						22	Total	\$6,600,000

Definitions:

¹ **Existing Primary Care Residency Program:** A program that is accredited by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association and will enroll at least one class by July 1.

² **New Primary Care Residency Slots for Existing Programs (Expansion):** A permanent increase in the number of Accreditation Council on Graduate Medical Education or American Osteopathic Association1 approved primary care residency slots for an existing primary care program as evidenced by a letter from the appropriate accrediting body.

³ **Primary Care:** Primary care refers to Family Medicine (FM), Internal Medicine (IM), Obstetrics and Gynecology (OB/GYN), and Pediatric (Peds) specialties.

Scenario I Methodology: 50 percent minimum of total maximum points

1. Exclude programs with incomplete applications.
2. Assign average score for Sections 1.1, 1.2, 1.3, 2.2, and 2.3 to programs with no data available.
3. Arrange Total Score from highest score to lowest score.
4. Award zero slots to programs with less than 50 percent of total maximum points.
5. Award \$300,000 per expansion slot requested (based on number of slots approved by the accrediting body).
