- Tuition and fees.
- On-campus room and board (or a housing and food allowance for off-campus students).
- Allowances for books, supplies, transportation, loan fees, and, if applicable, dependent care.

The COA must reflect the costs associated for one year **only**, and not the entire program.

### **Award Amounts and Available Funding**

#### **Available Funding**

Approximately \$2,000,000 is available to support students enrolled in eligible allied healthcare training programs.

In the event there is additional state funding available, HCAI has the discretion to make additional awards.

### **Award Amount**

The maximum award amount for the Allied Healthcare Scholarship Program (AHSP) is **\$15,000** for non-behavioral health professions and **\$25,000** for approved behavioral health professions. HCAI may award full, partial, or no funding to an applicant based on the applicant's success in meeting the selection criteria, and the amount of available funds. Applicants will not be awarded more than their total cost of attendance for one year of the program.

Applicants may be awarded up to three times. Applicants not selected for an award may apply for the next cycle. For applicants who are selected, upon completion of their first or second year of the program, they will be eligible to apply for up to a third time.

A new application must be submitted to be considered for an award, as each service obligation requires a separate contract, therefore obligations may not overlap, nor be considered a continuation of a previous agreement.

### **Initiating an Application**

The applicant is responsible for providing all necessary information and ensuring that the information contained in the application is accurate.

Applicants must register and submit all applications (including all required forms, documents and/or attachments) through the web-based eApp <https://funding.hcai.ca.gov/>.

New applicants must first register as a user to access the application materials. Returning applicants must use their previous email and password to login. *Section II: Provider eApp Technical Guide* contains information regarding how to register and complete your application.

You may apply for more than one HCAI scholarship or loan repayment program at a time. However, if awarded, you can only contract for one service obligation at a time.

### **Service Obligation**

Grantees must provide permanent full-time service in direct patient care, including practicing for a term of at least 12 months at a qualified facility in California in an eligible profession within six months of graduation from an accredited college or career institution from a qualified program. "Full-time Service" is defined as a minimum of 32 hours per week. "Direct Patient Care" means the provision of health care services provided directly to individuals being treated for or suspected of having physical or mental illness. Direct patient care includes both, face-to-face and telehealth-based preventative care and first line supervision.

### **Worksite Absences**

Grantees can take up to four weeks per calendar year away from their APHSP approved practice site for any leave of absence approved by their worksite, or otherwise as required in order to comply with applicable federal and state laws. HCAI will execute a contract amendment to extend the grantee's obligation end date for each day of absence over the allowable four weeks.

### **Communication Requirements**

Grantee must email HCAI within these specified timeframes for the following reasons:

- **15 calendar days if you:**
  - Have any change in full-time status, including but not limited to, a decrease in the

number of hours providing medical services (falling below 32 hours), termination, resignation, or leave of absence in excess of the time permitted outlined under “Worksite Absences.”

- **30 calendar days if you:**
  - Have any change in practice site. You will submit an Employment Verification Form (EVF) to your Program Officer. HCAI will verify if the practice site is eligible.
  - Change your name, residential address, phone number and/or email address.
- **90 calendar days if you:**
  - File a petition with HCAI for modification of the amount to be paid or repaid and/or the time of repayment regarding a potential breach in contract.

## Evaluation and Scoring Procedures

HCAI may make multiple awards. Please refer to *Attachment A: Evaluation and Scoring Criteria*. Final awards include consideration of the following elements:

1. At the time of application closing, HCAI will check each application for the presence or absence of required information in conformance with the submission requirements.
2. HCAI may reject applications that contain false or misleading information.
3. HCAI will use the evaluation criteria in *Attachment A: Evaluation and Scoring Criteria* to score applications.

## Award Process

HCAI will notify selected applicants (herein referred to as Grantee) after finalizing all award decisions. The award process time can vary depending upon the number of applications received. HCAI will use DocuSign to send contract documents to Grantee for review and signatures.

## Grant Agreement Deliverables

The Grantee shall:

- Submit two Progress Reports through the eApp, during the 12-month service obligation. The schedule of these reports is based on the date you begin working at your approved work site.

## Required Grant Documentation

- Contact your Program Officer to receive a Graduation Date Verification (GDV) form 30 days upon graduating from program.
- Contact your Program Officer to receive an Employment Verification Form (EVF) 60 days upon graduating and **anytime** there is a change in practice site.
- Request and submit a Payee Data Record form (STD204) anytime there is a change in the Grantee’s name and/or residential address.

## Post Award and Payment Provisions

1. HCAI expects the Grantee will begin performance of the grant agreement on the start date listed on the grant documents.
2. The State Controller’s Office mails a paper check directly to the Grantee’s address on file.  
**Note: Please ensure HCAI has your most recent residential address on file to avoid delay in payment.** See *Attachment B: Sample Grant Agreement, Section D: Payment Provisions and Reporting Requirements* for detailed information.

3. HCAI cannot provide tax advice to Grantees. HCAI are not tax professionals and tax consequences may vary depending on the Grantee. For this reason, Grantees should seek professional tax advice.

**Breach Policy**

HCAI reserves the right to recover monies for the Grantee’s failure to perform the obligations set forth in the grant agreement. Refer to *Attachment B: Sample Grant Agreement – Section G: Breach* for detailed information.

3. HCAI may modify, waive, suspend, reduce, or delay any service or payment obligation incurred by a Grantee whenever compliance by the Grantee is impossible, or would involve extreme hardship to the Grantee, and if the enforcement of the service or payment obligation would be against equity and good conscience.
4. Compliance by a Grantee with a service or payment obligation shall be considered impossible if HCAI determines, on the basis of information and documentation, that the Grantee suffers from a physical or mental disability resulting in the permanent (or near-permanent) inability of the Grantee to perform the service or other activities which would be necessary to comply with the obligation.
5. In determining whether to waive, suspend, reduce or delay any or all of the service or payment obligations of a Grantee as imposing an undue hardship and being against equity and good conscience, HCAI may consider:
  - a. The Grantee's present financial resources and obligations;
  - b. The Grantee's estimated future financial resources and obligations; and,
  - c. The extent to which the Grantee has problems of a personal nature, such as physical or mental disabilities, or terminal illness in the immediate family, which so intrude on the Grantee's present and future ability to perform as to raise a presumption that the individual will be unable to perform the obligation incurred.

## **I. General Terms and Conditions**

1. **Timeliness:** Time is of the essence in this Agreement. Grantee will submit required documentation by the deadlines set by HCAI. Anticipating potential overlaps, conflicts, and scheduling issues, to adhere to the terms of the Agreement, is the sole responsibility of the Grantee.
2. **Final Agreement:** This Agreement, along with the Program Application, constitutes the entire and final agreement between the parties and supersedes any and all prior oral or written agreements or discussions. In the event of a conflict between the provisions of this Agreement and the Program Application, the provisions of this Agreement shall prevail.
3. **Cumulative Remedies:** HCAI's failure to exercise or a delay in exercising any right, remedy, power or privilege hereunder shall not operate as a waiver thereof; nor shall any single or partial exercise by HCAI of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The

rights, remedies, powers, and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers, and privileges provided by law.

4. Ownership and Public Records Act: All reports and the supporting documentation and data, which are embodied in those documents, collected from Grantee pursuant to this Agreement, shall become the property of the State and subject to the California Public Records Act (Gov. Code §§ 6250 et seq.).

7. Approval: This Agreement is of no force or effect until signed by both parties. The Grantee may not commence performance until such approval has been obtained.
8. Amendment: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties.
9. Assignment: This Agreement is not assignable by Grantee, either in whole or in part, without the consent of HCAI in the form of a formal written amendment.
10. Indemnification: Grantee agrees to indemnify, defend and save harmless the State, its officers, agents, and employees from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by Grantee in the performance of this Agreement.
11. Disputes: Grantee shall continue with the responsibilities under this Agreement during any dispute. Any dispute arising under this Agreement, shall be resolved as follows:
  - a. Grantee will discuss the problem informally with the HCAI Program Manager. If unresolved, the problem shall be presented, in writing, to the Deputy Director, stating the issues in dispute, the basis for Grantee's position, and the remedy sought. Grantee shall include copies of any documentary evidence and describe any other evidence that supports their position with their submission to the Deputy Director.
  - b. Within ten working days after receipt of the written grievance from the Grantee, the Deputy Director or their designee shall make a determination and respond in writing to the Grantee indicating the decision and reasons for it.
  - c. Within ten working days of receipt of the Deputy Director's decision, Grantee may appeal to the HCAI Chief Deputy Director stating why the Grantee does not agree with the Deputy Director's Decision. The Chief Deputy Director or designee (who shall not be the Deputy Director or their Designee) shall meet with Grantee within 20 working days of receipt of Grantee's appeal. During this meeting, Grantee and HCAI may present evidence in support of their positions.
