A. Background and Mission

In November 2004, California voters approved Proposition 63, the Mental Health Services Act (MHSA). Sections 2 and 3 of the MHSA provide increased funding, personnel, and other resources to support public mental health programs and monitor progress toward statewide goals for children, transition age youth, adults, older adults, and families.

The California Department of Health Care Access and Information (HCAI) administers the Workforce Education and Training (WET) Program, a component of the MHSA. State budget appropriations fund the WET program, which promotes the expansion of postsecondary education and training to meet mental health occupational shortage needs.

This grant opportunity will result in agreement(s) with public, private, and nonprofit organizations, including faith based and community-based organizations (CBOs), for training and support that facilitates the training and placement of peer personnel. This Grant Guide defines peer personnel as individuals with lived experience as a mental/behavioral health services consumer, family member, and/or caregiver placed in designated peer positions.

The applicant must provide training to peer personnel that meets the 80-hour training requirements under the California Department of Health Care Services (DHCS) Medi-Cal Peer Support Specialist Certification Program.

Applicants must implement a peer personnel training and placement program that contains all of the following components:

1. **Recruitment and Outreach:** Engage in activities to recruit individuals who are either currently employed or volunteering, or who are seeking employment or to volunteer, as peer personnel to participate in Grantee's training and placement program. Recruitment activities shall target individuals with lived experience who can address the cultural and language needs of the diverse community the Grantee will serve. Recruitment efforts may target individuals with lived experience in high schools, adult education programs, regional occupation programs, community colleges, and those already working and/or volunteering in a behavioral health program. Outreach tools may include, but are not limited to, presentations, personal outreach, information sharing sessions, and social media, such as Facebook and Twitter.
2. **Career Counseling:** Assist recruited participants in developing individualized career plans that identify courses for peer personnel to take by position type or category. Participants can include short-term and long-term goals for entering, re-entering, or advancing in the behavioral health workforce. The Grantee shall also assist participants by providing information on educational courses or training to advance career plans and information about financial and training resources beyond those offered by the Grantee.

3. **Training:** Provide training to facilitate the deployment of peer personnel as an effective and necessary service to clients, family members, and caregivers. Grantees must assess the eligibility of participants to meet the grandparenting provisions of the DHCS Medi-Cal Peer Support Specialist Certification Program and/or provide the 80-hour mandatory training requirements. The Grantee must be a DHCS recognized training provider or contract with a DHCS recognized training provider that meets the Med-Cal Peer Support Specialist Certification training requirements.

The applicant will describe additional training that they will provide to address the needs of child and youth consumers (0 - 25 years of age).

For more information regarding the DHCS Peer Specialist Certification Program, see <https://www.dhcs.ca.gov/services/Pages/Peer-Support-Services.aspx>

Applicants may also add other topics, if desired, that support the program goals.

4. **Placement:** This is a key focus of the Peer Personnel program. The program must assist program participants in finding placement as peer personnel providing an effective and necessary service to clients, family members, and caregivers. For the purposes of this grant, placement means assignment in a peer personnel position as a paid employee or unpaid volunteer. The employer is responsible for identifying and funding vacant peer personnel positions. Applicants must ensure that successful completion of the training program will enable entry into peer personnel positions, as well as encourage career progression.

HCAI will disburse full funding for the placement category when the Grantee successfully places at least 80 percent of participants in a position by the end of the contract term and provides acceptable justification as to why they were not able to place the remainder. HCAI will only pay for students' completion of the training program. HCAI will not make payment for a student that drops out unless the contractor adds another student. The applicant shall decide if they add another student or not.

5. **Support:** Provide support to participants for six months after placement by engaging in activities that may include mentorship, self-help and support groups, and other support activities. The program participants can complete their six months in a different position from the first placement as long as they remain in a peer personnel position. If program participants are unsuccessful in gaining and/or retaining placement after six months of training, the Grantee shall explain in progress reports as to why program participants were unable to gain or retain placement a peer personnel position, and how they could address this in the future.
6. **Evaluation:** Evaluate the peer personnel training and placement program when program activities conclude. The evaluation must include all of the following components:

- a. Summary of all program activities and outcomes using the Peer Personnel Training and Placement Quarterly Certification Statement and Progress Report in Exhibit 1 of Attachment 7: Sample Grant Agreement.
 - b. Comprehensive survey of program participants and their employers, that includes all the questions required in tables 17 and 18 of the Peer Personnel Training and Placement Progress Report found in Exhibit 1 of Attachment 7: Sample Grant Agreement.
 - c. Percentage of program participants that are successfully placed.
 - d. Highlights of any major successes and/or challenges in completing all program activities.
7. **Financial Assistance (if applicable):** Provide financial assistance for program participants to attend training. The program shall provide financial assistance to enable participation in the activities sponsored by the proposing organization and Peer Support Specialist Certification 80 hour training, certification and examination costs. Costs may include transportation, uncompensated time-off, and childcare.
8. **Program Responsibilities:** While providing services to recruit, train, place, support, and retain peer personnel who are currently employed or volunteering, or who are seeking employment or to volunteer as a peer personnel support specialist, the Grantee shall:
- a. Include individuals with lived experience, including consumers, family members, and/or caregivers, in the design and performance of program activities.
 - b. Ensure continued engagement and coordination with county(ies), CBOs, and educational institutions and/or training entities listed as partners in the application. HCAI does not require a minimum or maximum number of partners.

Anticipating potential overlaps, conflicts, and scheduling issues, to adhere to the terms of the Agreement, is the sole responsibility of the Grantee.
2. **Final Agreement:** This Agreement, along with the Grantee's Application, attachments, and forms constitute the entire and final Agreement between the parties and supersedes any and all prior oral or written agreements or discussions.

The Grantee agrees to maintain such records for possible audit for a minimum of three years after the final payment, unless a longer period of records retention is stipulated by the State. The Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Grantee agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement.
5. **Independence from the State:** Grantee and the agents and employees of the Grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers, employees, or agents of the State.
6. **Non-Discrimination Clause:** (See Cal. Code Regs., Title 2, § 11105):
 - a. During the performance of this Agreement, Grantee and its subcontractors shall not deny the Agreement's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual

- orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Grantee shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination.
- b. Grantee and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and any regulations or standards adopted by HCAI to implement such article.
 - c. Grantee shall permit access by representatives of the Department of Fair Employment and Housing and HCAI upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or HCAI shall require to ascertain compliance with this clause.
 - d. Grantee and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.
 - e. Grantee shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.
- 7. Waiver: The waiver by HCAI of a breach of any provision of this Agreement by the Grantee will not operate or be construed as a waiver of any other subsequent breach. HCAI expressly reserves the right to disqualify the Grantee from any future grant awards for failure to comply with the terms of this Agreement.
 - 8. Approval: This Agreement is of no force or effect until signed by both parties. The Grantee may not commence performance until such approval has been obtained.
 - 9. Amendment: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties, and approved as required. No oral understanding or Agreement not incorporated in this Agreement is binding on any of the parties.
 - 10. Assignment: This Agreement is not assignable by the Grantee, either in whole or in part, without the consent of HCAI in the form of a formal written amendment.

11. Indemnification: Grantee agrees to indemnify, defend, and hold harmless the State, its officers, agents, and employees (i) from any and all claims and losses accruing or resulting to any and all of the Grantee's, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and (ii) from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by the Grantee in the performance of this Agreement.
12. Disputes: Grantee shall continue with the responsibilities under this Agreement during any dispute. Any dispute arising under this Agreement shall be resolved as follows:
 - a. The Grantee will discuss the problem informally with the Program Manager. If unresolved, the problem shall be presented, in writing, to the Deputy Director stating the issues in dispute, the basis for the Grantee's position, and the remedy sought. Grantee shall include copies of any documentary evidence and describe any other evidence that supports its position with its submission to the Deputy Director.
 - b. Within ten working days after receipt of the written grievance from the Grantee, the Deputy Director or their designee shall make a determination and shall respond in writing to the Grantee indicating the decision and reasons for it.
 - c. Within ten working days of receipt of the Deputy Director's decision, the Grantee may appeal the decision of the Deputy Director by submitting a written appeal to the Chief Deputy Director stating why the Grantee does not agree with the Deputy Director's decision.
 - d. Within ten working days, the Chief Deputy Director or their designee shall respond in writing to the Grantee with their decision. The Chief Deputy Director's decision will be final.
13. Termination for Cause: HCAI may terminate this Agreement and be relieved of any payments should the Grantee fail to perform the requirements of this Agreement at the time and in the manner herein provided. Grantee shall return any Agreement Funds that were previously provided to Grantee for use within 60 days of termination.

If all grant funds have not been expended upon completion of the Agreement term, HCAI will request the remittance of all unexpended funds. If HCAI determines that improper payments have been made to Grantee, HCAI will request disgorgement of all disallowed costs. Grantee may dispute disallowed costs in accordance with Section I, Paragraph 12. Grantee will submit a check or warrant for the amount due within 60 days of the Grantee's receipt of HCAI's disgorgement request or 30 days from the Grantee's receipt

of HCAI's last Dispute decision. If Grantee fails to remit payment, HCAI may withhold the amount due from any future grant payments.

14. Grantee's Subcontractors: Nothing contained in this Agreement shall create any contractual relationship between the State and the Grantee or any subcontractors, and no subcontract shall relieve the Grantee of its responsibilities and obligations hereunder. The Grantee agrees to be fully responsible to the State for any and all acts and omissions of its subcontractors and of persons either directly or indirectly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from HCAI's obligation to disburse funds to the Grantee. As a result, the State shall have no obligation to pay or to enforce the payment of any money to any subcontractor.
15. Governing Law: This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.
16. Unenforceable Provision: In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.
