## OHCA Medi-Cal Payments Addendum

The table below describes what categories of Medi-Cal specific payments Medi-Cal managed care plans (MCPs) shall include or exclude in files submitted to OHCA.

For the Primary Care file, inclusion further means that MCPs shall apply the Primary Care Allocation Methodology to this specific type of payment, such that any primary care portion of the payment is included in the Amount Paid for Primary Care field (PRC008).

For the Behavioral Health file, inclusion further means that MCPs shall apply the Behavioral Health Payment Allocation Methodology to this specific type of payment, such that any behavioral health portion of the payment is included in the Amount Paid for Behavioral Health (BHV009).
