HPD Implementation Update

- Hiring HPD Program staff
- Expanding and optimizing OSHPD IT environment
- APCD Platform procurement in progress
- Master Index development underway
- 2018 and 2019 Vital Statistics data acquired from CDPH
- 2018 and 2019 Medicare FFS Data acquired from CMS
- Receiving federal reimbursements for HPD System costs

Progress on Submitter Outreach

- Launched the [HPD Submitter Webpage](#) as a resource for data submitters
- Hosted first Submitter Group Meeting July 15
- OSHPD has met with 17 health plans and insurers
 - We have identified 22 plans
 - Introductory meetings to be followed up by more in-depth technical meetings focused on the APCD –CDL™ Version 2.0
- OSHPD has met with the 5 largest public self-insured entities and is developing a plan with those entities on how the data will flow into the HPD System.

Next Steps for Submitter Outreach

- Continued 1:1s with health plans and insurers
 - Getting feedback on data flow, data elements and continuing to build collaborative relationships with data submitters
- Broadening outreach to additional public self-insured entities, Pharmacy Benefit Managers, and Behavioral Health Organizations
- Ongoing quarterly Submitter Group meetings
