A. Background and Mission

Pursuant to the Song-Brown Health Care Workforce Training Act (Song-Brown Act), Health & Safety Code Sections 128200, et. seq., the Department of Health Care Access and Information (HCAI) will consider applications to support the training of primary care physicians. After review of the applications, HCAI staff makes recommendations for grant awards to the Director of HCAI.

HCAI shall give priority to programs that have demonstrated success in the following areas:

- Graduating individuals who practice in medically underserved areas.
- Enrolling members of underrepresented groups in medicine to the program.
- Locating the program's main training site in a medically underserved area.
- Operating a main training site at which the majority of the patients are Medi Cal recipients.

B. Purpose and Description of Services

This grant opportunity will result in funding organizations to educate and train primary care residents to work in underserved communities. All residency programs shall incorporate the following strategies into their programs:

1. Providing training sites in medically underserved multi-cultural communities, lower socioeconomic neighborhoods, or rural communities, and preparing primary care physicians for service in such neighborhoods and communities.
2. Establishing procedures to identify, recruit, and match primary care residents who possess characteristics which would suggest a predisposition to practice in [areas of unmet need](#), and who express a commitment to serve in areas of unmet need.
3. Implementing counseling and placement programs to encourage training program graduates to enter practice in areas of unmet need.
4. Providing a preceptorship experience in an area of unmet need to enhance the potential of training program graduates to practice in such an area.

C. Available Funding and Award Categories

1. Available Funding

Grant awards are limited to the funds specified in the State Budget Act of 2024. This is a one-time grant opportunity with no implied or expressed guarantee of subsequent funding after the initial contract award resulting from this application. Awardees shall use the funding to expand primary care services. Awardees shall not use these funds to supplant existing state or local funds. Approximately

\$31,000,000 in state funding is available to support Primary Care Residency (PCR) programs (Family Medicine, Internal Medicine, Obstetrics and Gynecology (OB/GYN), and Pediatric) for these purposes:

- a. \$18.6 million to fund existing PCR slots
- b. \$5.6 million to fund existing Teaching Health Center (THC) primary care slots
- c. \$3.3 million to fund expanding PCR programs
- d. \$3.3 million to fund New PCR programs

HCAI may award full, partial, or no funding to an applicant based on the applicant's success in meeting the selection criteria score and the amount of available funds. Competitive proposals will meet the Song-Brown Program evaluation criteria and demonstrate a commitment to Song-Brown goals.

In the event there is additional state funding available, HCAI has the discretion to make additional awards.

2. Award Categories

- a. Existing PCR Slots—Existing Slots

Eligible programs may receive \$125,000 per filled first year slot, with a maximum of five slots.

- b. Teaching Health Center Existing PCR Slots—THC Existing Slots

Eligible programs may receive \$125,000 per filled first year slot, with a maximum of six slots.

Programs applying for both THC and Existing PCR Slots funding can apply for a combined total of 11 unique filled first-year slots (5 Existing slots and 6 THC slots), not to exceed the program's total number of filled first-year positions. For example, if a program applying for THC and Existing program funding has 7 filled first-year slots, they may only apply for a combined total of 7 THC and Existing slots.

- c. New PCR Slots at Existing Programs—Expansion Slots

Eligible programs may receive \$300,000 per first year categorical slot, with a maximum of three slots.

- d. New PCR Programs

Eligible programs may receive an award up to \$1,000,000.

- e. New PCR Programs with a Match

Eligible programs may receive an award up to \$2,000,000 with a 25% required match.

D. Determining Eligibility

To find out if your program is eligible for one or more funding opportunities, please answer the questions below:

F. Grant Questions and Answers

You can find answers to most questions in this Grant Guide, Technical Assistance Guide, and/or in the eApp. If you have any questions related to the intent or interpretation of grant language, email Song-Brown staff at songbrown@hcai.ca.gov.

G. Initiating an Application

1. Applicants must register and submit all applications through the web-based eApp, <https://funding.hcai.ca.gov/>.

2. You must register as a new user or enter an existing username and password. The eApp Technical Assistance Guide contains eApp information, including how to register and complete your application. Refer to Sections P and Q for more information.
3. Applicants are responsible for providing all necessary documents and ensuring that the information contained within the application is complete and accurate.

H. Submitting Grant Applications

1. An organization may submit one application even if seeking funding for multiple award categories. For example, an established THC may request THC Existing Slots, Existing Slots, and Expansion Slots funding (if applicable) within the same application. Organizations applying for either New PCR Programs funding opportunities cannot apply for other funding categories in the same application cycle.
2. HCAI may reject an application if it is conditional or incomplete, or if the application contains any alterations of form or other irregularities of any kind. HCAI may reject any or all applications and may waive an immaterial deviation in an application. HCAI's waiver of an immaterial deviation shall in no way modify the Grant Guide or excuse the applicant from full compliance with all requirements if awarded the agreement.
3. Applicants are entirely responsible for costs incurred in developing applications in anticipation of award of the agreement and shall not charge the State of California for these costs.
4. HCAI reserves the right to reject all applications.

I. Budget Restrictions

Applicants seeking THC Existing Slots funding must submit a proposed budget.

A THC grantee shall submit in writing any requests to change a THC budget at least 90 days before the grant end date.

Indirect costs are only allowable for THC Existing Slots funding and shall not exceed eight percent of the total dollars awarded. Applicants may choose not to include indirect costs in their budget. Indirect costs are not allowable for Existing, Expansion, or any New PCR Programs funding grants.

The Grantee shall not use these Song-Brown funds to supplant existing federal, state, or local funds.

J. Evaluation and Scoring Procedures

1. Review Process

Applications submitted between July 11, 2024, and the early submission date of August 13, 2024, will be eligible for one application review from Song-Brown staff. If an application is determined to be incomplete or erroneous, staff will notify the applicant and they will have five business days to update their application. If an applicant does not make any changes to the application by the early submission due date, it is considered final. Applications are final if submitted after August 13, 2024, but before the application close date of August 27, 2024.

If, in the opinion of HCAI, an application contains false or misleading information, or provides documentation that does not support an attribute or condition claimed, HCAI will reject the application. HCAI reserves the right to reject any or all applications or to reduce the amount funded to an applicant.

2. Evaluation and Scoring

HCAI will calculate a quantitative score for all Song-Brown PCR applications. Please refer to Attachments A and B for the Evaluation Criteria. Attachment A references Existing Slots, THC Existing Slots, and Expansion Slots. Attachment B references New PCR Programs & New PCR Programs with a Match.

Through the application process, HCAI will evaluate each applicant's ability to meet the statutory priorities set forth in the Song-Brown Act.

K. Final Selections

HCAI will make award recommendations based on which applications best meet the Song-Brown goals and statutory priorities. Once the HCAI Director concurs on award recommendations, HCAI will announce grantees.

Grantee Organizations and the Media

As a state department, HCAI is responsible for what it releases to the public and is required to provide information to anyone who requests it under the California Public Records Act. HCAI's Director's Office reviews all information for accuracy, risk, relevancy, and other factors. The office also coordinates timing for all HCAI news and press engagements in conjunction with other news coming out from the California Health and Human Services Agency (CalHHS) and the Governor's Office. Grantee organizations need to take this into consideration when preparing media statements or press releases about its programs. If an entity is engaging with the media to promote its grant award and/or program activities, there are important steps to follow:

- All grantee organizations **are required** to submit press releases for review by HCAI at a minimum of **two weeks in advance** of the intended publication date for review and approval.
- Grantee organizations understand that portions, or the entirety, of its press release may be used by HCAI, CalHHS, or the Governor's office and **may be changed without notice to the grantee**.
- If HCAI, CalHHS, or the Governor's Office issues a press release or statement about an award the grantee received, but does not use the awarded organization's press announcement, the awardee may issue its release **after** HCAI, CalHHS or the Governor's Office issues a statement. **The release must still be reviewed by HCAI before release.**
- For some grants or programs, a pre-approved press release template may be developed in a tool kit for the program, which may reduce the review/approval time by HCAI. (This does not apply to all grants.)

Grantee organizations should stay in close contact with grant managers and provide any detailed plans related to news media engagement.

L. Additional Terms and Conditions

1. By submitting an application, you and your organization agree to the grant terms and conditions specified in this Grant Guide.
2. HCAI does not accept alternate grant agreement language from a prospective Grantee. HCAI will consider an application with such language to be a counteroffer and will reject it. HCAI will not negotiate the terms and conditions outlined in Attachments C, D, E, F, and G: Sample Agreements.
3. If your program requires approval to contract from a coordinating authority, you must inform the authority of the terms and conditions contained in this Grant Guide. HCAI considers the submission of an application implies express acceptance of the terms. All applicants must agree to the terms and conditions prior to receiving funds. HCAI will not make changes to the terms and conditions specified in this Grant Guide.
4. Grantees shall use the funding established pursuant to this act to expand primary care services. Grantees shall not use these funds to supplant existing federal, state, or local funds to provide primary care services.
5. Grantees must sign and submit grant agreements by the due date. If the Grantee fails to sign and return the grant agreement by the due date, they may lose their award.

6. When the Grantee is a county, city, school district, or other local public body, a copy of the resolution, order, motion, ordinance, or other similar document shall accompany the signed grant from the local governing body authorizing execution of the agreement.
7. The Grantee will submit their Final Report (if applicable) and adhere to the deadlines as specified in this Grant Guide. It is the sole responsibility of the Grantee to adhere to the terms of the grant, and to anticipate potential overlaps, conflicts, and scheduling issues.
8. The Public Records Act shall apply to all grant deliverables, including reports, applications, and supporting documentation.
9. The Grantee shall submit in writing any requests to change or extend the grant at least 90 days before the grant end date.

In this event, HCAI shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Agreement.

2. If funding is reduced or deleted by the Budget Act for purposes of this Program, HCAI may void this Agreement or may offer an agreement amendment to account for the reduced amount; if HCAI offers an agreement amendment consistent with the terms of this budget contingency clause, HCAI may suspend the Agreement until the Parties sign the offered amendment.

Termination shall be at the sole discretion of the State.

L. General Terms and Conditions:

1. Timeliness: Time is of the essence in this Agreement. Grantee will submit the required deliverables as specified and adhere to the deadlines as specified in this Agreement.  - e. Grantee shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.
7. **Waiver:** The waiver by HCAI of a breach of any provision of this Agreement by the Grantee will not operate or be construed as a waiver of any other breach. HCAI expressly reserves the right to disqualify Grantee from any future grant awards for failure to comply with the terms of this Agreement.
 8. **Approval:** This Agreement is of no force or effect until signed by both parties. Grantee may not commence performance until such approval has been obtained.

14. Grantee's Subcontractors: Nothing contained in this Agreement shall create any contractual relationship between the State and the Grantee or any subcontractors, and no subcontract shall relieve the Grantee of its responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the State for any and all acts and omissions of its subcontractors and of persons either directly or indirectly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the State's obligation to disburse funds to the Grantee. As a result, the State shall have no obligation to pay or to enforce the payment of any money to any subcontractor.
15. Governing Law: This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.

 3. Records Retention and Audit:
 - a. The training institution shall permit the HCAI Director, or the California State Auditor, or the State Controller, or their authorized representatives, access to records maintained on source of income and expenditures of its residency program, for the purpose of audit and examination.
 - b. The training institution shall maintain books, records, documents, and other evidence pertaining to the costs and expenses of this grant (hereinafter collectively called the "records") to the extent and in such detail as will properly reflect all net costs, direct and indirect, of labor, materials, equipment, supplies and services, and other costs and expenses of whatever nature for which reimbursement is claimed under the provisions of this Agreement.
 - c. The training institution agrees to make available at the office of the training institution at all reasonable times during the period set forth in subparagraph (d) below any of the records for inspection, audit or reproduction by an authorized representative of the State.

- d. The training institution shall preserve and make available its records (a) for a period of three years from the date of final payment under this Agreement, and (b) for such longer period, if any, as is required by applicable statute, by any other clause of this Agreement, or by subparagraph (i) or (ii) below:
 - (i) If this Agreement is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of three years from the date of any resulting final settlement.
 - (ii) Records which relate to (i) litigation of the settlement of claims arising out of the performance of this Agreement, or (ii) costs and expenses of this Agreement as to which exception has been taken by the State or any of its duly authorized representatives, shall be retained by the training institution until disposition of such appeals, litigation, claims, or exceptions.

H. Budget Contingency Clause:

- 1. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, HCAI shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Agreement.
- 2. If funding is reduced or deleted by the Budget Act for purposes of this Program, HCAI may void this Agreement or may offer an agreement amendment to account for the reduced amount; if HCAI offers an agreement amendment consistent with the terms of this budget contingency clause, HCAI may suspend the Agreement until the Parties sign the offered amendment.

- I. Breach: HCAI reserves the right to recover any and all amounts provided to the Grantee for Grantee's failure to perform the Scope of Work set forth in this Agreement. HCAI expressly reserves the right to pursue all legal and equitable remedies in the event of a breach by Grantee, including the right to disqualify Grantee from future funding opportunities.

J. Budget Adjustments:

- 1. Budget adjustments consist of a change within the approved budget that does not amend the total amount of the grant. All requests to change the budget shall include an explanation for the reallocation of funds by the Grantee.

2. All requests for extending the grant period shall be submitted in writing to HCAI for approval. Requests for a time extension must be made to HCAI no later than 90 calendar days prior to the expiration of the Agreement. There shall be no activity on an Agreement after its expiration.

K. Executive Order N-6-22 – Russia Sanctions:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

L. General Terms and Conditions:

1. **Timeliness:** Time is of the essence in this Agreement. Grantee will submit the required deliverables as specified and adhere to the deadlines as specified in this Agreement. Anticipating potential overlaps, conflicts, and scheduling issues, to adhere to the terms of the Agreement, is the sole responsibility of the Grantee.
2. **Final Agreement:** This Agreement, along with the Grantee’s Application, exhibits, and forms constitutes the entire and final agreement between the parties and supersedes any and all prior oral or written agreements or discussions.
3. **Ownership and Public Records Act:** All reports and the supporting documentation and data collected during the funding period which are embodied in those reports, shall become the property of the State and subject to the California Public Records Act (Gov. Code § 6250 et seq.).
4. **Audits:** The Grantee agrees that HCAI, the Department of General Services, the State Auditor, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. The Grantee agrees to maintain such records for possible audit for a minimum of three years after final payment unless a longer period of records retention is stipulated by the State.

The Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Grantee agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement.

5. Independence from the State: Grantee and the agents and employees of Grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.
6. Non-Discrimination Clause (See Cal. Code Regs., Title 2, § 11105):
 - a. During the performance of this Agreement, Grantee and its subcontractors shall not deny the Agreement's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, reproductive health decision making, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Grantee shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination.
 - b. Grantee and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code § 12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, § 11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§ 11135-11139.8), and any regulations or standards adopted by HCAI to implement such article.
 - c. Grantee shall permit access by representatives of the Civil Rights Department and HCAI upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or HCAI shall require to ascertain compliance with this clause.
 - d. Grantee and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

- e. Grantee shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.
7. Waiver: The waiver by HCAI of a breach of any provision of this Agreement by the Grantee will not operate or be construed as a waiver of any other breach. HCAI expressly reserves the right to disqualify Grantee from any future grant awards for failure to comply with the terms of this Agreement.
 8. Approval: This Agreement is of no force or effect until signed by both parties. Grantee may not commence performance until such approval has been obtained.
 9. Amendment: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties, and approved as required. No oral understanding or agreement not incorporated in the Agreement is binding on any of the parties.
 10. Assignment: This Agreement is not assignable by the Grantee, either in whole or in part, without the consent of the State in the form of a formal written amendment.
 11. Indemnification: Grantee agrees to indemnify, defend and hold harmless the State, its officers, agents, and employees (i) from any and all claims and losses accruing or resulting to any and all of Grantee's, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies resulting from the Grantee's performance of this Agreement, and (ii) from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by Grantee in the performance of this Agreement.
 12. Disputes: Grantee shall continue with the responsibilities under this Agreement during any dispute. Any dispute arising under this Agreement shall be resolved as follows:
 - a. The Grantee will discuss the problem informally with the Song-Brown Program Manager. If unresolved, the problem shall be presented, in writing, to the Deputy Director stating the issues in dispute, the basis for the Grantee's position, and the remedy sought. Grantee shall include copies of any documentary evidence and describe any other evidence that supports its position with its submission to the Deputy Director.
 - b. Within ten working days after receipt of the written grievance from the Grantee, the Deputy Director or their designee shall make a determination and shall respond in writing to the Grantee indicating the decision and reasons for it.

- c. Within ten working days of receipt of the Deputy Director's decision, the Grantee may appeal the decision of the Deputy Director by submitting a written appeal to the Chief Deputy Director stating why the Grantee does not agree with the Deputy Director's decision.
 - d. Within ten working days, the Chief Deputy Director or their designee shall respond in writing to the Grantee with their decision. The Chief Deputy Director's decision will be final.
13. Termination for Cause: HCAI may terminate this Agreement and be relieved of any payments should the Grantee fail to perform the requirements of this Agreement at the time and in the manner herein provided. Grantee shall return any Agreement Funds that were previously provided to Grantee for use after the termination date.
- If all grant funds have not been expended upon completion of the Agreement term, HCAI will request the remittance of all unexpended funds. If HCAI determines that improper payments have been made to Grantee, HCAI will request disgorgement of all disallowed costs. Grantee may dispute disallowed costs in accordance with Section L, Paragraph 12.
- Grantee will submit a check or warrant for the amount due within 60 days of the Grantee's receipt of HCAI's disgorgement request or 30 days from the Grantee's receipt of HCAI's last Dispute decision. If Grantee fails to remit payment, HCAI may withhold the amount due from any future grant payments.
14. Grantee's Subcontractors: Nothing contained in this Agreement shall create any contractual relationship between the State and the Grantee or any subcontractors, and no subcontract shall relieve the Grantee of its responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the State for any and all acts and omissions of its subcontractors and of persons either directly or indirectly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the State's obligation to disburse funds to the Grantee. As a result, the State shall have no obligation to pay or to enforce the payment of any money to any subcontractor.
15. Governing Law: This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.
16. Unenforceable Provision: In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.

17. Use of Funds: The funding established pursuant to this act shall be utilized to expand primary care services. These funds shall not be used to supplant existing federal, state, or local funds to provide primary care services.

1. Accounting: Accounting for grant funds will be in accordance with the training institution's accounting practices based on generally accepted accounting principles consistently applied regardless of the source of funds. Supporting records must be in sufficient detail to show the exact amount and nature of expenditures.

Training institutions may elect to commingle grant funds received pursuant to the Agreement with any other income available for operation of the residency program provided that the institution maintains such written fiscal control and accounting procedures as are necessary to ensure proper disbursement of, and accounting for, such commingled funds, including provisions for:

- a. The accurate and timely separate identification of funds received;

 - c. An adequate record of proceeds from the sale of any equipment purchased by funds.
2. Expenditure Reporting: Reports of the training program expenditures under the Agreement must be submitted as requested by HCAI for purposes of program administration, evaluation, or review.

- b. The training institution shall maintain books, records, documents, and other evidence pertaining to the costs and expenses of this grant (hereinafter collectively called the "records") to the extent and in such detail as will properly reflect all net costs, direct and indirect, of labor, materials, equipment, supplies and services, and other costs and expenses of whatever nature for which reimbursement is claimed under the provisions of this Agreement.

- d. The training institution shall preserve and make available its records (a) for a period of three years from the date of final payment under this Agreement, and (b) for such longer period, if any, as is required by applicable statute, by any other clause of this Agreement, or by subparagraph (i) or (ii) below:

In this event, HCAI shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Agreement.

2. If funding is reduced or deleted by the Budget Act for purposes of this Program, HCAI may void this Agreement or may offer an agreement amendment to account for the reduced amount; if HCAI offers an agreement amendment consistent with the terms of this budget contingency clause, HCAI may suspend the Agreement until the Parties sign the offered amendment.

I. Breach: HCAI reserves the right to recover any and all amounts provided to the Grantee for Grantee's failure to perform the Scope of Work set forth in this Agreement. HCAI expressly reserves the right to pursue all legal and equitable remedies in the event of a breach by Grantee, including the right to disqualify Grantee from future funding opportunities.

2. All requests for extending the grant period shall be submitted in writing to HCAI for approval. Requests for a time extension must be made to HCAI no later than 90 calendar days prior to the expiration of the Agreement. There shall be no activity on an Agreement after its expiration.

K. Executive Order N-6-22 – Russia Sanctions:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

L. General Terms and Conditions:

1. Timeliness: Time is of the essence in this Agreement. Grantee will submit the required deliverables as specified and adhere to the deadlines as specified in this Agreement. Anticipating potential overlaps, conflicts, and scheduling issues, to adhere to the terms of the Agreement, is the sole responsibility of the Grantee.

The Grantee agrees to maintain such records for possible audit for a minimum of three years after final payment unless a longer period of records retention is stipulated by the State.

The Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Grantee agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement.

5. Independence from the State: Grantee and the agents and employees of Grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.
6. Non-Discrimination Clause (See Cal. Code Regs., Title 2, § 11105):

Grantee shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination.
 - b. Grantee and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code § 12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, § 11000 et seq.), the

provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§ 11135-11139.8), and any regulations or standards adopted by HCAI to implement such article.

- c. Grantee shall permit access by representatives of the Civil Rights Department and HCAI upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or HCAI shall require to ascertain compliance with this clause.
 - d. Grantee and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.
 - e. Grantee shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.
7. Waiver: The waiver by HCAI of a breach of any provision of this Agreement by the Grantee will not operate or be construed as a waiver of any other breach. HCAI expressly reserves the right to disqualify Grantee from any future grant awards for failure to comply with the terms of this Agreement.
8. Approval: This Agreement is of no force or effect until signed by both parties. Grantee may not commence performance until such approval has been obtained.
9. Amendment: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties, and approved as required. No oral understanding or agreement not incorporated in the Agreement is binding on any of the parties.

12. Disputes: Grantee shall continue with the responsibilities under this Agreement during any dispute. Any dispute arising under this Agreement shall be resolved as follows:
- a. The Grantee will discuss the problem informally with the Song-Brown Program Manager. If unresolved, the problem shall be presented, in writing, to the Deputy Director stating the issues in dispute, the basis for the Grantee's position, and the remedy sought. Grantee shall include copies of any documentary evidence and describe any other evidence that supports its position with its submission to the Deputy Director.
 - b. Within ten working days after receipt of the written grievance from the Grantee, the Deputy Director or their designee shall make a determination and shall respond in writing to the Grantee indicating the decision and reasons for it.
 - c. Within ten working days of receipt of the Deputy Director's decision, the Grantee may appeal the decision of the Deputy Director by submitting a written appeal to the Chief Deputy Director stating why the Grantee does not agree with the Deputy Director's decision.
 - d. Within ten working days, the Chief Deputy Director or their designee shall respond in writing to the Grantee with their decision. The Chief Deputy Director's decision will be final.
13. Termination for Cause: HCAI may terminate this Agreement and be relieved of any payments should the Grantee fail to perform the requirements of this Agreement at the time and in the manner herein provided. Grantee shall return any Agreement Funds that were previously provided to Grantee for use after the termination date.

If all grant funds have not been expended upon completion of the Agreement term, HCAI will request the remittance of all unexpended funds. If HCAI determines that improper payments have been made to Grantee, HCAI will request disgorgement of all disallowed costs. Grantee may dispute disallowed costs in accordance with Section L, Paragraph 12.

Grantee will submit a check or warrant for the amount due within 60 days of the Grantee's receipt of HCAI's disgorgement request or 30 days from the Grantee's receipt of HCAI's last Dispute decision. If Grantee fails to remit payment, HCAI may withhold the amount due from any future grant payments.

14. Grantee's Subcontractors: Nothing contained in this Agreement shall create any contractual relationship between the State and the Grantee or any subcontractors, and no subcontract shall relieve the Grantee of its

responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the State for any and all acts and omissions of its subcontractors and of persons either directly or indirectly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the State's obligation to disburse funds to the Grantee. As a result, the State shall have no obligation to pay or to enforce the payment of any money to any subcontractor.

15. **Governing Law:** This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.
16. **Unenforceable Provision:** In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.
