

Developing a Seismic Compliance Plan

Wednesday, August 27, 2025

1:00 – 2:00 p.m., Pacific Time

The deadline for Seismic Compliance Plan submittal is fast approaching! All General Acute Care Hospitals are required to submit their plans by January 1, 2026. This webinar will discuss the requirements and strategies for developing a Seismic Compliance Plan for California hospital facilities. Topics to be covered include:

- An introduction to the new automated Seismic Compliance Plan webtool
- A presentation of several sample compliance plans to demonstrate how facilities might develop their own plan
- A discussion of frequently asked questions to address common concerns and clarify requirements
