ADDITIONAL ENTITIES

Business Name	Description of the Organization	Ownership Type	Additional MCN Submission
New BayMark Parent, LLC	New BayMark Parent, LLC is a newly formed entity created in order to purchase BayMark and its subsidiaries. It does not have any operations or revenue, and it has not been involved in any other transactions.	Limited Liability Company	No

CRITERIA

A health care entity with annual revenue, as defined in section 97435(d) , of at least \$25 million or that owns or controls California assets of at least \$25 million, or;	Yes
--	-----

CIRCUMSTANCES FOR FILING

The proposed fair market value of the transaction is \$25 million or more and the transaction concerns the provision of health care services.	Yes
---	-----

The transaction involves the sale, transfer, lease, exchange, option, encumbrance, or other disposition of 25% or more of the total California assets of the submitter(s).	Yes
The transaction involves a transfer or change in control, responsibility or governance of the Submitter. A transaction will directly or indirectly transfer control, responsibility, or governance in whole or in part of a material amount of the assets or operations of a health care entity to one or more entities if: (1) The transaction would result in the transfer of 25% or more of the voting power of the members of the governing body of a health care entity, such as by adding one or more members, substituting one or more members, or through any other type of arrangement, written or oral; or (2) The transaction would vest voting rights significant enough to constitute a change in control such as supermajority rights, veto rights, and similar provisions even if ownership shares or representation on a governing body are less than 25%;	Yes

TRANSACTION DETAILS

Anticipated Date of Transaction Closure	9/21/2026
Description of the Transaction	BayMark is undergoing a negotiated restructuring transaction (the "Proposed Transaction") whereby BayMark's existing lenders will exchange a significant amount of their existing debt holdings in return for ownership of BayMark and its subsidiaries. The Proposed Transaction is occurring to strengthen BayMark's operational stability and support its ability to continue serving its employees and stakeholders and providing high-quality care to patients across the United States. The Proposed Transaction will be implemented through a new-money recapitalization and a debt-for-equity exchange. Pursuant to transaction documentation, BayMark's existing lenders will assume ownership of BayMark and its subsidiaries through the acquisition of a newly formed purchaser entity ("New BayMark Parent, LLC"). On the Proposed Transaction effective date, New BayMark Parent, LLC will acquire substantially all of the assets and/or equity interests of BayMark and issue new equity interests to BayMark's creditors. This is not a merger with another health care

	entity and is not expected to have any impact on the competitive landscape. The Proposed Transaction is not intended to impact the services or operations of BayMark, but instead to preserve ordinary course operations and support continued stability and growth. No changes to BayMark's services, quality of or access to care, facilities, or personnel are anticipated as a result of the Proposed Transaction.
Submitted to US Department of Justice or Federal Trade Commission?	No
Submitted to Other Agency?	Yes
Date of Submission	7/22/2026
To Whom Submitted	State Regulatory and Licensing Agencies
Description of Submission (Include Agency name(s) and State(s))	Submission of healthcare transaction review filings to the Massachusetts Health Policy Commission, the Washington Office of the Attorney General, and the Indiana Office of the Attorney General, as well as change of ownership filings for BayMark's healthcare licenses and provider enrollments (e.g., Medicaid enrollments, controlled substances licenses, pharmacy licenses, facility licenses, etc.) to applicable federal and state agencies. Please see Appendix I for a list of licenses held by BayMark's California subsidiaries.
Subject to court proceeding	No
Description of current services provided and expected post-transaction impacts on health care services	BayMark provides and, post-Proposed Transaction, will continue to provide medication-assisted treatment (MAT) and substance use disorder services across North America. BayMark's subsidiaries provide Opioid Treatment Programs at 25 locations in California. Post-Proposed Transaction, BayMark's subsidiaries will continue to operate these 25 locations and no changes to health care services are anticipated. The Company currently provides services in Alameda, Contra Costa, Fresno, Los Angeles, Sacramento, San Francisco, San Joaquin, San Mateo, Solano, Tulare, El Dorado, Kings, Madera, Napa, Placer, and Santa Clara counties in California. There are no anticipated changes post-Proposed Transaction.

BayMark provides (i) medication-assisted treatment for opioid addiction (including methadone- and buprenorphine-based treatments), (ii) substance use counseling (in both individual and group settings), and (iii) other support services, such as medical assessments and testing, case management services, coordinated pregnancy treatment, addiction and relapse prevention education, referrals to community resources, discharge planning and support, and guest medication services. There are no anticipated changes post-Proposed Transaction.

As of March 16, 2026, BayMark's OTPs serve 10,878 patients in California. The average patient age is 49.8 years and the largest age cohort falls between 35 and 44 years old (27.1%), followed by 55 to 64 years old (19.3%) and 65+ (18.9%). The patient population is 60.2% male, 39.7% female, and 0.1% other. White/Caucasian patients represent the largest group at 46.2%, followed by Hispanic/Latino patients at 26.4%, Black/African American patients at 12.4%, Asian/Pacific Islander patients at 2.7%, American Indian/Alaska Native patients at 1.7%, and multiracial patients at 1.5%, with 6.1% categorized as other or unknown. The majority of patients rely on public insurance, with the following distribution among payors: Medicaid/Medi-Cal (64.3%), Medicare (15.3%), commercial/private insurance (5.8%), self-pay (1.3%), Kaiser (3.9%), VA (2.7%), jail/detention (0.4%), grant/SOR (0.8%), other/unknown (0.8%). There are no anticipated changes post-Proposed Transaction.

To improve access to substance use disorder treatment services for opioid-dependent adults, BayMark offers a Sliding Scale Fee Program for self-pay patients that establishes guidelines for offering discounted fees based on household income and financial need. Patients in California can qualify for a discount of 50% up to 90% based on annual gross income. There are no expected post-Proposed Transaction changes to any such

	programs. BayMark currently accepts Medi-Cal and Medicare patients and there are no expected Post-Transaction changes regarding accepting Medi-Cal and Medicare patients.
Prior mergers or acquisitions that: (A) involved the same or related health care services; (B) involved at least one of the entities, or their parents, subsidiaries, predecessors, or successors, in the proposed transaction; and (C) were closed in the last ten years.	BayMark subsidiaries entered into an Asset Purchase Agreement dated April 2, 2018, by and among Addiction Research and Treatment, Inc., The Pajo Corporation, Carolyn Perry, Rosemay Perry, and Frederick Perry. BayMark purchased the assets of a business that operates one opioid clinic in Los Angeles County in California. The transaction had a closing date of September 26, 2018. BayMark subsidiaries entered into a Stock Purchase Agreement dated April 22, 2020, by and among Addiction Research and Treatment, Inc., Narcotic Addiction Treatment Agency, Inc., William C. Wilson II and Christy M. Wilson, Trustees of the Wilson Trust Dated October 24, 2005, and William C. Wilson II and Christy M. Wilson. BayMark purchased the equity of a business that operates one opioid clinic in Los Angeles County in California, and the transaction had a closing date of June 18, 2020. New BayMark Parent, LLC is a newly formed entity that will be owned by BayMark's lenders. At closing, no individual lender (or its affiliated lenders) will own more than 15% of the voting equity. This consortium of lenders as a group has not been involved in any mergers or acquisitions in the last 10 years. This particular consortium of lenders has not engaged in any historical healthcare mergers or acquisitions in California. We do not have visibility into the consortium of lenders' individual historical transactions.
Description of Potential Post Transaction Changes	The Proposed Transaction is intended to support continued ordinary course operations at BayMark's healthcare facilities. It is not expected to have an impact on the day-to-day operations or on the ground services provided at BayMark's facilities, including the 25 California locations, nor is it expected to result in changes to employee staffing levels or to

	the number or type of residents serviced at these 25 locations. In addition, the Proposed Transaction is not expected to result in changes to comparable health care services offered by other health care entities within a 20-mile radius of BayMark's 25 California locations.
Description of the nature, scope, and dates of any pending or planned material changes occurring between the Submitter and any other entity, within the 12 months following the date of the notice	There are no planned or anticipated material changes occurring between BayMark and any other entity within the 12 months following the date of the notice, outside of the Proposed Transaction as described in this notice and supporting documentation.
