The determination of which clinics and outpatient facilities are subject to the OSHPD 3 requirements found in the Title 24, California Building Standards Code is complex. Join HCAI as we explain the intricacies of OSHPD 3 clinics and try to demystify when and why a clinic should meet OSHPD 3 requirements. We will cover what OSHPD 3 is, specific code requirements, when you should survey your potential property, and the plan review process. Inspection, permitting, occupancy and OSHPD 3 certification will also be discussed in detail.
