

# HSD Reporting Program Update

Denard Uy, Manager  
Utilization and Disclosures Reporting Section  
HCAI

# 2022 Hospital Supplier Diversity Report Cycle Activities

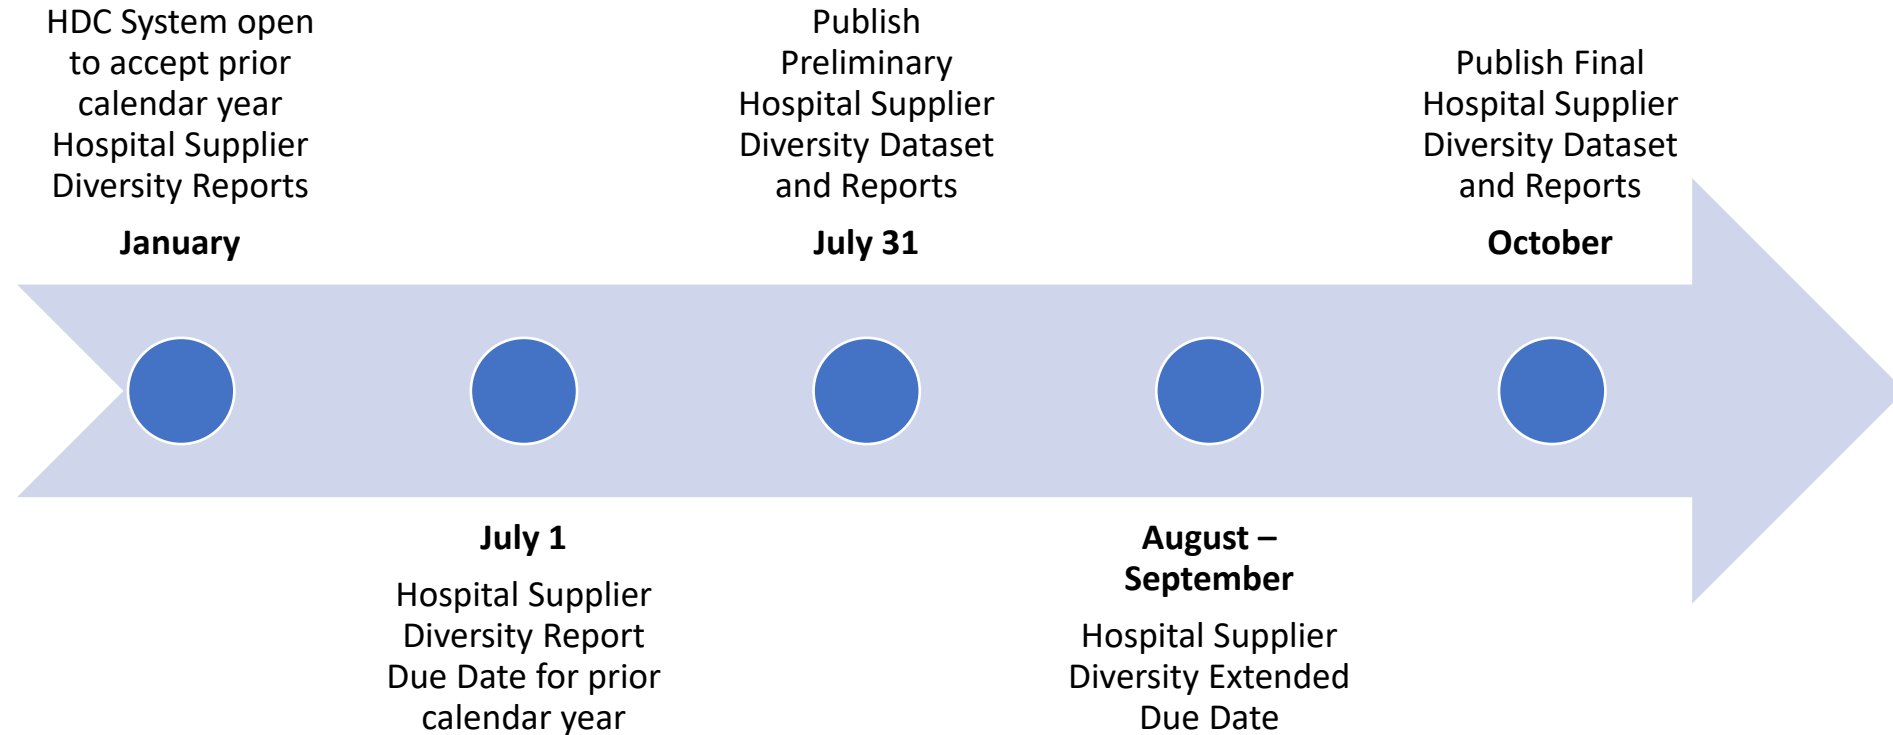

- No major changes to the 2022 Hospital Supplier Diversity Report
- Annual review of hospital financial thresholds to determine mandated hospitals
- Management of Hospital System/Regional Network Profile (New)
- Annual update of manual and report guidance for reporting clarity
- Regulations granted HCAI authority to impose a civil penalty for failure to submit or late submission

# Additional Program Activities

- Publish and update Annual Data Summary Report
- Update Hospital listing with financial data – Anticipated April 2023
- Department representatives are part of multi-department coalition with supplier diversity programs.

# Hospital Supplier Diversity Report Cycle

Report Period: January 1 – December 31

# New Website: Data Visualization

- Go-live date: March 2023
- Accessible via the Hospital Supplier Diversity Program Website:  
<https://hcai.ca.gov/data-and-reports/cost-transparency/hospital-supplier-diversity/>
- More visually palpable for the general public than the Open Data Portal (ODP)
- Snapshot view of individual hospital and hospital system/regional network's diverse spend data.
- Hospital's responses to Policy Statements, Outreach and Communications, breakdown of submitted diverse spend data, and other information.
- Easy to navigate for the general public
- Full datasets and PDFs of submitted report will continue to be available via ODP.
