Subject to court proceeding	No
Description of current services provided and expected post-transaction impacts on health care services	(A) Kindred Hospital – La Mirada primarily serves patients from Los Angeles County, but it also serves patients from the counties of Orange, San Bernardino, Riverside, Ventura, Kern, San Diego, Inyo, and Alameda. Submitter does not expect any post-transaction impacts on the counties serviced by Kindred Hospital – La Mirada. (B) Kindred Hospital – La Mirada is licensed as a general acute care hospital, operating as a long-term acute care hospital, with 118 beds, including 24 rehabilitation beds and 6 intensive care beds. Kindred Hospital – La Mirada is staffed with over 300 employees and provides services including respiratory care, wound care, infectious disease care, medically complex care, intensive care, brain injury and stroke care,

	<p>cardiac care, kidney care and comprehensive rehabilitation. As a long-term acute care hospital, Kindred Hospital – La Mirada does not routinely provide reproductive health care and sexual health care services, specialized services for LGBTQ+ population, or labor and delivery services. Submitter does not expect any post-transaction impacts on the services provided.</p> <p>(C) As a long-term acute care hospital, Kindred Hospital – La Mirada specializes in treating long stay hospital patients who require a higher level of care than a traditional acute care hospital, with the vast majority of patients treated 60 years old or older. It does not have an emergency room nor does it provide pediatric, behavioral health or cardiac services. Submitter does not expect any post-transaction impacts on the services provided.</p> <p>(D) Kindred Hospital – La Mirada served 685 patients from January 1, 2024 through May 15, 2025, which included the following demographics based on data collected by Submitter in its standard business practices: Age: 10-20: 1; 20-30: 7; 30-45: 17; 40-50:43; 50-60: 63; 60-70: 146; 70-80: 221; 80-90: 146; 90-100: 41 Gender: Male: 391; Female 294 Race: Black: 39; Asian: 63; White: 286; Latino: 34; Other: 263 Payor Type: Commercial: 38; Medicaid: 61; Medicare: 583; Other: 3 Submitter does not expect any change in the demographics of patient served as a result of the transaction.</p> <p>(E) Kindred Hospital – La Mirada maintains a Charity Care and Financial Assistance Policy that allows patients to receive care for free or at reduced prices depending on the patient's insurance coverage and income level. Submitter does not expect any post-closing impacts on the Charity Care and Financial Assistance Policy.</p> <p>(F) Kindred Hospital – La Mirada accepts Medi-Cal and Medicare patients. Submitter does not expect any post-closing impacts on the acceptance of Medi-Cal or Medicare patients.</p>
--	---

<p>Prior mergers or acquisitions that: (A) involved the same or related health care services;</p> <p>(B) involved at least one of the entities, or their parents, subsidiaries, predecessors, or successors, in the proposed transaction; and</p> <p>(C) were closed in the last ten years.</p>	<p>With respect to submitter and the seller entities, see Attachment D.</p> <p>With respect to the buyer entities, see below: Post Acute Development 1, LLC, Post Acute Development 2, LLC, Post Acute Development 3, LLC, Vista Specialty Hospital of California, LLC, Vista Specialty Hospital of West Monroe, LLC, Vista Specialty Hospital of Tucson, LLC, Specialty Healthcare Holdings, LLC, and Specialty Investment Group, LLC are all new entities that were formed for purposes of this transaction. These entities have not been involved in prior mergers or acquisitions that: (A) involved the same or related health care services; (B) involved at least one of the entities, or their parents, subsidiaries, predecessors, or successors, in the proposed transaction; and (C) were closed in the last ten years.</p> <p>Furthermore, Post Acute Solutions, LLC, Twenty-Four Healthcare Group, Inc., BR MR Spousal Trust Holdings, LLC, ARB OP Ventures, LLC, Brian K. Reynolds Spousal Trust, Finbar Scully Spousal Trust, Marc Ferrell, Swenda Moreh Beitpoulice, Antoinette Saldivar, Melanie Reynolds, Brian Reynolds, and Finbar Scully, the indirect parents of the buyer entities listed above, have not been involved prior mergers or acquisitions that: (A) involved the same or related health care services; (B) involved at least one of the entities, or their parents, subsidiaries, predecessors, or successors, in the proposed transaction; and (C) were closed in the last ten years.</p>
<p>Description of Potential Post Transaction Changes</p>	<p>(A) The Proposed Transaction will result in Vista Specialty Hospital of California, LLC acquiring substantially all of the hospital operating assets relating to Kindred Hospital – La Mirada. Vista Specialty Hospital of California, LLC will take over operations of Kindred Hospital – La Mirada as the new licensee, continuing such operations in a manner that is consistent with how they are currently provided by Submitter. Post Acute Development 2, LLC will acquire the real estate relating to Kindred Hospital – La Mirada, which it will lease to Vista Specialty</p>

	<p>Hospital of California, LLC. Submitter will retain ownership and operations of its other two hospital locations (Kindred Hospital – San Gabriel Valley and Kindred Hospital – Santa Ana) through a subsidiary/affiliated entity.</p> <p>(B) Pursuant to the APA, Vista Specialty Hospital of California, LLC is required to offer employment to substantially all of Seller’s current employees that provide services at Kindred Hospital – La Mirada, and such offers of employment must be substantially consistent with those being provided by the Sellers immediately prior to the closing of the Proposed Transaction. This legal structure is intended to maintain a seamless transition of ownership without impacting staffing levels or compensation for hospital employees. Submitter does not anticipate any immediate post-transaction changes to the staffing levels, job security, retraining policies, wages, benefits, working conditions, and/or employment protections with respect to Kindred Hospital – La Mirada.</p> <p>See Attachment E for additional details on post-transaction changes to staffing.</p> <p>(C) Submitter is not party to city or county contracts for the provision of health care services, and does not anticipate that this would change as an immediate result of the Proposed Transaction.</p> <p>(D) Submitter does not anticipate any changes to comparable health care services within 20 miles of any of Submitter’s hospitals as a result of the Proposed Transaction.</p>
<p>Description of the nature, scope, and dates of any pending or planned material changes occurring between the Submitter and any other entity, within the 12 months following the date of the notice</p>	<p>None currently anticipated.</p>

Attachment A

Description of Submitting Organization

Southern California Specialty Care, LLC (“Submitter”) is a California limited liability company. Submitter is an affiliate of Kindred Hospitals, a nationwide health system of specialty hospitals. Submitter owns and operates the long-term acute care hospital known as Kindred Hospital – La Mirada, located at 14900 E. Imperial Highway, La Mirada, CA 90638. Kindred Hospital – La Mirada is licensed by the California Department of Public Health as a general acute care hospital, certified by Medicare as a long-term acute care hospital, with 118 beds, including 24 rehabilitation beds and 6 intensive care beds. Kindred Hospital – La Mirada is staffed with over 271 employees and provides services including respiratory care, wound care, infectious disease care, medically complex care, intensive care, brain injury and stroke care, cardiac care, kidney care and comprehensive rehabilitation. Kindred-Hospital – La Mirada also offers a six-bed ICU and two negative pressure rooms to accommodate particularly serious conditions. Kindred Hospital – La Mirada served 479 patients in 2024. As a Medicare certified long term acute care hospital, Kindred Hospital – La Mirada typically treats patients who have had a prior stay in an acute care hospital’s intensive care unit or who are ventilator dependent. Its patients also have a longer length of stay than traditional acute care hospital patients. Kindred Hospital – La Mirada’s profile with the California Department of Health Care Access and Information (“HCAI”) can be found here: <https://hcai.ca.gov/facility/kindred-hospital-la-mirada/>

Submitter is licensed for two additional hospital campuses under the Kindred Hospital – La Mirada hospital license and Medicare certification: Kindred Hospital – San Gabriel Valley and Kindred Hospital – Santa Ana. Kindred Hospital – San Gabriel Valley is located at 845 N. Lark Ellen Ave., West Covina, CA 91791-1069 and is licensed for 76 beds. Kindred Hospital – Santa Ana is located at 1901 College Ave., Santa Ana, CA 92706-2334 and is licensed for 54 beds. Both Kindred Hospital – San Gabriel Valley and Kindred Hospital – Santa Ana provide the following services to patients: respiratory care, wound care, infections disease care, intensive care, brain injury and stroke care, cardiac care, kidney care, medically complex care and comprehensive rehabilitation. Kindred Hospital – San Gabriel employs approximately 244 active employees and Kindred Hospital – Santa Ana employs approximately 189 active employees, who provide the above services to patients. Similarly to Kindred Hospital – La Mirada, patients typically require the services of Kindred Hospital – San Gabriel or Kindred Hospital – Santa Ana when they are in need of a longer hospital stay and are often ventilator dependent or have received services in an acute care hospital’s ICU.

Patients come to Kindred Hospitals with serious conditions such as respiratory failure, complex wounds, sepsis, stroke, congestive heart failure, or even a combination of these. Their diagnoses are often complicated by existing health problems like diabetes or COPD. Many of the Kindred Hospital patients have multiple co-morbidities and require treatments such as mechanical ventilators, dialysis, or IV therapy.

Attachment B

Description of the Transaction

- (A) Kindred Hospitals decided to sell certain hospitals subject to this transaction in order to better position itself in the nationwide market. The proceeds of the sale of these hospitals will allow Kindred Hospitals to make investments in other hospitals and service lines that it provides throughout the country. Kindred Hospitals intentionally chose a buyer that is part of an organization with extensive experience operating similar facilities to ensure that the hospitals could continue to maintain materially the same level of operations after the sale of the hospitals.
- (B) The material change transaction described herein involves the sale of assets and real estate related to the operation of three Kindred Hospitals facilities in California, Arizona, and Louisiana. Submitter is party to that certain Asset Purchase Agreement, dated May 12, 2025 (the “APA”), by and between Submitter, CHG Hospital Tucson, LLC, CHG Hospital West Monroe, LLC, (collectively, “Sellers”), Post Acute Development 1, LLC, Post Acute Development 2, LLC, Post Acute Development 3, LLC, Vista Specialty Hospital of California, LLC, Vista Specialty Hospital of West Monroe, LLC, and Vista Specialty Hospital of Tucson, LLC (collectively, “Buyers”) (the “Proposed Transaction”). The Proposed Transaction involves Buyers purchasing from Sellers substantially all of the assets involved in the operation of: (1) Kindred Hospital – La Mirada; (2) Cornerstone Hospital West Monroe, a long specialty acute care hospital located in West Monroe, Louisiana; and (3) Cornerstone Specialty Hospitals Southeast Arizona, a specialty acute care hospital located in Tucson Arizona (collectively, the “Transferred Facilities”), as well as the real estate on which the Transferred Facilities are located. The purchase price under the Proposed Transaction is \$10,600,000. The APA requires Buyers to offer employment to substantially all of Seller’s current employees that provide services at the Transferred Facilities, and that such offers of employment be substantially consistent with those being provided by the Sellers immediately prior to the closing of the Proposed Transaction.
- (C) Kindred Hospitals is seeking to divest the Transferred Facilities in order to make strategic investments in other operations throughout the country and chose a buyer with the ability to continue the services currently provided at the Transferred Facilities. The Proposed Transaction will allow for the continued provision of specialty hospital services at the Transferred Facilities with the support of investments by Buyers. In addition, Buyers and their affiliates currently do not have operations in California, so their acquisition of Kindred Hospital – La Mirada would result in a new competitor entering into the California specialty hospital market.
- (D) The parties do not anticipate any potential adverse impacts on the public as a result of the transaction. The transaction is expected to benefit the public by maintaining access to critical long term acute care hospital services currently being provided by Kindred Hospitals at the Transferred Facilities. As discussed above, Kindred Hospitals is seeking to divest the Transferred Facilities in order to make strategic investments in other operations throughout the country, but the Proposed Transaction will allow for continued access to health care services currently provided at the Transferred Facilities. Kindred chose a buyer that is part of an organization with extensive experience operating similar facilities in order to ensure the continued operation of the Transferred Facilities at substantially the same level of operation. In fact, Submitter understands that Vista Specialty Hospital of California, LLC plans to invest approximately \$5 million in the facility and equipment of Kindred Hospital – La Mirada. Further, consummation of the transaction will allow for the continued employment of Kindred Hospital – La Mirada health care providers and other employees. As discussed above, Vista Specialty Hospital of California, LLC has contractually committed to offering employment to substantially all of Seller’s current employees on terms substantially consistent with those currently offered by Submitter.

- (E) The parties do not expect the Proposed Transaction to result in negative competitive impacts in the market currently served by Kindred Hospital – La Mirada. Buyers and their affiliates currently do not have operations in California, so their acquisition of Kindred Hospital – La Mirada would result in a new competitor entering into the California specialty hospital market.
- (F) Submitter does not anticipate any material changes to the operations of Kindred Hospital – La Mirada as a result of the Proposed Transaction. Submitter understands that Buyers will continue to operate the hospital in materially the same way as operated by Submitter pre-closing, including continuing to provide services to Medicare and Medi-Cal beneficiaries in the communities currently served by Kindred Hospital – La Mirada. In addition, as described above, Buyers have contractually agreed to offer employment to substantially all of Seller’s current employees that provide services at the Kindred Hospital – La Mirada, and such offers of employment must be substantially consistent with those being provided by the Sellers immediately prior to the closing of the Proposed Transaction.

Additional Details Regarding Changes to Staffing at Kindred Hospital – La Mirada

The Purchase Agreement requires Vista Specialty Hospital of California, LLC (“Vista”) to offer employment to substantially all of Seller’s employees providing services at Kindred Hospital – La Mirada in Vista’s sole discretion. Seller will cooperate with Vista in identifying such employees and will be informed of the status of Vista’s employee onboarding process prior to closing. In Seller’s view, Vista’s failure to satisfy its contractual obligations regarding employee onboarding under the Purchase Agreement may be cited as grounds for Seller to terminate the Purchase Agreement for cause.

Vista expects to hire the majority of the employees with the exception of those managers who are being retained by seller and those employees who desire to work at one of seller’s other locations. Vista Specialty Hospital of California, LLC will hire new employees to fill any gaps left by such managers and employees. Vista plans to begin the hiring process 60 days prior to the anticipated closing date of 10/1/2025. Vista has already held onsite meetings with management and employee forums, and has a robust response form employees who desire to remain at the facility.

Further, Vista expects that the improvements it has planned will encourage employee retention. Post-transaction, Vista will implement a new electronic medical records system which is more user-friendly and efficient than the current system. In addition, a new human resources system will allow for online scheduling and completion of work-related documents. In addition, Vista will be making capital improvements, including updating equipment and making improvements to the facility.

The content of current policies will remain substantially the same. All employees will be trained and educated in any specific changes.
