Over the years, the V2V Program has developed and grown to meet our Veteran business leaders' needs. The V2V program continues to update the curriculum with our partner Leah Nelson (DVBE) of Nelson Leadership. This program is to help guide the established Veteran business owner in assessing their business for strategic growth and success.

- One-on-one Business Coaching
- Peer-group Sessions

- Corporate Introductions/Presentations
- Stretch Goals

This course is \$7500 per person but thanks to our sponsors: Southern California Edison, T-Mobile, Honda and Robert Half, there is no charge to the Veteran businesses chosen for this program.
