Program Updates

Data Release Program Updates

- Regulations
- Workflows
- Request Forms
- Data Use Agreements (DUAs)
- Request portal
- Analytic Environment (Data Enclave)
- File Specifications
- Supportive documentation
- Fee schedule

HPD Data Access & Release Objectives

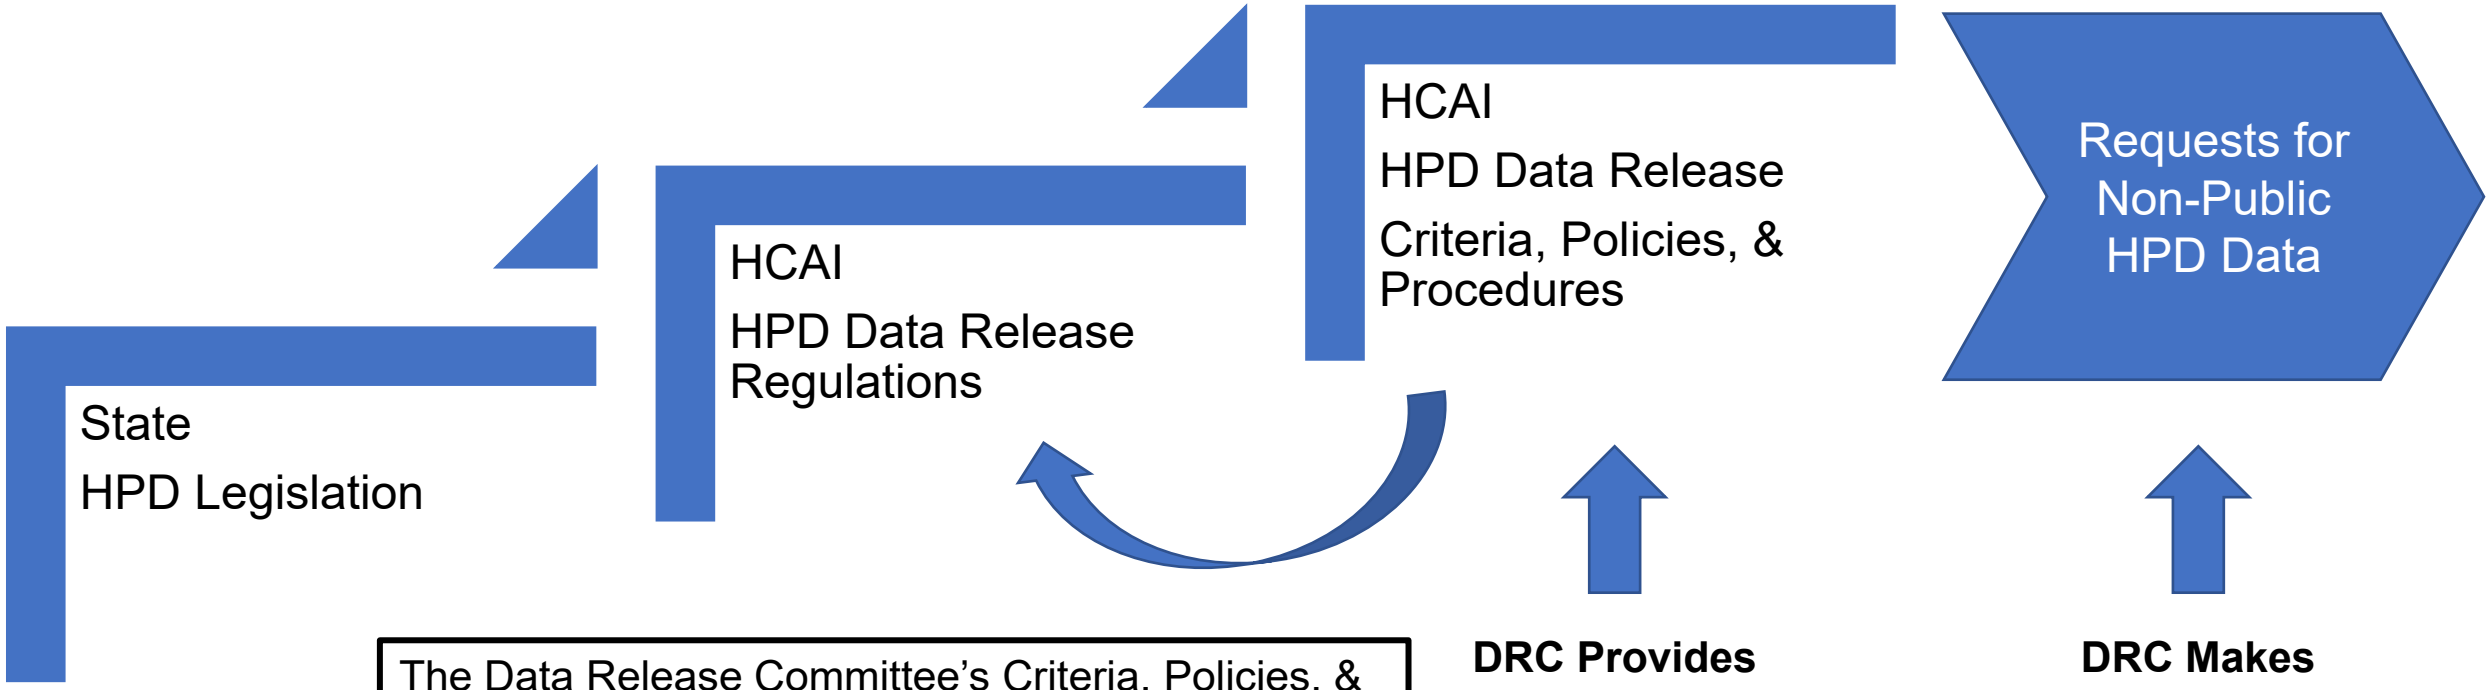
1. Protect Patient Privacy
2. Support Program Goals
3. Ensure appropriate data users, uses, methodologies, and compliance with all requirements
4. Provide timely data access to qualified applicants and make decisions in a consistent manner
5. Enable & support diverse users, representing multiple audiences & levels of expertise
6. Complement the HPD public reporting program
7. Support sustainability through user fees that balance program support and affordability

Statutory Provisions for Data Release Committee

- Advise on criteria, policies, and procedures for access to and release of HPD data.
- Make recommendations about applications for HPD data.
- Consider whether the use of the data is consistent with the goals of the system, whether it provides greater transparency regarding health care costs, utilization, quality, or equity, or how the information may be used to inform policy decisions regarding the provision of quality health care, improving public health, reducing health disparities, advancing health coverage, or reducing health care costs.
- Advise the HCAI Director about privacy and security matters related to the program.
- Provide feedback on the program's data application review processes and other matters.

HSC Section 127671-127674

The HPD Data Release Committee's Role



The Data Release Committee's Criteria, Policies, & Procedures may inform and be informed by HCAI's development of regulations.
