HCAI is offering a one-time grant opportunity with no implied or expressed guarantee of subsequent funding after the initial contract award resulting from this application. Awardees shall use the funding to improve the quality of services and meet other requirements set by the Federal Office of Rural Health. Awardees shall not use these funds to supplant existing funds.

HCAI will award equal funding amounts for each hospital that meet the funding criteria.

Eligible programs are expected to receive an award of approximately \$13,011. The Federal Office of Rural Health will determine the final award amount.

D. Determining Eligibility

Small rural hospitals are eligible for SHIP funding. Small rural hospitals:

1. Have 49 or fewer staffed beds, as reported on the hospital's most recently filed Medicare Cost Report.
2. Are located outside Metropolitan Statistical Areas (MSA) or are in a rural census tract of an MSA.

3. Are a non-Federal, short-term, general acute care facility.

For-profit, not-for-profit, tribally-operated, and faith-based hospitals are eligible for SHIP funding if they meet the above criteria.

E. Grant Questions and Answers

You can find answers to most questions in this Grant Guide. If you have any questions related to the intent or interpretation of grant language, email SHIP staff at SHIP@HCAI.ca.gov.

F. Initiating an Application

1. By submitting an application, you and your organization agree to the grant terms and conditions specified in this Grant Guide.
2. HCAI does not accept alternate grant agreement language from a prospective Grantee. HCAI will consider an application with such language to be a counteroffer and will reject any such applications. HCAI will not negotiate the terms and conditions outlined in Attachment A: Sample Grant Agreement.
3. If your program requires approval to contract from a coordinating authority, you must inform the authority of the terms and conditions contained in this Grant Guide. HCAI considers that the submission of an application implies express acceptance of the terms. All applicants must agree to the terms and conditions prior to receiving funds. HCAI will not make changes to the terms and conditions specified in this Grant Guide.
4. Applicants must submit applications that are complete and accurate. HCAI may reject an application that contains omissions, inaccuracies, or misstatements.
5. Applicants must submit their applications by December 16, 2022, through the web-based SHIP Application located at https://oshpd.sjc1.qualtrics.com/jfe/form/SV_8H6Tuo7QInnjreK.
6. Applicants must submit work plans concisely describing their intended use of any SHIP funds awarded.
7. HCAI may reject an application if it is conditional or incomplete, or if the application contains any alterations of form or other irregularities of any kind. HCAI may reject any or all applications and may waive an immaterial deviation in an application. HCAI's waiver of an immaterial deviation shall in no way modify the Grant Guide or excuse the applicant from full compliance with all requirements if awarded the agreement.

8. Applicants are entirely responsible for costs incurred in developing applications in anticipation of award of the agreement and shall not charge the State of California for these costs.
9. Awardees must electronically sign and submit grant agreements to HCAI by the due date. Failure to sign and return the grant agreement by the due date may result in loss of awarded funds.

G. Budget Restrictions

The Grantee shall not use SHIP Grant Program funds to supplant existing state or local funds.

The SHIP grant program does not provide funding for indirect costs.

H. Review and Evaluation

All hospitals that meet the eligibility requirements described in Section D of this Grant Guide and who propose to use funds for allowable activities will receive funding through this program.

HCAI staff will review each submitted application and work plan and will provide technical and informational assistance to applicants as needed.

If in the opinion of HCAI, an application contains false or misleading information or provides documentation that does not support an attribute or condition claimed, HCAI shall reject the application. HCAI reserves the right to reject any or all applications.

6. Independence from the State: The Grantee and the agents and employees of the Grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees, or agents of the State.
7. Waiver: The waiver by HCAI of a breach of any provision of this Agreement by the Grantee will not operate or be construed as a waiver of any other breach. HCAI expressly reserves the right to disqualify the Grantee from any future grant awards for failure to comply with the terms of this Agreement.
8. Approval: This Agreement is of no force or effect until signed by both parties. The Grantee may not commence performance until such approval has been obtained.
9. Amendment: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties, and approved as required. No oral understanding or arrangement not incorporated in this Agreement is binding on any of the parties.
10. Assignment: This Agreement is not assignable by the Grantee, either in whole or in part, without the consent of HCAI in the form of a formal written amendment.
11. Indemnification: Grantee agrees to indemnify, defend, and save harmless the State, its officers, agents, and employees from (i) any and all claims and losses

accrued by any and all Grantee's, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies resulting from the Grantee's performance of this Agreement, and from (ii) any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by Grantee in the performance of this Agreement.

12. Disputes: Grantee shall continue with the responsibilities under this Agreement during any dispute. Any dispute arising under this Agreement, shall be resolved as follows:

13. Termination for Cause: In addition to the Breach provisions above, HCAI may terminate this Agreement and be relieved of any payments should the Grantee fail to perform the requirements of this Agreement at the time and in the manner herein provided. Grantee shall return any unused Agreement funds that were previously provided to Grantee as of the date of termination.
14. Grantee's Subcontractors: Nothing contained in this Agreement shall create any contractual relationship between the State and the Grantee or any subcontractors, and no subcontract shall relieve the Grantee of its responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the State for any and all acts and omissions of its subcontractors and of persons either directly or indirectly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the State's obligation to

disburse funds to the Grantee. As a result, the State shall have no obligation to pay or to enforce the payment of any money to any subcontractor.

15. Governing Law: This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.
