

REVISION RECORD FOR THE STATE OF CALIFORNIA SUPPLEMENT

July 1, 2014

2013 Title 24, Part 11, California Green Building Code

**PLEASE NOTE: The date of this supplement is for identification purposes only.
See the History Note Appendix for the adoption and effective dates of the provisions.**

It is suggested that the section number, as well as the page number be checked when inserting this material and removing the superseded material. In case of doubt, rely on the section numbers rather than the page numbers because the section numbers must run consecutively.

It is further suggested that the superseded material be retained with this revision record sheet so that the prior wording of any section can be easily ascertained.

Please keep the removed pages with this revision page for future reference.

Note

Due to the fact that the application date for a building permit establishes the California Building Standards Code provisions that are effective at the local level, which apply to the plans, specifications, and construction for that permit, it is strongly recommended that the removed pages be retained for historical reference.

Part 11

Remove Existing Pages

193 and 194

Insert Blue Pages

Item No. 5570S132

HISTORY NOTE APPENDIX CALIFORNIA GREEN BUILDING STANDARDS CODE

(Title 24, Part 11, California Code of Regulations)

For prior history, see the History Note Appendix to the *California Green Building Standards Code*, 2010 Edition, effective January 1, 2011.

1. (BSC 07/12, HCD 04/12, DSA-SS 06/12, CEC 01/12) Repeal, amend and add provisions in the 2013 *California Green Building Standards Code* for residential, nonresidential and public school buildings. Effective on January 1, 2014.
2. Errata to correct editorial errors within the preface, Chapters 4 and 5, Appendices A5 and A6.1 and the Index of this code. Effective January 1, 2014.
3. (CEC 01/12) A delayed effective date for the energy based provisions within the 2013 *California Green Building Standards Code* was approved at the April 22, 2014 California Building Standards Commission meeting. The new effective date for the energy based provisions of the 2013 *California Green Building Standards Code* is July 1, 2014.

Testing for the 2013 California Codes Begins January 1, 2014

The new California Codes are the path to building a safe, sustainable, and resilient California—an ICC Certification in the 2013 codes demonstrates your commitment to this mission. If you need help preparing, ICC sells reference materials at shop.iccsafe.org

Don't forget, ICC also offers National Special Inspector Certifications in seven categories:

- Reinforced Concrete
- Structural Masonry
- Spray-applied Fireproofing
- Prestressed Concrete
- Soils
- Structural Steel and Bolting
- Structural Welding

Learn more about the Special Inspector exams or see a list of all ICC National Certification exams at www.iccsafe.org/exams
