Dear California State Partner:

We are writing to you as our valued California state partner to share that the BrightSpring Health Services, the parent company, of ResCare Community Living, has announced that it has entered into a definitive agreement with National Mentor Holdings, Inc., whose corporate brand is Sevita, to sell the intellectual and developmental disabilities (IDD) portion of its business.

The Sevita family of companies have deep industry expertise and more than 50 years of direct experience providing specialized health care to populations in need. As National Mentor Healthcare, d/b/a California Mentor; REM California; Loyd's Liberty Homes; Cornerstone Living Skills; First Step Independent Living Program; Horrigan Cole Enterprises; Unlimited Quest; California Mentor Family Home Agency & Institute for Family Centered Services are all existing providers in California you are most likely familiar with their services. Sevita shares Community Living's mission and values, and the IDD team looks forward to leveraging the company's complementary capabilities, resources and scale to deliver against established strategic priorities and provide even more people with the support they need to live their best lives.

This transaction is a stock purchase, thus services, staffing, the provider number(s), legal entities, NPI numbers and FEINs of Alternative Choices, Inc.; J&J Care Centers, Inc.; Normal Life of California, Inc.; Res-Care California, Inc.; Rockcreek, Inc.; RSCR California, Inc.; and RSCR Inland, Inc., will remain intact and unchanged. As a result, agreements and licenses in place currently remain unaffected following closing of the transaction.

As this is a multi-state transaction, we expect closing to occur later in 2025 dependent on timing of certain regulatory filings and approvals. Until that time, BrightSpring and Community Living will be working closely with Sevita's leadership team to develop an integration plan that minimizes disruption. We will keep you apprised of our progress against all relevant milestones leading up to transaction close. In the meantime, a copy of the press release issued by BrightSpring is included.

Should you require any further information to effect this change of equity holder as it pertains to your relationship with Alternative Choices, Inc.; J&J Care Centers, Inc.; Normal Life of California, Inc.; Res-Care California, Inc.; Rockcreek, Inc.; RSCR California, Inc.; and RSCR Inland, Inc., please contact either: [Claire.Williamson@sevitahealth.com](mailto:Claire.Williamson@sevitahealth.com) or [Mary.Rodenberg-Roberts@sevitahealth.com](mailto:Mary.Rodenberg-Roberts@sevitahealth.com)

On behalf of ResCare thank you for your ongoing support and valued partnership. I have every confidence that Sevita is the right partner for ResCare's next chapter. Thank you for the trust you have placed in our organization.

Your assistance and support as we enter into this exciting transaction partnership is most appreciated.

Sincerely,
