NOTICE OF MODIFICATION TO TEXT OF PROPOSED REGULATION

CALIFORNIA CODE OF REGULATIONS

TITLE 22, DIVISION 7, CHAPTER 8.2

Sections: 95100-95115

Pursuant to the requirement of Government Code section 11346.8(c) and Section 44 of Title 1 of the California Code of Regulations, the Department of Health Care Access and Information hereby provides notice of changes made to proposed regulation Chapter 8.2 Hospital Community Reports (Sections 95100-95115) to Division 7 of Title 22 of the California Code of Regulations. The Regulation package was originally submitted to the Office of Administrative Legal (OAL) for review and approval on November 1, 2024. OAL reviewed the regulations package and suggested some minor changes be made to the proposed text for clarity. While the changes are minimal, they are considered to be substantive. For this reason, we requested a withdrawal of the regulations package and we will begin a new 15-day public comment period. The text of the regulations with proposed modifications is attached to this Notice. The revisions are substantially related to the original proposed text and are being made available for public review and comment for a period of at least 15 days prior to adoption. All revisions are noted in *Italics* for new language and a ~~single strikethrough~~ for deleted language.

The Department will consider public comments regarding the changes made to the proposed regulations beginning December 23, 2024, and ending January 7, 2025. Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action. All comments must be received by HCAI by January 7, 2025.

Inquiries and written comments regarding the proposed action should be addressed to the primary contact person named below. Comments delivered by email are suggested. Comments may also be emailed, hand delivered or mailed.
