutes New Operator's A/R, and Licensee shall promptly deposit or cause to be deposited such checks or drafts and, upon receipt of funds, reimburse New Operator within ten (10) Business Days for the amounts of all such checks

or drafts, or, if so requested by New Operator, endorse such checks or drafts to New Operator for collection. To the extent Licensee or its Affiliates receives any mail or packages addressed to Licensee or its Affiliates but relating to the Assets or the Assumed Liabilities relating to the Facility, Licensee shall promptly deliver such mail or packages to New Operator. After the Operations Transfer Date, to the extent that New Operator receives any cash or checks or drafts made payable to Transferee that constitutes Licensee's A/R, New Operator shall promptly use such cash to, or deposit such checks or drafts and upon receipt of funds from such checks or drafts, reimburse Licensee within ten (10) Business Days for such amount received, or, if so requested by Licensee, endorse such checks or drafts to Licensee for collection. The parties may not assert any set off, hold back, escrow or other restriction against any payment described in this Section 4.7, which includes, for the avoidance of doubt, Licensee's A/R.

4.8 In the event the parties mutually determine that any Third-Party Payors or private pay residents are entitled to a refund of payments, the portion thereof that relates to the period from and after the Operations Transfer Date shall be paid by New Operator and the portion thereof that relates to the period prior to the Operations Transfer Date shall be paid by Licensee to such Third-Party Payor or private pay resident.

4.9 In the event the parties mutually determine that any payment hereunder was misapplied by the parties, the party which erroneously received said payment shall remit the same to the other within seven (7) Business Days after said determination is made.

4.10 Until the earlier of (a) the date that Licensee receives payment of all Licensee's A/R, and (b) [REDACTED] after the Operations Transfer Date, New Operator shall provide Licensee with an accounting before the end of each month setting forth all amounts received by New Operator during the preceding month with respect to the Licensee's A/R.

4.11 For a period of [REDACTED] after the Operations Transfer Date, Licensee shall provide New Operator with an accounting setting forth all amounts received by Licensee during the preceding month with respect to payments from the Residents which are due and owing to the New Operator in accordance with the terms of this Section 4, which accounting shall be accompanied by applicable remittance advices.

4.12 For a period of [REDACTED] after the Operations Transfer Date, Licensee and New Operator shall have the right to request an inspection, no more frequently than once per month, all cash receipts of the other party. Such inspection shall occur during weekday business hours on reasonable prior written notice in order to confirm such party's compliance with the obligations imposed on it under this Section 4.

4.13 [REDACTED]

4.14 New Operator and Licensee acknowledge that the Facility may be entitled to payments made under the Workforce & Quality Incentive Program (Welfare and Institutions Code section 14126.024) (“WQIP Payments”) attributable to qualifying Medi-Cal days occurring prior to and after the Closing. For purposes of this Section 4.14, all WQIP Payments attributable to services rendered on and after the Operations Transfer Date shall be for the account of New Operator, and all WQIP Payments attributable to services rendered before the Operations Transfer Date shall be for the account of Licensee. WQIP Payments shall be apportioned between New Operator and Licensee in proportion to the number of qualifying Medi-Cal days for which each provided care, multiplied by the relevant Facility’s per day payment rate as determined by DHCS. All WQIP Payments belonging to (a) Licensee that are received by New Operator shall be remitted to Licensee by New Operator or (b) New Operator that are received by Licensee shall be remitted to New Operator by Licensee, in each case, within ten (10) days of receipt.

4.15 Licensee hereby covenants and agrees that they will reasonably cooperate with New Operator in obtaining accounts receivable financing for the Facility, if New Operator elects to do so. In connection therewith, each of Licensee and New Operator hereby agree that they shall use their commercially reasonable efforts to enter into an agreement between Licensee’s accounts receivable lender and New Operator’s accounts receivable lender addressing the collection and disbursement of any New Operator’s A/R deposited into any of Licensee’s bank accounts, which agreement shall be in such form acceptable to Licensee, New Operator and each of their respective accounts receivable lender.

5. Transfer of Resident Funds. To the extent permitted by applicable Law, at the Operations Transfer Date, Licensee shall deliver to New Operator (a) all Resident Trust Funds then held by Licensee with respect to the Residents at the Facility, (b) original copies of the trust fund records of the Resident Trust Funds for the Facility, and (c) a written statement that sets forth the Resident Trust Funds for the Facility as of the Operations Transfer Date (with no negative balances). Within ten (10) Business Days following the Operations Transfer Date, or as soon as reasonably able thereafter, Licensee shall prepare and deliver to New Operator a true, correct and complete accounting, properly reconciled and balanced, of the Resident Trust Funds as of the Operations Transfer Date. Licensee shall transfer such the Resident Trust Funds for the Facility to a bank account designated by the New Operator and the New Operator shall, in writing, acknowledge receipt of and expressly assume Licensee’s financial and custodial obligations with respect thereto. In furtherance of the above, it is acknowledged and agreed that after the Operations Transfer Date, New Operator will manage Licensee’s Resident Fund Management Service account (“RFMS Account”) until such time as New Operator has its own RFMS Account, but in no event longer than four (4) months following the Operations Transfer Date. Licensee and New Operator will use commercially reasonable efforts to cooperate in New Operator’s management of

Licensee's RFMS Account, including (without limitation) (i) coordinating requisite access for New Operator to Licensee's RFMS Account, (ii) Licensee creating and processing applicable refunds of Resident Trust Property for any Residents discharged prior to the Operations Transfer Date, and (iii) New Operator providing monthly reconciliation reports to Licensee.

6. Cost Reports.

6.1 Licensee shall prepare and file its final Medicare and Medicaid Cost Reports covering its operation of the Facility through the Operations Transfer Date as soon as reasonably practicable after the Operations Transfer Date, but in no event later than the date on which such final Cost Report is required to be filed by applicable Law under the terms of the Medicare and/or Medicaid program, and will provide the fiscal intermediary, CMS or applicable Medicaid agency with any information needed to support claims for reimbursement made by Licensee either in said final Cost Report or in any Cost Reports filed for prior cost reporting periods. Simultaneously with such filing, Licensee shall provide New Operator with a copy of the final Medicare and Medicaid Cost Reports and such supporting documentation reasonably requested by New Operator in writing.

6.2 Licensee and New Operator shall comply with all patient identity and information protection Laws in providing information under this Section 6.

6.3 In the event that, following the Operations Transfer Date, New Operator or any of its Affiliates suffers any offsets against reimbursement under any Third-Party Payor or reimbursement programs owed to such party relating to amounts owing under any such program by Licensee or any of its Affiliates for services rendered prior to the Operations Transfer Date, Licensee shall reasonably promptly upon written demand from New Operator pay to New Operator the amounts so billed or offset, even if Licensee appeals the adverse claim. To the extent that Licensee is successful in any appeal of any adverse audit adjustments, overpayment, recoupment, fine, penalty, late charge or assessment by any Third-Party Payor or reimbursement program accruing for any period ending on or prior to the Operations Transfer Date, and New Operator or its Affiliates receive any monies from a Third-Party Payor or reimbursement program as a result of Licensee's successful appeal, then New Operator and/or its Affiliates agree that it will promptly refund to Licensee any amounts previously paid by Licensee to New Operator for any reimbursement offsets in accordance with the preceding sentence.

7. Employees.

7.1 Shortly after the Execution Date, Licensee shall provide a list of employees of the Facility to the New Operator (the "Facility Employee List"). At least ten (10) days prior to the Operations Transfer Date, Licensee shall update the Facility Employee List to reflect new hires and terminations of employment that occurred after the Execution Date. The list of employees

shall include all persons employed by Transferor at any Facility; *provided*, that it need not list the administrator or directors of nursing.

7.2 Not less than five (5) days prior to the Operations Transfer Date, New Operator shall (or shall cause one of its Affiliates to) offer in writing employment to all employees of Licensee (other than administrators, directors of nurses, or employees whose principal worksite is the Resource Centre in Aliso Viejo), effective as of the Operations Transfer Date (and subject to such employee's continued employment with Licensee as of immediately prior to the Operations Transfer Date), on the terms and conditions set forth in this Section 7.2. Employees who accept New Operator's (or its Affiliate's) offers of employment and commence employment with New Operator are referred to herein as "New Operator Employees." The employment of each New Operator Employee shall be effective as of the Operations Transfer Date. Nothing contained in this Agreement shall constitute a guaranty of employment or continued employment of any kind for any current or former employee of Licensee, whether or not such employee is hired by New Operator.

7.3 New Operator's or its Affiliate's offer of employment to New Operator Employees pursuant to Section 7.2 above shall commence at the Operations Transfer Date, such that those New Operator Employees shall not experience a period of unemployment in connection with the transactions contemplated herein.

7.4 Except as otherwise required by Law, Licensee shall pay the employees at the Facility in accordance with its standard payroll practice, all earned wages due and payable as of the Operations Transfer Date (irrespective of the termination of employment contemplated to occur as of the Operations Transfer Date), and any severance, retention bonus or other change in control payment payable to any New Operator Employee that becomes due or owed as a result of the consummation of the transactions contemplated by this Agreement and the Purchase Agreement. In accordance with applicable Laws and provided that such payment is consistent with Licensee's applicable policies, Licensee shall on the Operations Transfer Date pay to the New Operator Employees an amount equal to one hundred percent (100%) of the New Operator Employees' paid time off, personal leave, sick days and vacation benefits as of the Operations Transfer Date.

7.5 Except for those employees employed under a Collective Bargaining Agreement, all New Operator Employees hired by New Operator who accept and commence employment with New Operator following the Operations Transfer Date shall be employed by New Operator on an "at will" basis; *provided*, that, during the first sixty (60) days following the Operations Transfer Date, no employee shall suffer termination without cause or any reduction in wages, benefits or other terms and conditions of employment, economic or otherwise in accordance with section 1267.62 of the California Health and Safety Code.² New Operator shall initially employ New Operator Employees on the following terms and conditions in such manner as not to trigger WARN Act liability: (i) comparable base salary or rates of pay as in effect immediately prior to the Operations Transfer Date, and (ii) employee benefits that are comparable in the aggregate to the benefits that are provided by Licensee to its employees under the Plans at

² **Note to Draft:** The proviso clause should only be in the CA OTAs.

the Facility. In furtherance and not in limitation of the foregoing, New Operator shall treat prior service with Licensee as service with New Operator for purposes of determining eligibility to receive and participate in all benefits programs maintained by New Operator. All New Operator Employees who are employed under a Collective Bargaining Agreement and accept and commence employment with New Operator shall continue to be employed in accordance with the terms and conditions of such Collective Bargaining Agreements following the Operations Transfer Date, and New Operator shall assume and comply with the terms and conditions of such Collective Bargaining Agreements. This Agreement shall not create and shall not be deemed to create or grant to any New Operator Employee any third-party beneficiary rights or claims or any cause of action of any kind or nature. New Operator shall indemnify, defend and hold Licensee harmless from and against any claim, cost or liability arising under the WARN Act or Section 1267.62 of the California Health and Safety Code as a result of New Operator's failure to offer employment to any employee of Licensee as required by this Agreement.

7.6 New Operator shall be responsible for any and all liabilities arising out of or with respect to any New Operator Employee arising with respect to employment by New Operator on or after the Operations Transfer Date or attributable to events or circumstances occurring on or after the Operations Transfer Date.

7.7 The parties acknowledge and agree that all provisions contained in this Section 7 with respect to employees are included for the sole benefit of the respective parties and shall not create any right (i) in any other Person, including any employees, former employees, any participant in any Plan or New Operator Plan (as defined below) or any beneficiary thereof, or (ii) to continued employment with Licensee or New Operator, or particular benefits or coverage in any Plan or New Operator Plan. For the avoidance of doubt, (A) the provisions of this Section 7 shall not constitute an amendment to any Plan or New Operator Plan, and (B) in no event shall any employee, former employee, any participant in any Plan or New Operator Plan or any beneficiary thereof or any other Person described herein be a third-party beneficiary for purposes of this Agreement.

7.8 On and after the Operations Transfer Date, New Operator shall provide New Operator Employees who accept employment with New Operator, as well as eligible dependents of such employees (collectively, with the New Operator Employees, "Affected Participants") the opportunity to participate in the applicable employee benefit plans, programs or policies maintained or established by New Operator that are comparable to the plans and benefits New Operator or its Affiliates provide at its other skilled nursing facility operations (each, a "New Operator Plan"), which may include medical, dental, vision, and/or any other applicable group medical plan, program, insurance coverage or arrangement.

7.9 Licensee has included, as part of Schedule 7.2 hereto, a list of all foreign nationals employed at the Facility who are working under a visa or other work authorization. To the best of Licensee's knowledge after appropriate inquiry: (i) all foreign workers have provided to Licensee copies of valid identity and work authorization documents, (ii) no such work authorizations have expired or been revoked, and (iii) Licensee has in its possession original I-9 forms and copies of valid supporting documentation for all of Licensee's employees.

7.10 Licensee represents that it has submitted to CMS, or will submit to CMS prior to the Operations Transfer Date, prior to any deadlines set by CMS applicable to such filing, all Payroll-Based Journal (“PBJ”) data related to the period of time beginning on July 1, 2016 and ending on the Operations Transfer Date in accordance with Section 6106 of the Affordable Care Act (ACA) and related regulations. Within ten (10) days following the Operations Transfer Date, Licensee shall deliver to New Operator either (i) the PBJ Acceptance Report received by Licensee upon successful submission of PBJ data, or (ii) the raw data file submitted by Licensee, in either case covering the six (6) month period of time ending on the Operations Transfer Date. In the event Licensee fails to timely, accurately and completely submit any PBJ data for the Facility prior to any applicable deadline, New Operator shall have the right but not the responsibility, to prepare, file, complete, correct and otherwise process, at Licensee’s expense, such PBJ submissions in Licensee’s name and on its behalf. If New Operator elects to prepare, file, complete, correct and/or process any such submission, it shall do so without any legal liability for any errors or omissions therein, and Licensee hereby forever releases, waives, and discharges New Operator from any liability, known or unknown, for its handling of any submission hereunder. Upon request of New Operator, Licensee shall promptly deliver to New Operator, in the format requested by New Operator, any information necessary for New Operator to submit PBJ data for the Facility to CMS prior to the deadline applicable to any such submission.

8. Records. From and after the Operations Transfer Date, New Operator shall allow Licensee and its Affiliates, agents and representatives: (a) to have reasonable access to (upon reasonable notice and during normal business hours), and to make copies of the Current Records with respect to the Facility (at Licensee’s expense), to the extent reasonably necessary to enable Licensee to, among other things, investigate and defend malpractice, employee or other claims, to support medical review requests from Medicare or Medicaid, to support Medicare and Medicaid claims appeals, to file or defend Cost Reports and/or Tax Returns, to complete/revise, as needed, any patient assessments which may be required for Licensee to seek reimbursement for services rendered prior to the Operations Transfer Date and to enable Licensee to complete, in accordance with Licensee’s policies and procedures, any and all post-Operations Transfer Date accounting, reconciliation and closing procedures including, but not limited to, a month end close out of all accounts including, but not limited to, accounts payable and Medicare and Medicaid billing and (b) reasonable access to the Current Records, including access to the Facility, in order to collect and bill Licensee’s A/R until such time as Licensee’s A/R has been completely collected. Likewise, from and after the Operations Transfer Date, Licensee shall allow New Operator and its agents reasonable access to (upon reasonable notice and during normal business hours) the records of Licensee that are not transferred to New Operator in accordance with this Purchase Agreement, but only to the extent New Operator reasonably requires such access in connection with accounting, billing, Tax filings or securities filings, Medicare and/or Medicaid filings and appeals. New Operator agrees not to use or disclose any of the information obtained from Licensee except solely for the purposes described herein, and further agrees to maintain this information as confidential in accordance with Section 6.5(b) of the Purchase Agreement. Licensee agrees not to use or disclose any of the information of the Current Records except solely for the purposes

described herein, and further agrees to maintain this information as confidential in accordance with Section 6.5(b) of the Purchase Agreement.

Licensee shall reasonably cooperate to transfer its accounts receivable data, patient care data and payroll data in electronic form to New Operator on or before the Operations Transfer Date. Licensee agrees to reasonably cooperate with New Operator in transferring such information and shall allow, to the extent such temporary arrangement is permissible under Licensee's vendor contracts, New Operator to use Licensee's [REDACTED] and [REDACTED] systems and accounts for a period up to 30 days after the Operations Transfer Date for accounts receivable collections and patient care maintenance.

10. Further Assurances. Each of the parties hereto agrees to, at the reasonable request of the other party and subject to any limitations set forth in the Purchase Agreement (including limitations set forth in Section 6.8 thereof) execute and deliver any and all further agreements, documents or instruments reasonably necessary to effectuate this Agreement and the transactions referred to herein or contemplated hereby or reasonably requested by the other party to perfect or evidence its rights hereunder.

2.1 Permitted Uses. BA shall not use or disclose Protected Information except for the

Further, BA shall not use or disclose Protected Information in any manner that would constitute a violation of the Privacy Rule or the HITECH Act if so used by CE. However, BA may use Protected Information (a) for the proper management and administration of BA, or (b) to carry out the legal responsibilities of BA. BA may disclose Protected Health Information for the foregoing purposes if (i) the disclosure is required by law; or (ii) BA obtains, prior to making any such disclosure, (a) reasonable written assurances from such third party that such Protected Information will be held confidential as provided pursuant to this Addendum and only disclosed as required by law or for the purposes for which it was disclosed to such third party, and (b) a written agreement from such third party to immediately notify BA of any breaches of confidentiality of the Protected Information, to the extent it has obtained knowledge of such breach [42 U.S.C. 2.2 Notice of Request for PHI. BA agrees to notify CE within two (2) business days (as defined in the Agreement) of receipt of any request, subpoena or other legal process to obtain PHI or an accounting of PHI. CE in its discretion shall determine whether BA may disclose PHI pursuant to such request, subpoena, or other legal process. BA agrees to cooperate fully with CE in any legal challenge initiated by CE in response to such request, subpoena, or other legal process. The provisions of this Section 2.2 shall survive the termination of this Addendum.

2.3 Prohibited Uses and Disclosures. BA shall not use or disclose Protected Information for fundraising or marketing purposes. BA shall not disclose Protected Information to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates 42 U.S.C. Section 17935(a). BA shall not directly or indirectly receive remuneration in exchange for Protected Information, except with the prior written consent of CE and as permitted by the HITECH Act, 42 U.S.C. Section 17935(d)(2); *however*, this prohibition shall not affect payment by CE to BA for services provided pursuant to the Agreement.

2.4 Appropriate Safeguards. BA shall implement appropriate safeguards as are necessary to prevent the use or disclosure of Protected Information otherwise than as permitted by the Agreement or this Addendum, including, but not limited to, administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the Protected Information, in accordance with 45 C.F.R. Section 164.308(b). BA shall comply with the policies and procedures and documentation requirements of the HIPAA Security Rule, including, but not limited to, 45 C.F.R. Section 164.316 [42 U.S.C. Section

17921; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.R.R. Section 164.308(b)].

2.6 Business Associate's Agents. BA shall ensure that any agents, including subcontractors, to whom it provides Protected Information, agree in writing to the same restrictions and conditions that apply to BA with respect to such PHI. If BA creates, maintains, receives or transmits electronic PHI on behalf of CE, then BA shall implement the safeguards required by Section 2.4 above with respect to Electronic PHI [45 C.F.R. Section 164.504(e)(2)(ii)(D); 45 C.F.R. Section 164.308(b)]. 2.7 Access to Protected Information. BA shall make Protected Information maintained by BA or its agents or subcontractors available to CE for inspection and copying within ten (10) days of a request by CE to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. 2.8 Amendment of PHI. Within ten (10) days of receipt of a request from CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA or its agents or subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment to enable CE to fulfill its obligation under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. If any individual requests an amendment of Protected Information directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request. Any approval or denial of amendment of Protected Information maintained by BA or its agents or subcontractors shall be the responsibility of CE [45 C.F.R. Section 164.504(e)(2)(ii)(F)].

2.9 Accounting Rights. Within ten (10) days of notice by CE of a request for an accounting for disclosures of Protected Information or upon any disclosure of Protected Information for which CE is required to account to an individual, BA and its agents or subcontractors shall make available to CE the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.528, and the HITECH Act, including but not limited to 42 U.S.C. Section 17935(c), as determined by CE. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. At a minimum, the information collected and maintained shall include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure. In the event that the request for an accounting is delivered directly to BA or its agents or subcontractors, BA shall within five (5) days of a request forward it to CE in writing. It shall be CE's

responsibility to prepare and deliver any such accounting requested. The provisions of this Section 2.9 shall survive the termination of this Agreement.

2.10 Governmental Access to Records. BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the “Secretary”) for purposes of determining BA’s compliance with the Privacy Rule [45 C.F.R. Section 164.504(e)(2)(ii)(H)]. BA shall provide to CE a copy of any Protected Information that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

2.11 Minimum Necessary. BA (and its agents or subcontractors) shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the purpose of the request, use or disclosure [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)(3)]. BA understands and agrees that the definition of “minimum necessary” is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes “minimum necessary.”

2.12 Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.

2.13 Business Associate’s Insurance. BA shall maintain a sufficient amount of insurance to adequately address risks associated with BA’s use and disclosure of Protected Information under this Addendum.

2.14 Notification of Breach. During the term of the Agreement, BA shall notify CE within twenty-four (24) hours of (i) any security incident, (ii) any use or disclosure of PHI not provided for by the Agreement or this Addendum, and (iii) any suspected or actual breach of security, intrusion or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take (i) prompt corrective action to cure any such deficiencies and to mitigate any harmful effect of a use or disclosure of PHI and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

2.15 Audits, Inspection and Enforcement. Within ten (10) days of a written request by CE, BA and its agents or subcontractors shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether BA has complied with this Addendum; *provided, however*, that (a) BA and CE shall mutually agree in advance upon the scope, timing and location of such an inspection, (b) CE shall protect the confidentiality of all confidential and proprietary information of BA to which CE has access during the course of such inspection; and (c) CE shall execute a nondisclosure agreement, upon terms mutually agreed upon by the parties, if requested by BA. The fact that CE inspects, or fails to inspect, or has the right to inspect, BA’s facilities, systems, books, records, agreements, policies and procedures does not relieve

BA of its responsibility to comply with this Addendum, nor does CE's (i) failure to detect or (ii) detection, but failure to notify BA or require BA's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under the Agreement or Addendum, BA shall notify CE within ten (10) days of learning that BA has become the subject of an audit, compliance review, or complaint investigation by the Office for Civil Rights.

3. TERMINATION

3.1 Material Breach. A material breach by BA of any provision of this Addendum, as determined by CE in its good faith and reasonable discretion, shall constitute a material breach of the Agreement and shall provide grounds for immediate termination of the Agreement, any provision in the Agreement to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii)].

3.2 Judicial or Administrative Proceedings. CE may terminate the Agreement, effective immediately, if (a) BA is named as a defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (b) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

3.3 Termination. This Agreement will automatically terminate upon the termination of the Purchase Agreement (as defined in the Agreement) or the Agreement, whichever is sooner.

3.4 Effect of Termination. Upon termination of the Agreement or this Addendum for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections of Section 2 of this Addendum to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible [45 C.F.R. Section 164.504(e)(ii)(2)(I)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed.

4. MISCELLANEOUS

4.1 Notices. Any notice, demand or communication required, permitted or desired to be given hereunder shall be in writing and shall be delivered in accordance with the terms and provisions of Section 11 of the Agreement with CE as Licensee and BA as New Operator.

4.2 Limitation of Liability. Any limitations of liability as set forth in the Agreement shall not apply to damages related to a breach of the BA's privacy or security obligations under the Agreement or Addendum.

4.3 Disclaimer. CE makes no warranty or representation that compliance by BA with this Addendum, HIPAA, the HITECH Act, or the HIPAA Regulations will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4.4 Certification. To the extent that CE determines that such examination is necessary to comply with CE's legal obligations pursuant to HIPAA relating to certification of its security practices, CE or its authorized agents or contractors, may, at CE's expense, examine BA's facilities, systems, procedures and records as may be necessary for such agents or contractors to certify to CE the extent to which BA's security safeguards comply with HIPAA, the HITECH Act, the HIPAA Regulations or this Addendum.

4.5 Amendment to Comply with Law. The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule and other applicable laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Addendum embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule or other applicable laws. CE may terminate the Agreement upon thirty (30) days' written notice in the event (a) BA does not promptly enter into negotiations to amend the Agreement or Addendum when requested by CE pursuant to the preceding sentence, or (b) BA does not enter into an amendment to the Agreement or Addendum providing assurances regarding the safeguarding of PHI that CE, in its reasonable and good faith discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

4.6 Assistance in Litigation or Administrative Proceedings. BA shall make itself, and any subcontractors, employees or agents assisting BA in the performance of its obligations under the Agreement or Addendum, available to CE, at no cost to CE, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers or employees based upon a claimed violation of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule, or other laws relating to security and privacy, except where BA or its subcontractor, employee or agent is a named adverse party.

4.7 No Third-Party Beneficiaries. Nothing express or implied in the Agreement or this Addendum is intended to confer, nor shall anything herein confer, upon any person other than CE, BA and their respective successors or assigns, any rights, remedies, obligations or

liabilities whatsoever.

4.8 Effect on Agreement. Except as specifically required to implement the purposes of this Addendum, or to the extent inconsistent with this Addendum, all other terms of the Agreement shall remain in force and effect.

4.9 Interpretation. The provisions of this Addendum shall prevail over any provisions in the Agreement that may conflict or appear inconsistent with any provision in this Addendum. This Addendum and the Agreement shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the Privacy Rule and the Security Rule. The parties agree that any ambiguity in this Addendum shall be resolved in favor of a meaning that complies and is consistent with HIPAA, the HITECH Act, the Privacy Rule and the Security Rule.

4.10 Replaces and Supersedes Previous Business Associate Addendums or Agreements. This Addendum replaces and supersedes any previous business associate addendums or agreements between the parties hereto.

4.11 Counterparts. This Addendum may be executed and delivered via facsimile and in one or more counterparts and all such counterparts taken together shall constitute a single original agreement. Executed copies of this Addendum may be delivered by telecopier, email, DocuSign or other electronic means and upon receipt will be deemed originals and binding upon the parties hereto, regardless of whether originals are delivered thereafter.
