

Advisory Committee
April 22, 2021
Reference Materials

From March 2019 to February 2020 OSHPD convened a Review Committee comprised of health care stakeholders and experts who advised OSHPD on the establishment, implementation, sustainability, and ongoing administration of the Health Care Payments Database. The Review Committee unanimously approved 36 recommendations that were included in an [OSHPD report](#) to the Legislature, released March 9, 2020.

Below you will find relevant materials and meeting minutes from past Review Committee meetings that provide the foundation for this month’s Advisory Committee Meeting. Please note the recommendations as written in the slide deck was the initial writing of the recommendations. The final wording of the recommendations is captured in the first link “HPD Review Committee Final Recommendations.”
