

Agenda Item IV: Program Implementation and Submitter Updates

Robyn Strong, Assistant Branch Chief, Enterprise Data Operations, HCAI

HPD Implementation Update

- Hiring HPD Program and IT staff
- HPD Platform focused on data collection and designing the analytic dataset
- Master Index in development, focusing on integrating fully-insured commercial and Medi-Cal data
- DHCS APCD-CDL™ data files successfully uploaded through June 2022
- 2018-2020 Medicare FFS data from CMS successfully uploaded
- Developing the HPD data request and access regulations

Progress on Submitter Engagement

- Hosted Submitter Group Meeting January 12
- HCAI/Onpoint teams holding regular meetings with submitters who are still working through production file submission.

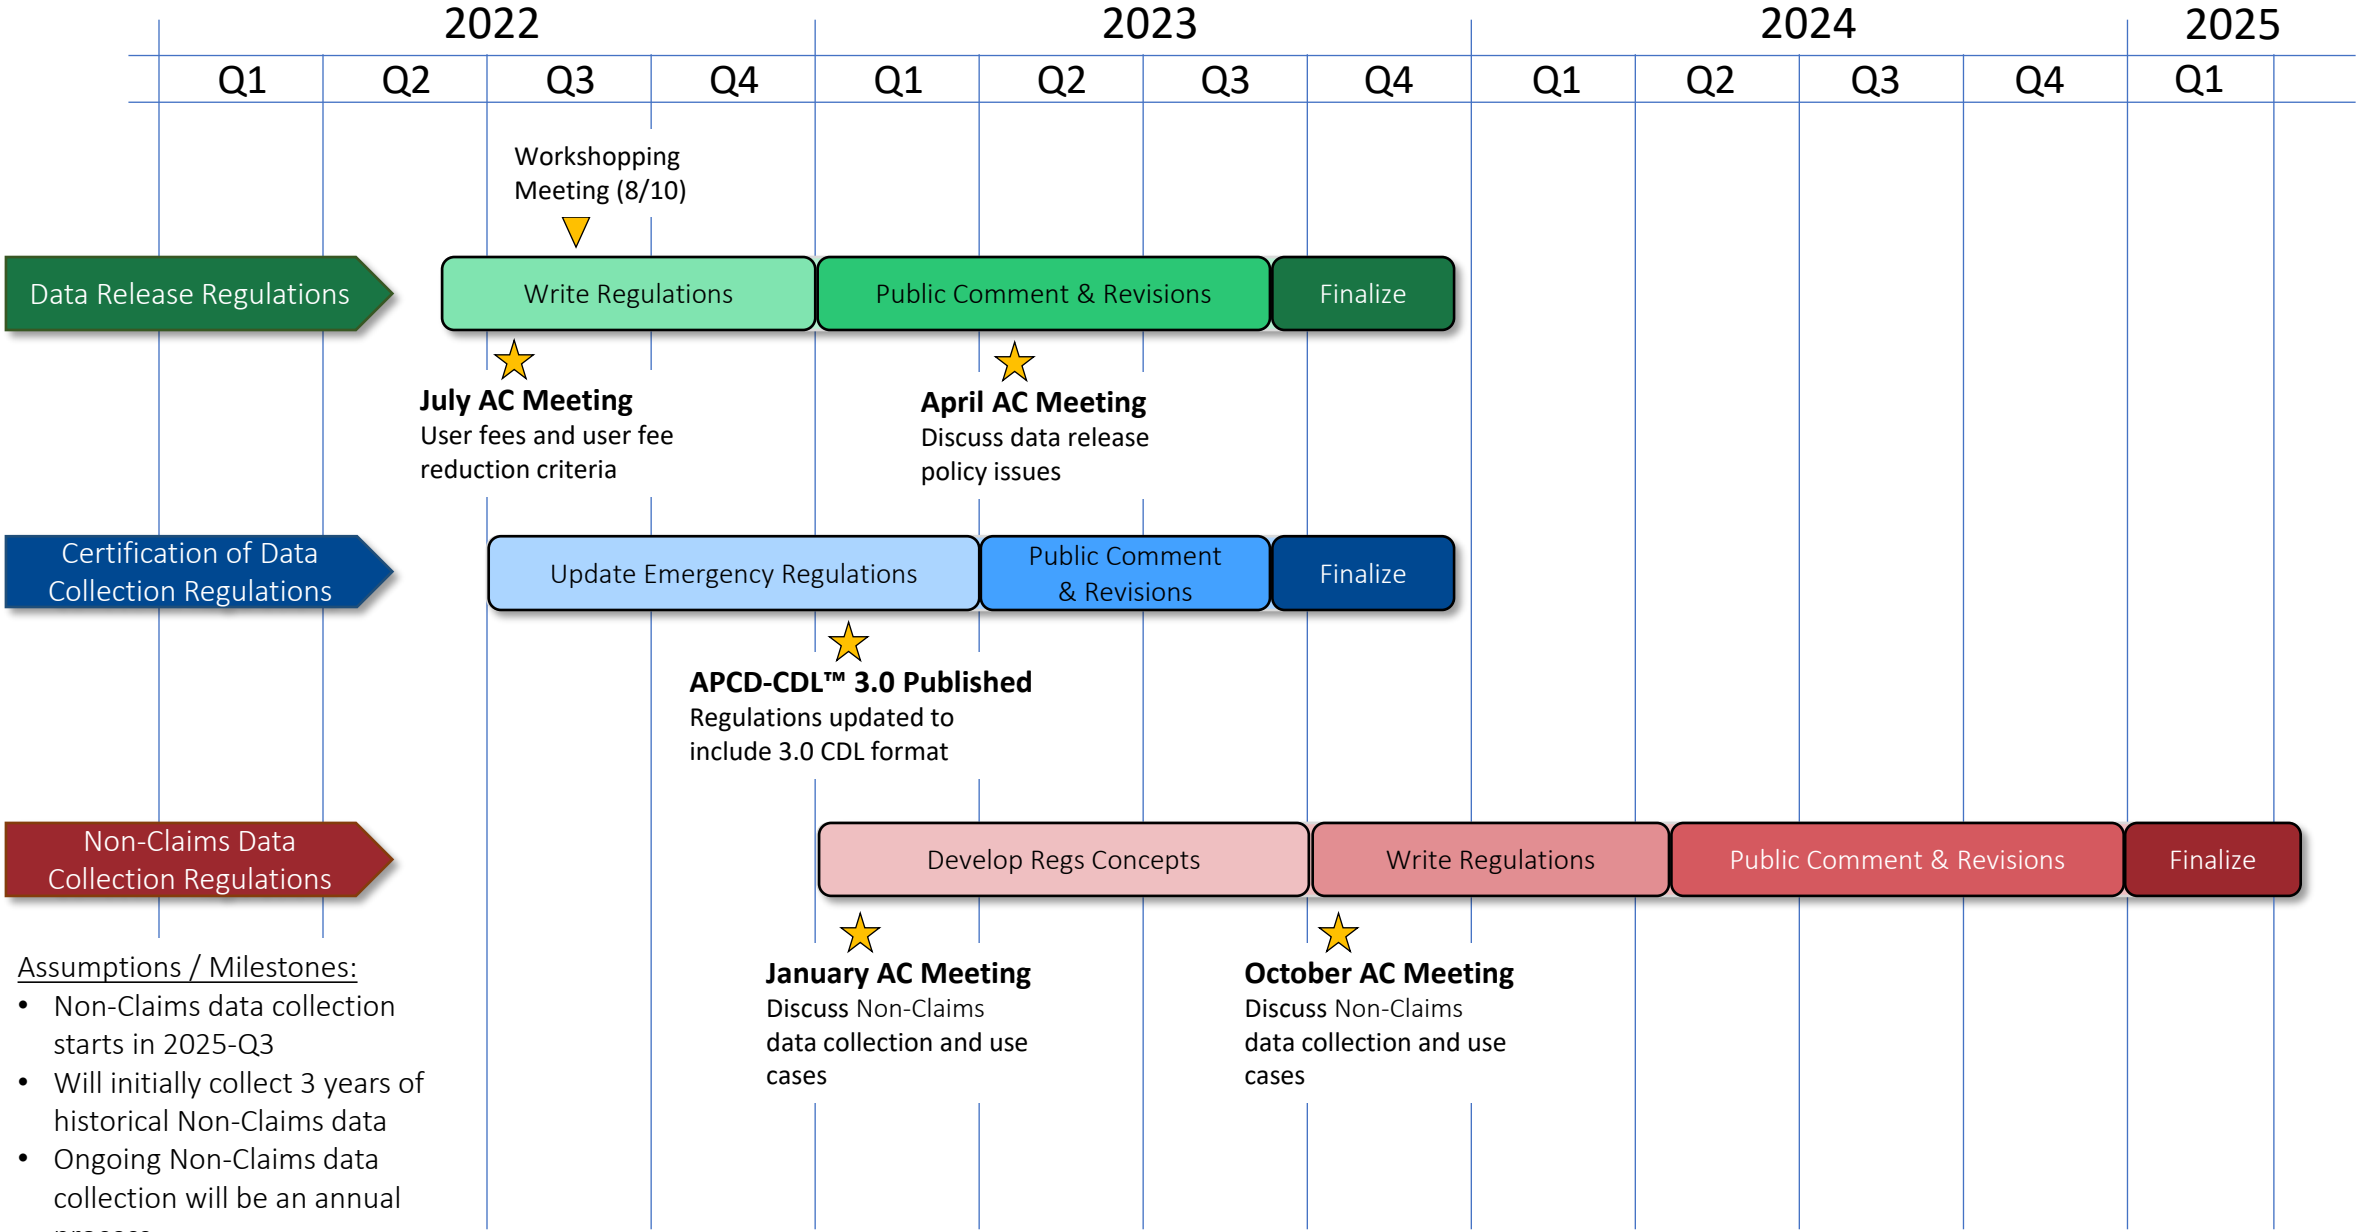

Reporting progress:

- The HPD System has collected and processed over 15.6 billion records of production data from CMS, the Department of Health Care Services, and commercial data submitters. (as of 01/18)

Implementation – Next Steps

- Immediate focus on transition to monthly production submission
- 2022 data submissions due by February 1, 2023
- Updates to the APCD-CDL™ file format (V3 published 1/13 2023) by APCD Council and NAHDO
- Enclave contract was initiated January 1, 2023

HPD Regulations Packages and Advisory Committee Meetings

Assumptions / Milestones:

- Non-Claims data collection starts in 2025-Q3
- Will initially collect 3 years of historical Non-Claims data
- Ongoing Non-Claims data collection will be an annual process
