Definitions:

Family Nurse Practitioner: An advance practice registered nurse that has graduated from a family nurse practitioner training program and is certified as a nurse practitioner by the California Board of Registered Nursing.
 Physician Assistant: A physician assistant is a primary care practitioner who meets the Div. 2, Ch. 7.7, Section 3501 of Business and Professions Code requirements, and is licensed by the Physician Assistant Board.

Recommended Award Methodology: 50 percent minimum of total maximum points

1. Exclude programs with incomplete applications.
2. Assign average score for Sections 1.1, 1.2, 2.1, and 2.3 to programs with no data available.
3. Arrange Total Score from highest to lowest score.
4. Award zero slots to programs with less than 50 percent of total maximum points.
5. Divide remaining number of applicants by five.
6. Award top quintile maximum award based on program size.
7. Award second and third quintiles 75 percent of maximum award based on program size.
8. Award remaining programs 50 percent of maximum award based on program size until funds are exhausted.
9. Round up half slots.
10. Commission adjusted quintiles to develop finalized award recommendations.

Legend:

- Q1.1: Percent and number of graduates in areas of unmet need.
 Q1.2: Percent and number of underrepresented minority graduates.
 Q1.3: Percent and number of clinical training sites in areas of unmet need.
 Q2.1: Percent and number of underrepresented minority students.
 Q2.2: Percent of clinical hours in areas of unmet need (AUN).
 Q2.3: Does the program have an 85% or better first-time pass rate on the American Nurses Credentialing Center (ANCC), American Association of Nurse Practitioners (AANP), or the Physician Assistant National Certifying Exam (PANCE) national certifying exams?
