Definitions:

¹ **Existing Primary Care Residency Program:** A program that is accredited by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association and will enroll at least one class by July 1.

² **Primary Care:** Primary care refers to Family Medicine (FM), Internal Medicine (IM), Obstetrics and Gynecology (OB/GYN), and Pediatric (Peds) specialties.

³ **Transitional Program:** Residency program that started after 2018 and has not yet graduated a class.

Recommended Award Methodology:

1. Exclude programs with incomplete applications.
2. Assign average score for Sections 1.2, 1.3, 2.2, and 2.3 to programs with no data available.
3. Arrange Total Score from highest score to lowest score.
4. Award zero slots to programs with less than 50 percent of total maximum points.
5. Divide remaining number of applicants by five.
6. Award top quintile five slots.
7. Award second quintile three slots.
8. Award third quintile two.
9. Award fourth and fifth quintiles one slot until remaining slots are awarded.

Legend:

- Q1.1: Clinical training sites in medically underserved areas.
- Q1.2: Percent and number of underrepresented minority graduates.
- Q1.3: Graduates in medically underserved areas.
- Q2.1: Do your non-first year residents spend at least an average of eight hours per week at a primary care continuity clinic?
- Q2.2: Percent and number of graduates in primary care ambulatory care settings five years' post residency.
- Q2.3: Percent and number of underrepresented minority residents residents.
- Q2.4: Describe the training sites payer mix (up to three continuity clinics).

Definitions:

¹ **Teaching Health Center:** A community-based ambulatory patient care center, operating a primary care residency program. Community-based ambulatory patient care settings include, but are not limited to, federally qualified health centers, community mental health centers, rural health clinics, health centers operated by the Indian Health Service, an Indian tribe or tribal organization, or an urban Indian organization, and entities receiving funds under Title X of the federal Public Health Service Act (Public Law 91-572). Health and Safety Code Section 128205 subdivision (h). The sponsoring institution of the residency program must be a qualified Teaching Health Center or an educational consortium that includes a health center.

² **Primary Care:** Primary care refers to Family Medicine (FM), Internal Medicine (IM), Obstetrics and Gynecology (OB/GYN), and Pediatric (Peds) specialties.

Recommended Award Methodology:

1. Exclude programs with incomplete applications.
2. Assign average score for Sections 1.2, 1.3, 2.2, and 2.3 to programs with no data available.
3. Arrange Total Score from highest score to lowest score.
4. Award \$125,000 per filled first year slot (based on number of slots approved by the accrediting body).

Legend:

- Q1.1: Clinical training sites in medically underserved areas.
 Q1.2: Percent and number of underrepresented minority graduates.
 Q1.3: Graduates in medically underserved areas.
 Q2.1: Do your non-first year residents spend at least an average of eight hours per week at a primary care continuity clinic?
 Q2.2: Percent and number of graduates in primary care ambulatory care settings five years' post residency.
 Q2.3: Percent and number of underrepresented minority residents.
 Q2.4: Describe the training sites payer mix (up to three continuity clinics).

Definitions:

¹ **Primary Care:** Primary care refers to Family Medicine (FM), Internal Medicine (IM), Obstetrics and Gynecology (OB/GYN), and Pediatric (Peds) specialties.

² **New Program:** A primary care residency program that will receive accreditation by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association after July 1, 2016.

Recommended Award Methodology:

1. Exclude programs with incomplete applications.
2. Assign average score for Sections 1.2 and 1.3 to all new applicants with missing values.
3. Arrange Total Score from highest to lowest score.
4. Award zero dollar funding amount to programs with less than 50 percent of points.
5. Award funds requested (not to exceed \$800,000) to each new program that receives at least 50 percent of points until funding is gone. Fund programs with accreditation at time of application first

Legend:

- Q1.1: Clinical training sites in medically underserved areas.
 Q1.2: Percent and number of underrepresented minority graduates.
 Q1.3: Graduates in medically underserved areas.
 Q2.1: What components of the training program are designed for medically underserved multi-cultural communities, lower socioeconomic neighborhoods or rural communities
 Q2.2: Describe the program's approach and associated activities used to encourage residents to practice in areas of unmet need
 Q2.3: Describe your plans to incorporate cultural competency and responsive care training into the program's curriculum and how it will further Song-Brown efforts of increasing the racial and ethnic diversity of California's healthcare workforce
 Q2.4: Explain the program strategies developed to identify, recruit, and admit residents, who possess characteristics, which would suggest a pre-disposition to practice in areas of unmet need
 Q2.5: How will your program encourage residents to help recruit and mentor underrepresented minorities and/or underrepresented groups?
 Q2.6: Has the residency program provided adequate information as to the sustainability of the new residency program?
 Q2.7: Describe what educational modalities you will integrate into the learning delivery model
 Q2.8: Describe the primary care pathways and/or pipeline activities your residents will participate in
 Q2.9: Explain how your program will structure training to encourage residents to practice as a health care team that includes inter-professional providers
 Q2.10: Will the program residents train side by side with FNP and/or PA students?
 Q2.11: Explain how you will use practicing primary care physicians from the local community in the training program
 Q2.12: Explain how your program will promote training in ambulatory and community settings in underserved areas
 Q2.13: Does the program faculty possess the knowledge, skills, and experience to deliver a primary care curriculum with an emphasis on health care disparities?
