Re: Updates/Changes to the Annual Utilization Report (AUR) of Primary Care Clinics - 2022

This document by the Department of Healthcare Access and Information, formerly Office of Statewide Health Planning and Development, details the changes and updates to the 2022 Annual Utilization Report of Primary Care Clinics.

REPORT PAGE 2 – CLINIC SERVICES

This report page includes information on the community and patient care services provided by the clinic, as well as information about languages spoken by patients and staff, and the composition of the clinic's primary care providers. It also provides an accurate picture of the staffing level and volume of services delivered for each type of primary care practitioner at the clinic, regardless of the means by which they are reimbursed (or even whether they are reimbursed).

LANGUAGES SPOKEN BY STAFF AND PATIENTS

Khmer language was added to the list beginning with the 2022 report year. Khmer, Line 58.
