

HSDC Hospital Supplier Diversity Commission

Public Meetings

The HSDC advises HCAI and hospitals find ways to work with diverse businesses - strengthening local economies and supply chains across California

Three public meetings each year

In-person and virtual options

Time reserved for public comment

Each meeting brings the Commission together to advance supplier diversity across California hospitals.

Meeting topics may include:

Program updates and reporting results

Outreach and engagement strategy

Recommendations and best practices

Supplier and hospital panels

The agenda and all other meeting materials will be posted on the HSDC website prior to each meeting.
