# Total Health Care Expenditures Data Submission Guide

## OHCA Behavioral Health Addendum

April 2026

Table of Contents

| Table                                       | Page |
|---------------------------------------------|------|
| Diagnosis Codes                             | 3    |
| Screenings & Assessments                    | 89   |
| Medi-Cal Only Services for Members Under 21 | 91   |
| Service Subcategories                       | 93   |
| National Drug Codes                         | 96   |
| Service Codes                               | 652  |
| Care Setting Codes                          | 684  |

DRAFT

Behavioral Health Diagnosis Codes

| Code   | Conditions                                                                                                       | Categories | MH / SUD |
|--------|------------------------------------------------------------------------------------------------------------------|------------|----------|
| F01    | Vascular dementia                                                                                                | Dementia   | MH       |
| F015   | Vascular dementia, unspecified severity                                                                          | Dementia   | MH       |
| F0150  | Vascular dementia, unspecified severity, disturbance, mood disturbance, and anxiety                              | Dementia   | MH       |
| F0151  | Vascular dementia with behavioral disturbance                                                                    | Dementia   | MH       |
| F01511 | Vascular dementia, unspecified severity, with agitation                                                          | Dementia   | MH       |
| F01518 | Vascular dementia, unspecified severity, with other behavioral disturbance                                       | Dementia   | MH       |
| F0152  | Vascular dementia, unspecified severity, with psychotic disturbance                                              | Dementia   | MH       |
| F0153  | Vascular dementia, unspecified severity, with mood disturbance                                                   | Dementia   | MH       |
| F0154  | Vascular dementia, unspecified severity, with anxiety                                                            | Dementia   | MH       |
| F01A   | Vascular dementia, mild                                                                                          | Dementia   | MH       |
| F01A0  | Vascular dementia, mild, disturbance, mood disturbance, and anxiety                                              | Dementia   | MH       |
| F01A1  | Vascular dementia, mild, with behavioral disturbance                                                             | Dementia   | MH       |
| F01A11 | Vascular dementia, mild, with agitation                                                                          | Dementia   | MH       |
| F01A18 | Vascular dementia, mild, with other behavioral disturbance                                                       | Dementia   | MH       |
| F01A2  | Vascular dementia, mild, with psychotic disturbance                                                              | Dementia   | MH       |
| F01A3  | Vascular dementia, mild, with mood disturbance                                                                   | Dementia   | MH       |
| F01A4  | Vascular dementia, mild, with anxiety                                                                            | Dementia   | MH       |
| F01B   | Vascular dementia, moderate                                                                                      | Dementia   | MH       |
| F01B0  | Vascular dementia, moderate, disturbance, mood disturbance, and anxiety                                          | Dementia   | MH       |
| F01B1  | Vascular dementia, moderate, with behavioral disturbance                                                         | Dementia   | MH       |
| F01B11 | Vascular dementia, moderate, with agitation                                                                      | Dementia   | MH       |
| F01B18 | Vascular dementia, moderate, with other behavioral disturb                                                       | Dementia   | MH       |
| F01B2  | Vascular dementia, moderate, with psychotic disturbance                                                          | Dementia   | MH       |
| F01B3  | Vascular dementia, moderate, with mood disturbance                                                               | Dementia   | MH       |
| F01B4  | Vascular dementia, moderate, with anxiety                                                                        | Dementia   | MH       |
| F01C   | Vascular dementia, severe                                                                                        | Dementia   | MH       |
| F01C0  | Vascular dementia, severity disturbance, mood disturbance, and anxiety                                           | Dementia   | MH       |
| F01C1  | Vascular dementia, severity with behavioral disturbance                                                          | Dementia   | MH       |
| F01C11 | Vascular dementia, severity with agitation                                                                       | Dementia   | MH       |
| F01C18 | Vascular dementia, severity with other behavioral disturbance                                                    | Dementia   | MH       |
| F01C2  | Vascular dementia, severity with psychotic disturbance                                                           | Dementia   | MH       |
| F01C3  | Vascular dementia, severity with mood disturbance                                                                | Dementia   | MH       |
| F01C4  | Vascular dementia, severity with anxiety                                                                         | Dementia   | MH       |
